ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Brown County Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Brown County Housing Authority.

The mission of the Brown County Housing Authority is to ensure that all residents of Brown County have the opportunity for safe, affordable housing.

We have also adopted the following goals and objectives for the next five years.

Goal One: Manage the Brown County Housing Authority's tenant-based program in an efficient and effective manner thereby qualifying as at least a standard performer under SEMAP.

Objectives:

1. The Brown County Housing Authority shall achieve and sustain a utilization rate of 95% by December 31, 2004, in its tenant-based program.

2. The Brown County Housing Authority shall reduce the concentration of its voucher holders by having 30% of them living in other than low-income areas by December 31, 2004.
3. The Brown County Housing Authority shall reduce the amount of time it takes to inspect a new unit to 15 days by December 31, 2004.
4. The Brown County Housing Authority shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally-prudent leader in the affordable housing industry.

Goal Two: Expand the range and quality of housing choices available to participants in the Brown County Housing Authority's tenant-based assistance program.

Objectives:

1. The Brown County Housing Authority shall establish a program to help people use its tenant-based program to become homeowners by December 31, 2004.
2. The Brown County Housing Authority shall work with non-profit partners to build or acquire 10 units to increase homeownership opportunities by December 31, 2004.
3. The Brown County Housing Authority shall implement an aggressive outreach program to attract at least 250 landlords to participate in its program by December 31, 2004.
4. The Brown County Housing Authority will participate in a consortium effort to develop homeownership opportunities for persons with disabilities and locate at least 3 partners, non-profit or for-profit, locally or nationally-based by December 31, 2002. These partners will work with us on the acquisition, improvement and/or development of additional housing opportunities for this target group.

Goal Three: Improve economic opportunity (self-sufficiency) for the families and individuals who are participants in the Brown County Housing Authority's tenant-based assistance program.

Objectives:

1. The Brown County Housing Authority shall have an effective, fully functioning resident organization by December 31, 2002.
2. The Brown County Housing Authority will continue Family Self-Sufficiency participation at 100% of the eligible slots with the goal to utilize all available funding by December 31, 2004.

3. The Brown County Housing Authority will implement 3 new partner-ships in order to enhance self-sufficiency services to our Section 8 participants by December 31, 2004.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted two local preferences – for applicants who live or work or are hired to work in Brown County and applicants who have been displaced because of natural disaster or public redevelopments. Higher preference is given for displacement.
- We have adopted an aggressive screening policy for Section 8 applicants to ensure to the best of our ability that new admissions will be good neighbors. We are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- We have implemented a tenacious deconcentration policy.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$25.
- In an attempt to encourage work and advancement in the workplace, we are not requiring interim recertifications if Section 8 participants have an increase in income. The increase will be reported at the next regular recertification.
- We are going to utilize the published FMR's as our payment standard for the Section 8 program. To increase housing opportunities our voucher payment standard will be set at 110% FMR.

In summary, we are on course to improve the condition of affordable housing in Brown County.

PROGRESS REPORT AGENCY PLAN

The Brown County Housing Authority, through its contract with Integrated Community Services, continues to strive to manage the Section 8 Program in an effective and efficient manner. In an effort to increase program utilization, we enlisted the services of The Quadel Corporation to conduct a review of program operations. We have since taken a number of steps to make our processes more user-friendly:

We have begun scheduling the briefing the same day as the individual interview to decrease the number of times a client is required to come to our office.

We have started to do annual recertifications by mail; this has been well received by clients. We are now beginning our second year using this system. Clients do have the option of a face to face interview if preferred.

We decreased the number of forms landlords are required to sign, now limiting this to only what HUD requires. This also has been positively received.

We were awarded a Local Housing Opportunity Grant of \$32,859.95 for a 2-year period to hire a housing counselor. ICS and the BCHA are providing an equal match. The housing counselor is working with applicant households to overcome barriers to securing affordable housing and with landlords to increase their understanding and participation in the Brown County Section 8 Housing Choice Program. We feel this has given us the ability to better assist individuals with housing barriers.

ICS implemented a Call Center to improve telephone communication. There are four staff working in this area.

ICS began evening hours in February and is now open until 7 p.m. each Tuesday for the convenience of clients and landlords.

We have developed The Brown County Housing Authority Section 8 Homeownership Option in collaboration with, Neighborhood Housing Services of Green Bay Inc. M & I Bank, 1st Northern Savings and Loan, and Options for Independent Living and Fannie Mae. Brown County was the first housing authority (non pilot) to close a Section 8 Housing Choice Home Ownership, home purchase in the eight state Midwest district, with a closing in August of 2001. During the first year fifteen Section 8 Housing Choice households have achieved the "American Dream" of home ownership through the program.

We sold 3 properties (643 S. Huron, De Pere; 1922 Lone Grove, Howard; 1484 Hastings, Allouez) to moderate-income 1st time homebuyers under our HOME program. In the future we plan to tie this with our Section 8 Homeownership program, whenever possible. These properties were improved with HOME funds prior to the sale.

The Brown County Housing Authority and the Housing Authority of the City of Green Bay have successfully consolidated the 187 unit Green Bay Section 8 Housing Choice Program into the larger 3004 unit Brown County Housing Choice program, increasing efficiency and eliminating administrative duplication to make the program operate more efficiently and effectively.

We committed 14 Section 8 Housing Choice Vouchers to Project Based Vouchers to facilitate the Pulaski Housing Authority in financing the development of new mixed income affordable housing, which also complemented the Brown County Housing Authorities de-concentration efforts.

We assisted in the conversion of 58 project based units at Green Meadows to tenant based housing assistance effective February 2001, and applied for and added 58 new tenant based units to serve additional households.

We have made progress in our lease-ups. In August 2000 we had 2,274 clients enrolled in our program; in August 2001 our voucher program had 2,470 families being assisted. We continue to make progress in our lease-up efforts. We currently are assisting

The Brown County Housing Authority, and its administrative partner Integrated Community Services, Inc. successfully applied for and received an award of \$388,688. to serve 100 new households with Section 8 Housing Choice Voucher Assistance.

The Brown County Housing Authority amended its preferences to provide greater preference to those households displaced by natural disaster or government action.

The Brown County Housing Authority facilitated with the Housing Authority of the City of Green Bay the housing Mortgage Revenue Bond Financing of the twenty bed Family Services Association of North East Wisconsin, Billie Kress Center for Youth Development, dedicated August 12, 2002.

The Brown County Housing Authority facilitated the purchase and refinancing and rehabilitation of the thirty six unit Deny's Town House affordable family housing development.

The Brown County Housing Authority in conjunction with the Housing Authority of the City of Green Bay issued housing mortgage revenue bond financing in the amount of \$13,675,000. to finance affordable housing for the non profit University Village Housing Inc.

Provided support and assistance to Bay Area Lutheran Home to add twenty four units of affordable elderly housing to its assisted living campus under the Federal Section 202 program for non profit sponsors.

**ANNUAL PLAN BROWN COUNTY HOUSING AUTHORITY
TENANT/CLIENT ADVISORY BOARD MEETING FOR SEPTEMBER 10, 2002**

Attendees: Gerald & Theresa Garner, Eunice Ludke, Mary Ossefort, Tom Wilhelm, Judith Krueger, Sandra Anderson, Elisabeth Destiche, Carol MacPhail, Peter Hernandez, Sharon Harper, Barbara Loberger, Gina McGinnis, Quin McGinn, Victoria Vaessen, Andrea Giacomo, Early Easterly (not currently a client), Tanya Westmoreland (not currently a client), Doris Avery, Peggy Greisinger, Rosie Jonas, Keith Pamperin, Wendy Bushman and Robyn Hallet.

Absent: Annette Smith, Bernadine Brinkman, Breshenda Davis, John Geyer, Jane Rueckl, Magaret Stansberry, Tara Chynoweth, John Perry, Suzanne Ruatti, Annie Ranft, Hattie Dees.

The meeting began as Rosemary Jonas greeted attendees and explained that the purpose of the meeting was to update HUD about the Section 8 program, that we must report to HUD and in order for us to do a better job with the program, we need client input. Also she emphasized the requirement to report every 5 yrs to HUD and that if requested we will be happy to give clients a copy of 5 year plan but in light of the difficulty in reading that material, we have handed out a synopsis (summary) of accomplishments in the past year. Handouts had been given to each client regarding comments they'd like to make in writing (if preferred); also a copy of the itinerary for the evening as well as a copy of a summary of the past years Progress Report Agency Plan was handed out. Keith Pamperin arrived, was introduced and he reiterated the need for input and feedback from clients regarding the program as it is an important part.

It was also mentioned that on September 23, 2002 there will be a Public Hearing Brown County Housing Authority meeting which all are encouraged to attend. Along with that meeting and ours this evening we will submit comments and suggestions to HUD, which is due by October 15.

Keith then gave a brief history of the housing program and mentioned that we serve nearly 3,000 families at present and to remember the present level of workload on ICS. He explained how effectively having a non-profit agency like ICS is at facilitating the program. He explained about how important it is to have housing "choice" now as it offers much more freedom. He explained that ICS employees are not government employees. He also said that ICS does not get paid for client/family "no shows" so if you're scheduled for an appointment and you don't show, it is a waste of everyone's time as 1 of every 3 families then, get assistance. Be sure to keep appointments and provide documentation that is requested. Keith also mentioned that the County Board is in charge of keeping the program running and they have the last say in many areas. It was also said (after being asked) how many Client Services Specialists we have. Rosie told them 7 at present but that we would soon be adding to that and to try and be patient as each CSS has quite a large caseload, she also emphasized utilizing the Call Center number in order to get answers.

At the very end of the meeting we set up another meeting date in six months, March 11, 2003.

Issue 1 Are any of you having a difficult time in finding a place to rent?

Answer 1 Not now, but has been problem for me and my children in the past in that a lot of these Places are not up to HQS or LL wants to go higher on rent once they know you're on Program.

HA Answer 2 Yes some of the difficulty we have is to rely on private landlords w/their own business. Some are very good and others not so and they take advantage of clients with not too many choices, that's why you as customers must make good choices. Also if LL takes advantage you must report it and/or find another place. We do not endorse LL, neither do we select the places you will live. It is your choice. You must watch out for yourself.

Issue 2 Have you ever thought of inviting the LL's that participate or inviting LL's to participate by having a meeting, or sending out expectations to those that participate?

Answer There actually is a newsletter that LL's receive monthly as well as a briefing-type meeting we have occasionally to address these concerns. We also did have LL training sessions in the past but the turnout was not good. Make sure you do not sign a lease in a unit that will not qualify or where they do not want to participate.

Issue 3 I believe if there were more information to teach LL about the program, they wouldn't be so scared of the program and HQS and whether or not they will get a check on time etc. I feel it its explained more clearly, then more would be willing to participate.

Answer We have found that in the past when there is too much government restriction and involvement, that they (LL) will just pull out altogether. It is true that LL's can pick and choose their tenants and whether or not to participate. Any ordinances in the past back fire on (in the end) the clients that need it the most. Brown Co. has been pretty successful in that area. Generally the reason for LL reluctance is not to participate is not because you're on Section 8 program. It would be interesting to find out why some people are not assisted.

Issue 4 Can't you compose a little letter, like an introductory letter when you're applying? I find that if you go into a nice place, they say "no we don't want housing telling us what's wrong with our units" then you go into a slum area, and LL was like a hooker, we cleaned, it was filthy, LL was on your list (ICS) list of LL that participate. I find it hard to get a decent place, a safe place. I am sick of being used, I have an illness...its not right, I am going to Mark Green to complain.

Answer We will be glad to take the info you have on this LL. The reason you went to that place was because you thought it was the best you could get? Let us know, we can intervene and see if we can help. There is legal services downstairs, this sounds like a legal issue.

Comment 5 Let me share something that's happened to us over past 6, 7 years ago, we rented from one of the worst LL in history, go down and see Tom Lesperance. Housing puts the renters between the LL and housing because tenant is responsible for making sure LL does their job.

Answer The city has put that LL out of business.

Comment 6 I see that the city has been helping. Go to your Alderman, City Hall, Vote. ICS should make LL responsible for repairs that need to be made. Go to your city inspectors, building inspectors. It would be easier for tenants if ICS told them or forced them to meet certain things.

Comment 7 Some people wait until the last minute to find places, that's why they feel forced to rent undesirable places. Ride around at night in order to see what places and neighborhoods are nice. Most decent LL do not allow junk cars, and people to hang out at night. Walk around, ask former or present tenants. You can avoid a lot of situations if you don't wait until the last minute. Look at place, you have a choice before you will out a lease. Make a list of what's wrong.

Answer You must understand that ICS does not contract with LL. We do some outreach but we do not solicit business. It is the tenant who signs up for lease. Housing Choice it is your choice where you want to live. Advantages and Disadvantages to this, you can choose but must do your homework and sometimes your choices are limited.

Issue 8 I was under the impression that the LL HAD to make repairs. What happens if they don't? There is no accountability when they sign the contract. I have gotten kicked out of program in the past because the LL will not do repairs.

Answer At the time of the inspection and contract signing, they should have all HQS up to par. We put a time limit on making these repairs. Give an extension etc. If they do not client is then not qualified to get assistance in that unit.

BREAK FOR DINNER-----

Comment 9 This time last year I was in shelter and searched for 10 different places...only one accepted me and all those LL never heard of housing. Is there something that LL can get from housing?

Answer Yes, along with the RTA, attached to that, we have a yellow sheet where the LL can Request info from us on the program and we will be glad to explain it at anytime.

Comment 10 The other thing I wanted to say was, that my LL is excellent, he accepts housing, he took the time to learn about housing, he 's open-minded. I chose 2nd year to be with him because he's involved, changes made for the better, utilities included, works with Police dept. I am getting ready to go to school in FSS program and I am very happy, blessed etc.

Answer As a rule sometimes multi-family units are treated as a business by the LL rather than single housing units. You may not be dealing with a Professional landlord.

Issue 11 Is there anything that says that a LL has to notify you that a sex offender is moving in below you or beside you?

Answer I believe the police need to notify any residence of this case.

HA Issue 12 For the past year we have been doing annual reviews by mail. How is that going?

Answer Tenants generally like this idea.

Issue 13 How many evaluators do you have?

Answer We have two full time right now. It is up to the City to enforce building codes.

Issue 14 Why doesn't ICS let tenants know which LL are bad.

Answer This would open ICS up to all kinds of liability.

Issue 15 How many counselors (CSS) do you have?

Answer Seven right now and adding more in next few weeks.

Issue 16 Does ICS keep a list and do they forward to City? Is it accessible to us to know what you know about some of these bad LL's. Can I get that info from you if I want to move or whatever?

Answer Tremendous liability question again.

Comment 17 Sounds like we need some new and more Landlord training. We will be considering And developing this program which will speak to them about section 8, Fair Housing Laws, how LL's can protect themselves against illegal activity. We will be bringing in a Consultant for either our October or November BCHA meeting and increase the level of guidance as it pertains to housing voucher choice program. Unfortunately we do not have any ability to legislate or control what landlord's do. You may not want us to have this capability for it involves more government and politics. Hopefully we can speak to their level of accountability. We're trying to be the "good guys" to provide them with a list of repairs and then if they don't, we cannot force them.

Comment 18 You can call Consumer Protection, Legal Services, The Better Business Bureau, the City of Green Bay etc. about these landlords.

Comment 19 Perhaps someone here can come up with a list or ideas of their own to share with other tenants as to who they've had good LL experiences with and who not. Tanya Westmoreland agreed to start and/or keep such a list.

#1 **How does the Section 8 housing voucher program help you and your family?** *from comments sheet)

- The FSS part helps provide info on finding a job, keeping a job. I receive info on workshops at the Job Center. They work with landlords. They cut back on paperwork to fill out. – A. Giacomo
- I am so thankful for sec8 voucher program. We rent an appt and have low Soc Sec. income (\$1000 per mo). Without help I would have to move in w/a daughter. Thanks for saving our lives – E. Ludke
- Sec8 helps make it less stressful on me having to pay full rent on my own. The cost of rent is so high now. This program helps me a lot because of my health right now, I'm not able to work full time yet, I'm working part-time now but feel I will get more hours later. The Self-Sufficiency Program is great – J. Krueger
- I have a place to live, good quality place and people.- M. Ossefort
- It helps me to afford to live in a nice place and be able to pay my rent. To secure a good rent record so I can eventually get a house. It helps me to provide things for my kids that I wouldn't be able to do without help with my rent. It makes me feel secure and independent.- S. Harper
- With the help of this program, it has allowed our family to use our "non rent payment" to pay up old bills and to save for buying our own home. – G. McGinnis
- It allows me to be full-time single parent and go to college full-time. It also allows us reasonable living space close to school.-T. Wilhelm
- By allowing me to get a better education, where I can become self-sufficient. Being able to provide for my children, the program has most helped me mentally -Q. McGinn
- It helps me with my rent, it gives me options, advises me of my rights.-S. Anderson
- * Well I do not get much help (\$67) but it helps in its own way. I appreciate the help.- D. Avery

#2 Please share with us any concerns, ideas or feedback about the Section 8 housing voucher program? (from comments sheet)

- Why is it when my rent increases, I pay the increase? My income stays the same. Repairs need to be made, but housing doesn't seem to do anything about it. I don't know all the rules for moving out. How far in advance do I tell housing? Will they help with security deposits, rent? Provide a list of landlords that participate in rental assistance.- A. Giacomo
- Need more current information-G. Garner
- * Husband & I found a problem in not being notified until Jan or Feb what new amnt of Housing we'll receive for coming year. So then for a couple months we don't know for sure what to make our rent checks for until later. I realize you are short in office help, probably why the problem is there. I like the new system of doing everything by mail, when the yearly review is due.-E. Ludke
- Educate people what's expected to pass housing, how to tell who good landlord is or if ever any complaints on them. What are laws or rights each has now to proceed if violation or where to go to be educated. Is there someway to ask to have more processors to handle cases if need so as not to burn out ones already here? -M. Ossefort
- I think all states should follow your example. Everyone here has always been very helpful and explain to you everything you need to know. And most important, the people working here and especially Rosemary Jonas DO NOT LOOK DOWN ON YOU just because they're helping you to achieve your dream and can't do it alone. Thanks for changing my life and my kid's life-S. Harper
- I think it's a wonderful idea to use the voucher for payment toward homeownership. I am glad Kathy recommended me for this program...now that I have a very secure job, I feel confident that I'm ready to buy a home for my family. Thanks G. McGinnis
- I am very grateful for the program-T. Wilhelm
- Thank you for assisting my children and I so quickly. This is the only state I know of that assists families with housing so quickly and I appreciate it.- Q. McGinn
- This program helps a lot of families. A lot of concerns people, the public have, landlords who don't make repairs, want to raise the rent, make tenants pay all utilities, he (LL) takes your personal property and keep what he wanted. Sold my stuff to other tenants and the rest he threw away. He almost made me lose my housing allowance for one year, made it very difficult to find a place to live, told other landlords not to rent to me and my family, lied in court and said he don't have any idea of my possessions....I have plenty more-S Anderson
- I feel like it should go alittle more towards working people. A lot of people work but the more they work, the more the tenant pays. You can't get ahead like that. Everyone needs help, but it should be geared toward helping more working families, because the one's that don't work, they have it better with the program, because they don't pay no rent. So they really don't have to do anything.-D. Avery

Substantial Deviation Definition

Our determination of a significant change is one that substantially impacts tenant participation in the Section 8 Voucher Program and/or the level of service customers would expect to receive. Example: closed waiting list.

Section 8 Homeownership Capacity Statement

The Brown County Housing Authority plans to include homeownership as part of the Section 8 Housing Choice Voucher Program. We established a minimum homeowner down payment requirement of at least 3% and require that at least 1% of the down payment come from the families' resources. We have under-utilized Section 8 funds that we can target to this program. We feel that this program will work well with our successful Family Self-Sufficiency Program.

As of 10-01-01 we actually have 2 families being assisted under this program.
