ii. Executive Summary of the Annual PHA Plan

[24CFR Part 903.79(r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Davis County Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 as directed by the Department of Housing & Urban Development.

We have adopted the following Vision and Mission Statement to guide the activities of the Davis County Housing Authority.

Vision Statement

Through superior service, deliver affordable housing and the opportunity to become financially, physically and emotionally independent to low-income families, elderly and disabled.

Mission Statement

The Davis County Housing Authority provides primarily rental assistance, and to a lesser degree rehabilitation of housing stock of all types. It owns and manages a variety of rental units throughout the County. The four-fold mission set forth for the organization is:

- To monitor the housing needs of the low-income populations.
- To provide safe, decent, sanitary, and affordable housing to its residents.
- To maintain a superior level of public service to the community.
- To be a catalyst towards resident independence (self-sufficiency).

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working toward the achievement of our mission.

The Plans, statements, budget summary, policies, etc., set forth in the Annual Plan all lead towards the accomplishment of four goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are a few highlights of our Five Year and Annual Plan:

- Maximize the number of affordable units available to the PHA within its current resources by employing effective maintenance and management policies to minimize the number of public housing units off -line, aggressively apply for additional Section 8 units, pursue other housing resources, maintain maximum occupancy of subsidized units.
- Operate a fully successful owner occupied and multi -family rehab program using CDBG, HOME, State of Utah Olene Walker Housing Trust Fund and other funds available.
- Provide quality and timely service to our clients including high level of maintenance and management service, taking immediate action on resident issues especially those that affect the peaceful enjoyment of the residents as a whole (lease enforcement, eviction when necessary), provide referral service.
- Aggressively screen public housing applicants to ensure that new admissions will add to and not detract from the quality of life of the other residents.
- Applicants will be selected from the waiting list in order of date and time they applied.
- We have established a minimum rent of \$50.
- We have established flat rents for all our public housing developments.
- We will regularly review our payment standard to assist Section 8 Voucher clients to the furthest extent possible in finding affordable housing and to assist the maximum number of clients possible given our budget constraints.
