ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

This is the five-year Plan and the Annual Plan for the Housing Authority of the City of Marshall, Texas. The MHA's fiscal year begins January 1, 2003. The Five Year Plan is for fiscal years 2000 through 2004 and the Annual Plan is for fiscal year 2003.

The MHA administers 74 units of Public Housing. This includes 50 units for the elderly and handicapped and 24 family units. Additionally, we administer 567 Section 8 vouchers. A Board of Commissioners appointed by the Mayor oversees the agency.

The aim of the MHA is to ensure safe, decent and affordable housing; create opportunities for residents self-sufficiency and economic independence and assure fiscal integrity by all program participants.

Our mission also extends beyond providing housing assistance; but, also, charges the MHA with the responsibility to help families to become homeowners through out first time homebuyers program.

Finally, the mission statement charges the Authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

Over the five years, the MHA will adopt and implement a voucher homeownership program. We plan to provide to our families the opportunity of buying their own home by subsidizing mortgage payments. Qualified families will be provided extensive counseling. They will also receive guidance in securing down payment and financing.

The MHA receives the following funding: Section 8, Public Housing operations and capital, FEMA and HUD Counseling. The figures shown in the Plan assumes that the current level of program funding will remain at the present level.

For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

(If selected, skip to sub-component (2))

Minimum Rent Hardship Exemption Request Guidelines for Residents

Any resident Head of Household that is paying a minimum rent, which is \$ 25.00, may make a written request for a hardship exemption (**Note: This hardship exemption only applies to residents that are paying a minimum rent and does not apply to any other resident household**). The written request must be submitted to the Housing Manager prior to the rent becoming delinquent, which is prior to close of business the 10th of each month. The written request must contain one of the following situations to be considered eligible for a hardship exemption, which includes:

1. The family has lost eligibility for, or is awaiting an eligibility determination from a federal, state, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the immigration and nationalization act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.
2. The family would be evicted as a result of the

implementation of the minimum rent. This exemption is only applicable for the initial implementation of a \$25.00 minimum rent or increase in the existing minimum rent. Therefore, this exemption will only apply if the HA increases the minimum rent.

3. The income of the family has decreased because of changed circumstance, including loss of employment.
4. A death in the family has occurred which affects the family circumstances.
5. If section 1 through 4 as listed above do not apply to a family paying a minimum rent, the Head of Household can cite any other circumstance that they believe created a financial hardship and describe that circumstance, in writing, and request that a hardship exemption be granted because of other circumstances. The HA will consider all “other circumstances” request for hardship exemptions as presented, in writing, by the Head of Household and make a decision to grant or deny the other circumstances request for a hardship exemption on a case by case basis.

All of the above must be proven by the Resident by providing verifiable information in writing to the HA prior to the rent becoming delinquent and before the lease is terminated by the HA.

Note:

If you request a minimum rent hardship exemption and your request is approved your new rent amount will be based on your total tenant payment (TTP) and a new dwelling lease will have to be executed. Calculating rent based on the TTP is required by federal regulation and is the method used to calculate rent for all

public housing residents that are not paying a minimum rent or ceiling rent, as appropriate.
