## ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The PHA Agency Plan is a comprehensive guide to the Trumann Housing Authority's policies, programs, operations and strategies for meeting housing needs and goals in Trumann, Arkansas. There are two parts to the PHA Plan: the Five-Year Plan, which each PHA submits to HUD once every fifth PHA fiscal year, and the Annual Plan, which is submitted to HUD every year. It is through the Annual Plan that a PHA receives funding through the Capital Fund Program (CFP). This document represents the Trumann Housing Authority's FY2004 Agency Plan Annual Update.

The following are some issues that the Trumann Housing Authority reviewed during the Annual Update process.

- ② The Authority has reviewed the Flat Rents and decided to keep them at current levels.
- ② The Authority has changed the minimum rent to \$50 for all bedroom sizes.
- ② HUD has reinstated the Community Service Requirement. Therefore, the Authority will require residents to meet the requirement.

A complete listing of the information provided in the Agency Plan Annual Update is provided on the following page in the Table of Contents.

[24 CFR Part 903.7 9 (a)]

#### A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

## Attachment A

#### Deconcentration

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

The Trumann Housing Authority performed a review of all covered developments to determine if there are any that would be covered by the Deconcentration Rule. The results are as follows:

AR034-001, Site 1	\$6,354	\$6,974	91.1%
AR034-001, Site 2	\$6,505	\$6,974	93.3%
