D. Other Information Required by HUD

Use this section to provide any additional information requested by HUD.

In order to be in compliance with Component 12 of the PHA Plan, the East Hartford Housing Authority took the following steps:

Contacted the Connecticut Department of Social Services, specifically, Mr. Kevin Loveland, Director of Family Services for the State DSS. Mr. Loveland informed this agency that there is no protocol in place at this time to enter into a cooperative agreement with any PHA. The matter has been referred to Mr. Loveland’s Housing Staff for further review. Mr. Loveland went on to question how HUD has the authority to force compliance with the TANF Agency, and expressed there may be a need to amend, modify or adopt state statutes regarding confidentiality issues, etc. Mr. Loveland closed by asking this agency to “...bear with us...”.

In addition, this agency has contacted two local community service groups, specifically, the East Hartford Branch of the Greater Hartford YMCA, and the Literacy Volunteers of America/Connecticut River East, in an effort to place individuals in Community Service activity, once those individuals have been identified through the Cooperative Agreement with the TANF Agency. Residents who are subject to community service requirements, will be expected to self-monitor their obligation and present fulfillment documentation to Housing Authority Staff at the time of Annual Recertification. Non-compliance will result in a cure agreement, based on the leaseholders particular situation. All adult family members will be notified, in writing, of programmatic requirements and administration.

Since the above is being presented to reflect changes in HUD regulatory requirements, any significant amendment or modification will not be subject to the basic criteria as listed in the PHA Plans Final Rule (903.7(r)(2)).

Therefore, the Authority will not use quotas in its admissions, but will continue to utilize appropriate affirmative marketing practices, specifically, the use of certain worker preferences, in order to further maintain deconcentration and income mixing goals.
