### STATEMENT OF PROGRESS IN MEETING THE 5-YEAR PLAN AND GOALS

#### **PHA Goal: Expand the supply of assisted housing:**

The Oceanside Housing Authority has applied for new vouchers whenever possible when funding was available. The OHA was awarded 182 vouchers in August 2000. Few vouchers were available nationwide. The Oceanside Housing Authority also has applied for vouchers under reallocation and is awaiting a response regarding funding. The voucher utilization rate from July 1, 2003 through January 2004 was 95.9%. The waiting list for the Section 8 Rental Assistance Program is four to five years.

#### **PHA Goal: Improve the quality of assisted housing:**

HUD has recognized the Oceanside Housing Authority as a high performer under the Section Eight Management Assessment Program (SEMAP) for Fiscal Years 01-02, and 02-03. A customer satisfaction survey was sent to all participants in December 2001. Educational workshops have been conducted for applicants and participants in city facilities in collaboration with a non-profit social services agency. Applicant workshops were conducted in August 2001, May 2002 and November 2002. Participant workshops were held in May and June 2003; topics included budgeting, credit, tenant-landlord relations, fair housing laws and how to be a good neighbor. The OHA has published an annual newsletter for voucher participants, which provides updates regarding staffing, services and tenant/landlord law information.

**PHA Goal: Increase assisted housing choices:**

The Oceanside Housing Authority continues to provide voucher mobility counseling at all briefings and move appointments. The Housing Authority participated, in collaboration with the other housing authorities in San Diego County, in the Community Opportunities (CO) Program for the five years ending June 30, 2002, when the HUD funding for the program ended. The CO Program was a mobility program designed to encourage Section 8 families to move to areas of greater opportunity.

The Housing Authority conducted informational meetings for landlords on November 1, 2000 and October 3, 2001 in collaboration with other housing authorities in San Diego County. Another informational meeting (co-hosted by the City of Carlsbad) to attract new landlords was held in the City of Oceanside Council Chambers on June 21, 2002. An informational meeting to attract new rental owners was conducted in Oceanside on April 14, 2003. On September 16, 2003, the Housing Authority collaborated with the five other housing authorities and HUD to sponsor a "Promoting Section 8 Housing Vouchers" seminar. The Housing Authority held its first Rental Owner Appreciation Seminar on February 26, 2002, to thank owners and encourage their continued participation in the program. The second Appreciation Seminar was held on June 10, 2003. The Housing Authority intends to conduct a workshop for new owners and the third Owner Appreciation Seminar prior to June 30, 2004. An owner newsletter was established and distributed in January 2003. The Housing Authority intends to publish the newsletter on a bi-annual basis.

The payment standards have been increased in the current fiscal year (February 1, 2004) to 110% of the HUD Fair Market Rents to increase housing choices to Section 8 participants.

The Housing Authority established a program that was approved by the City Council in January 2003 to assist participants to use its tenant-based program to become homeowners.

The Housing Authority intends to request approval from the Community Development Commission to operate a demonstration security deposit guarantee program in May 2004. Finally, the Housing Authority intends to utilize 25 vouchers for project-based assistance effective July 1, 2003.

**PHA Goal: Promote self-sufficiency and asset development of assisted households:**

The Oceanside Housing Authority continues to operate a Family Self-Sufficiency (FSS) Program to promote self-sufficiency and asset development. FSS participants work with FSS Coordinators to develop individualized self-sufficiency plans. The OHA will co-sponsor a "Possible Dream" self-sufficiency seminar with the County of San

Diego, Health and Human Services Agency and Lifeline on April 17, 2004 at Mira Costa College. In addition, Housing Authority staff meets at least annually and communicates on a regular basis with agencies that assist persons with disabilities to assist mutual clients and to obtain information about supportive services available for persons with disabilities.

**PHA Goal: Ensure Equal Opportunity in Housing for all Americans:**

The Housing Authority continues to provide information about equal opportunity and fair housing at all Section 8 Program briefings, and upon request from participants and the public. A Housing Authority employee is designated as the Fair Housing representative and provides training and information as needed. The Housing Authority conducted an Analysis of Impediments (AI) to Fair Housing in October 2000; an updated AI is currently being prepared and is expected to be published by mid-2004. The Housing Authority contracts with the Fair Housing Council of San Diego to provide fair housing services. The Fair Housing Council will be conducting fair housing workshops in Oceanside; all voucher participants will be made aware of the workshops. The Housing Authority provides information regarding reasonable accommodation to participants and applicants, and offers reasonable accommodation for persons with disabilities when appropriate. The Housing Authority has published a packet for persons with disabilities, including information on agencies that assist persons with disabilities, accessible units, and financial resources for making alterations to units.

**Section 8 Homeownership Capacity Statement**

The Oceanside Housing Authority will establish a minimum homeowner downpayment requirement of at least 3 percent and require that at least 1 percent of the downpayment come from the family's resources.

**Section 8 Project-Based Housing Choice Vouchers**

In FY 2003-04, the Housing Authority plans to assist up to 25 units under the project-based assistance program. No more than 25% of the total units per project can be designated for project-based assistance, unless the project is designated for elderly or disabled residents. The Housing Authority has determined that households with special needs have the most difficult time using their Section 8 vouchers in the City of Oceanside. Therefore, the Housing Authority will give priority for proposals for project-based vouchers for units designated for 1) persons with disabilities and 2) persons residing in transitional housing participating in case management services.

The use of housing choice vouchers for project-based assistance is consistent with the following strategies in the PHA Plan.

**Annual Plan**

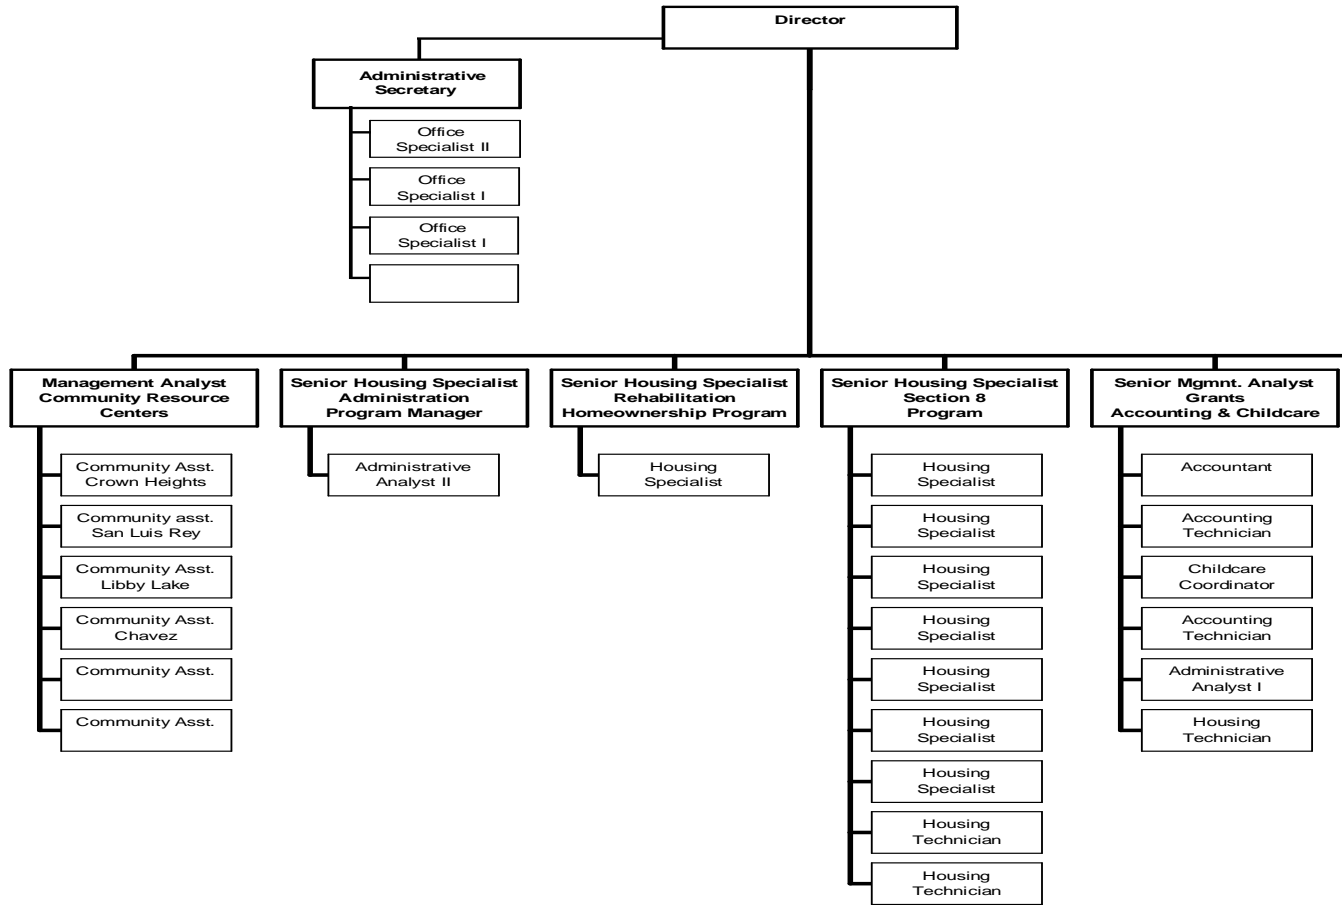

**Strategy 1: Maximize the number of affordable units available to the PHA within its current resources by:**

Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required.

**Strategy 2: Increase the number of affordable housing units by:**

Pursue housing resources other than public housing or Section 8 tenant-based assistance.
