## **1. Statement of Housing Needs**

[24 CFR Part 903.79 (a)]

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in our Annual Plan a "needs assessment" of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of our waiting list.

The information was analyzed in the following manner. We gathered data from our waiting list and the City of West Allis Consolidated Plan. Then we looked at this information from the perspective of the required groups and for the factors set forth in the Interim Rule. Finally, we consulted with the creators of the West Allis Consolidated Plan to ensure that they agree with our analysis.

The City of West Allis Community Development Authority used this analysis to prepare our five-year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

Income Group	Elderly (1 & 2 person)	Small Family (2 to 4 persons)	Large Family (5 or more)	Total
Very low income (0-30% of MFI)	50	60	20	130
Very low income (31-50% of MFI)	25	25	5	55
Total LMI	75	85	25	185

Housing needs are projected on the assumption that HUD will fund these units under the Sec. 8 program.

**A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

### C. Strategy for Addressing Needs

PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list is to continue to rehab older multi-family units. This strategy is chosen because the city the agency resides in is landlocked, resulting in no available land for construction of multi-family units. Even if there were land available, the cost per unit would be severely greater than the Payment Standard.

#### (1) Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other:
  - State Low Income Tax Credit
  - Rehab multi-family units using CDBG & HOME funds

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

**Need: Specific Family Types: Families at or below 50% of median**

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working

- Adopt rent policies to support and encourage work  
 Other:  
Encourage families to sign up for the Family Self-Sufficiency Program

**Need: Specific Family Types: The Elderly**

**Strategy 1: Target available assistance to the elderly:**

Select all that apply

- Seek designation of public housing for the elderly  
 Apply for special-purpose vouchers targeted to the elderly, should they become available  
 Other:  
a. Support Low-Income Housing Tax Credits  
b. Target private market multi-family housing for the rent assistance program.

**Need: Specific Family Types: Families with Disabilities**

**Strategy 1: Target available assistance to Families with Disabilities:**

Select all that apply

- Seek designation of public housing for families with disabilities  
 Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing  
 Apply for special-purpose vouchers targeted to families with disabilities, should they become available  
 Affirmatively market to local non-profit agencies that assist families with disabilities  
 Other:  
Target non-profit agencies that deal with families with disabilities

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs  
 Other:  
Advertise in minority newspapers

**Strategy 2: Conduct activities to affirmatively further fair housing**

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other:  
Educate public and parochial school students through the Fair Housing Poster and Essay Contest

**Other Housing Needs & Strategies: (list needs and strategies below)**

**(2) Reasons for Selecting Strategies**

Of the factors listed below, select all that influenced the PHA’s selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints
- Limited availability of sites for assisted housing
- Extent to which particular housing needs are met by other organizations in the community
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups
- Other:

Finally, we are required to state how we intend to address our community’s housing needs to the maximum extent practical. While we wish we could meet the needs that exist in our jurisdiction, we are not optimistic about achieving this objective. The problem is that we lack the resources to address our housing needs. Neither the City of West Allis Community Development Authority nor the Federal Government has the resources necessary to accomplish our objective. The only practical thing we can do is to apply for the grant opportunities made available by the U.S. Department of Housing and Urban Development over the course of the next year. Whenever possible we will respond to HUD NOFA’s (Notices of Funding Availability) to increase the amount of affordable housing in the City of West Allis Community Development Authority.

## **2. Statement of Financial Resources**
