[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

“Success occurs when opportunity meets preparation”. The Pulaski County Housing Agency (PCHA) applauds the Department of Housing and Urban Development (HUD) for embracing Zig Ziglar’s philosophy and providing all PHAs the opportunity as team members to promote adequate housing, economic opportunity, and a suitable living environment free from discrimination in America.

We support the mission of HUD for affordable housing and have adopted the following as opportunities to address affordable housing in Pulaski County:

Increase the range and quality of housing choices available to participants by applying for 100 additional vouchers as funding becomes available.

Develop the staff’s capacity to manage the agency’s Section 8 Program at the High Performer level in accordance with the SEMAP indicators.

Ensure clean, safe, and secure environments in accordance with Housing Quality Standards through aggressive screening procedures, collaboration with other essential stakeholders, inspections, and accountability.

Administer a Family Self-Sufficiency Program to promote economic independence through continued funding of activities and collaboration with other human and skill development organizations.

The Pulaski County Housing Agency further supports the mission of HUD for affordable housing by only implementing strategies that are consistent with the initiatives contained in the Consolidated Plan for its jurisdiction.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

The jurisdictional area of the Pulaski County Housing Agency is in large part a rural area and the adequate housing stock is minimal, especially for larger families needing 4+ bedrooms, and smaller families needing 1 bedroom units.

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction

- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other: Conduct Landlord outreach meetings at least twice annually.

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (1) Partner with local property owner associations.
(2) Pursue greater shared jurisdictional area within the metro area.

Need: Specific Family Types: Families at or below 30% of median

Approximately 80% of this agency's Section 8 waiting list consists of families who are either at or below 30% of the AMI.

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based Section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other:
 - (1) Meet HUD's target of maintaining 75% of new admissions at or below 30% of AMI.
 - (2) Target all Section 8 families for the FSS Program.

Need: Specific Family Types: Families at or below 50% of median

Approximately 80% of this agency's Section 8 waiting list is at or below 50% of the AMI. Those same strategies used for 30% of AMI will be used to target this group of applicants/tenants.

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: Target all Section 8 participants for the FSS Program.

Need: Specific Family Types: The Elderly

Less than 6% of this agency's Section 8 waiting list is elderly. This agency will provide one-on-one service to these clients to ensure decent, safe, and affordable housing.

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: Provide individualized customer service for this small fraction of the Section 8 waiting list.

Need: Specific Family Types: Families with Disabilities

Less than 6% of this agency's Section 8 waiting list is a family with a disability(ies). This agency will provide one-on-one service to these clients to ensure decent, safe, and affordable housing.

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
