Admissions Policy for Deconcentration The Admissions policy for deconcentration for Public Housing is contained in HA's Admissions and Continued Occupancy Policy (ACOP) as follows: Section XI 3D of the ACOP, which is the Tenant Selection and Assignment Plan, states that "Provided, however, the provisions of the deconcentration rule, contained within this policy, shall supercede the selection of applicants based on the date and time and local preference, if applicable, and allow Deconcentration Policy of the HA for Public Housing is contained in Section XXVI of the ACOP, and reads as follows:

Deconcentration Rule for Public Housing

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one

development. The specific objective of the housing authority is to house no less than 40% of its public housing inventory with families that have below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more that 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authorities computer system.

- 2. Actions: To accomplish deconcentration goals, the housing authority will take the following action: At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of its new admissions with families whose incomes are at or below the annual goal will be calculated by taking 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
- 3. To Accomplish the goals of :
 - a. Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median, and
 - b. Not housing families with incomes that exceed 30% of the area median income in development with incomes that exceed 30% of the area median income. The housing authority's Tenant Selection and Assignment Plan, which is a part of this policy, provides for skipping families on the waiting list to accomplish these goals. The admissions policy for deconcentration for the Section 8 Program is contained in the Section 8 Administrative Plan as follows: Section XII 3 B of the Section 8 Administrative Plan, which is the Section 8 Applicant Section Process, states that, "Provided, however the provisions of the deconcentration rule, contained with in this policy, shall supercede the selection of applicants based on the date and time and local accomplish this goal." The Deconcentration Policy of the HA for Section 8 is contained in Section XXXIV of the Section 8 Administrative Plan and reads as follows:

Deconcentration Rule Section 8:

The objective of the deconcentration rule for section 8 tenant-based assistance is to admit no less that 75% of its new admissions to the program to families that have income at or below 30% of the area median income. The HA will track the status of all new admissions monthly by utilizing income reports generated by the HA computer system. The goal will be tracked monthly and if the HA is not reaching its goal, families will be skipped on the waiting list to admit a family that has income that is at or below 30% of area median income. The practice will continue until the HA achieves its goal. The HA's Section 8 applicant selection process, which is contained in the section 8 administrative plan provides for skipping of families on the waiting list to accomplish this goal.

Statement of Progress in Meeting 5-Year Plan Mission and Goals

We, the Albertville Housing Authority, are meeting the mission and goals of our Annual and Five Year Plan.

We set forth to average 1 point per year, and so far we have exceeded by going from 89 to 95.

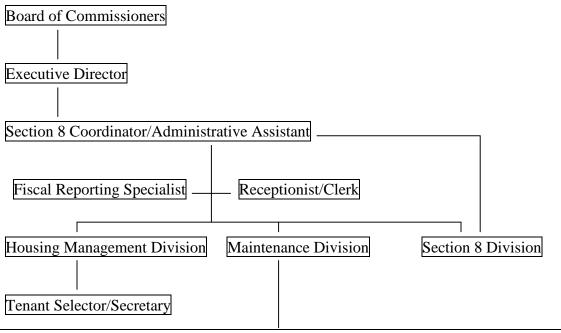

We are on schedule with our Capital Fund Program. We have completed the doors and have almost completed the new phone and cable lines, adding additional lines. We are also starting the removal of Lead Base Paint, new concrete handicapped ramps and new handrails and porch columns.

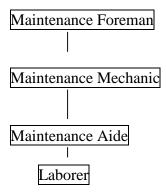

We are happy with the progress we're making, and more importantly our residents are happy with the progress.

 - Comments of Resident Advisory Board or Boards (must be attached if not included in PHA Plan text) We have a good representation of our Resident Advisory Board. This board sees the needs of the courts, not just theirs, but for the good of all our residents.

The Albertville Housing Authority Resident Advisory Board met September 24th to discuss the annual and five-year plan. All members are volunteers and consist of elderly, family, disabled and minority. They are as follows: Vida Tabor, Section 8 resident, Karita Moore, family, Westside Court, Mona Rutledge, Elderly, Alameda Court, Ernestine Latham, Alameda Court. Also, Alfredia Striplin, Minority, Albert Court and James Hall disabled of Westside Court. These residents have met and are supportive of the plan. We are also discussing ways of best using CFP. These residents are in favor of new roofs for Westside Courts and office. We are currently changing architects and looking at using some general funds and CFP to do a new recreation room in Alameda Courts.

The residents would like for us to look at offering units to police officers in the larger courts. They feel this would be good for all the complexes if an office were to be given a unit.

It was agreed that we would hold elections and replace some of the board members that no longer wish to serve. The board feels more participation of different residents will be good for the Board and residents. Other (List below, providing each attachment name)

Pet Policy

ALBERTVILLE Housing Authority (HA)

Section I.

- 1. Pet ownership: A tenant may own one or more common household pets or have one or more common household pets present in the dwelling unit of such tenant, subject to the following conditions:
 - 1. Each Head of Household may own up to two pets. If one of the pets is a dog or cat, (or other four legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet.
 - 2. If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be declawed by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian and/or staff of the humane society. The evidence must be provided prior to the execution of this agreement and/or within 10 days of the pet becoming of the age to be neutered/spayed or declawed. Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 20 pounds in weight (fully grown). All other four legged animals are limited to 10 pounds (fully grown).
 - 3. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
 - 4. If the pet is a fish, the aquarium must be twenty gallons or less, and the container must be placed in a safe location in the unit. The Tenant is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and nonhazardous manner.
 - 5. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by a statement/bill from veterinarian or staff of the humane society and must be provided before the execution of this agreement.
 - 6. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.

5 Year Plan Page 47

- 7. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff has to take a pet to the Humane Society the Tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.
- 8. Pet(s) may not be left unattended for more than twenty-four consecutive hours. If it is reported to HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, HA staff may enter the unit and remove the pet and transfer the pet to the humane society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Tenant. In the case of an emergency, the HA will work with the resident to allow more than 24 hours for the resident to make accommodations for the pet.
- 9. Pet(s), as applicable, must be weighed by a veterinarian or staff of the humane society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA.

Note: Any pet that is not fully grown will be weighed every six months. Also, any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet and must be removed from HA property.

- 2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit.
- 3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, rottweiler, doberman pinscher, pit bulldog, and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum.
- 4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. This includes any pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The Housing Manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.

- 5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the tenant, in writing, that the animal must be removed from the Public Housing Development, within 10 day of the date of the notice from the HA. The Tenant may request a hearing, which will be handled according to the HA's established grievance procedure. The pet may remain with the tenant during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.
- 6. The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the Tenant will be charged \$25 for the removal of the waste.
- 7. The Tenant shall have pets restrained so that maintenance can be performed in the apartment. The Tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Tenant shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff takes a pet to the Humane Society the Tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The housing authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.
- 8. Pets may not be bred or used for any commercial purposes.
