STATEMENT OF PROGRESS/MISSION & GOALS

The mission of the Martinsville Redevelopment and Housing Authority is the same as that of the Department of Housing and Urban Development. In our effort to fulfill that mission, we have aggressively begun outreach measures to recruit more investor – owner to participate in the Housing Choice Voucher program. This is being done through personal contacts, group meetings, and community television cable programs. These efforts should ensure that our quantity and, more importantly, quality of affordable housing is made available to those in greatest need.

The other part of achieving a goal of greater availability and enhancing the quality of life in the community is improving the management of our vouchers and getting them out into the community with as great efficiency as is possible. This is being done through procuring better computer software and better management of staff.
