## B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy. Fortunately we have not experienced vacancy problems in the past several years. Current vacancies are due to modernization. Upon completion of mod work, vacancies should be quickly depleted.

### (1) Strategies

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Other Housing Needs & Strategies: (list needs and strategies below)**

**(2) Reasons for Selecting Strategies**

### **B. Criteria for Substantial Deviations and Significant Amendments**

#### **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it

defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. **Substantial Deviation from the 5-Year Plan:** There are no substantial deviations from the 5 Year Plan to report at this time. This Authority defines a “Substantial Deviation” from the 5 Year and Annual Plan as any addition or deletion of any new or old program or activity changes to rent or admission policies. A substantial decrease of funds in the Capital Fund Program that would eliminate or modify modernization work items that have already been approved and that would require the Board of Commissioners to establish priorities for the required modernization work based on the availability of funds.

b. **Significant Amendment or Modification to the Annual Plan:** There are no Significant Amendments or Modifications to the Annual Plan to report at this time. A “Significant Amendment” would be the addition of emergency and non-emergency work items that were not included in the 5 Year or Annual Plan, but required attention to correct potential problem areas. There are no Significant Amendments or Modifications to report at this time.
