- On approximately April 11, 2004, Housing Authority staff will submit the Annual Agency Plan template to HUD electronically.

D. Other Information Required by HUD

Use this section to provide any additional information requested by HUD.

(1) Project-Based Vouchers

It is the policy of the Oxnard Housing Authority to provide project-based voucher assistance where circumstances indicate that project-basing of the units, rather than tenant-basing of the same amount of assistance, is an appropriate option. This option will be initiated when the supply of units for tenant-based assistance is very limited and project-basing in certain strategic locations is needed to assure the availability of units for a period of years.

The projected number of units that has been recommended for project-based assistance is 139 Section 8 vouchers. The Section 8 project-based assistance vouchers and locations are as follows:

Developer	Location	Number of Units
Mercy Charities Housing California	Robert Avenue and Oxnard Boulevard	14
Keystone Alliance	1719 South Oxnard Boulevard	25
American Housing Construction	501 South "F" Street	100

Presently, the City of Oxnard is experiencing vacancies of rental housing at less than two percent and an increase in rental cost that has created a very tight market for Section 8 project-based voucher assistance.

Keystone Alliance has contracted with Living Opportunities Management Company (LOMCO) to manage the 105 single room occupancy (SRO) units. The Gateway Apartments accepted occupants as of February 15, 2001.

The other project is in the planning stages and should be developed within the next 12 months.

All three projects are appropriate due to the limited supply of units for tenant-based assistance and are consistent with the statutory goals of deconcentrating poverty and expanding housing and economic opportunities. American Housing construction will rehabilitation 300 units of affordable housing for seniors.
