**B. Goals**

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

**HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.**

  - Leverage private or other public funds to create additional housing opportunities:

  - Other (list below)

**In the year 2000 the LCHA form a non-profit and did a development with Southwest Security in Dallas, TX. From this partnership we developed a Five Million Dollar 112 unit apartment complex in the City of Dayton that is located in a non-impacted area.**

**The Liberty County Housing Authority is presently working with Alex Savory of Washington Mutual in an effort build approximately 94 units in the Cleveland/ Hardin area. The non-profit presently have an agreement with two property owners, one in the City of Cleveland and one in the City of Hardin for the purchasing of two 5 acre tracks. The non-profit purchased 5 lots in the City of Cleveland. Our intent is to build a 91 unit two and three bedroom complex on the five acre track in Cleveland located in a non-impacted area that will consist of a community room and three offices for staff at a cost of approximately \$5,334,735. The five lot location in the City of Cleveland is in an impacted area where we will construct 16 units at a cost of approximately \$1,069,964.00. It is the feeling of this Director that we should look at the impacted area as well as the non-impacted area in future constructions. Our third site will consist of 33 one bedroom units in the City of Hardin, where we will house our elderly. At this site will be a community center as well as a small vegetable garden that will keep them active. The cost of this development is approximately \$2,129,279. This development will be done with tax credit bonds through the Liberty County Non-Profit Development. It is the opinion of this Director that by being the developer of this project it will create a greater profit at a faster rate for LCHA. Our target date for beginning construction is mid December 2002 and completion by September 2003.**
