[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

 \square The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The PHA's mission is: (state mission here)

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS. (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- \square PHA Goal: Expand the supply of assisted housing **Objectives:**
 - \square Apply for additional rental vouchers:
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)

Apply for available rescinded vouchers, if available, in order to increase the number of needy families assisted by the Section 8 program. As of 2/1/04, 100% of available vouchers are leased. Anticipate 99% to 100% voucher utilization throughout 2004.

- PHA Goal: Improve the quality of assisted housing **Objectives**:
- \mathbb{N}

 \square

- Improve public housing management: (PHAS score)
- Improve voucher management: (SEMAP score)

- Increase customer satisfaction:

 - (list; e.g., public housing finance; voucher unit inspections)
- Renovate or modernize public housing units:
- Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:
- Other: (list below)

Based upon the availability of CDBG funds, continue to advocate that priority be given in the City's Rental Repair Program to owners of Section 8 buildings who house families with children 6 years old and younger and to Section 8 families who require a wheel chair ramp.

Х PHA Goal: Increase assisted housing choices

Objectives:

- Provide voucher mobility counseling:
- Conduct outreach efforts to potential voucher landlords
- Increase voucher payment standards
- Implement voucher homeownership program:
- Implement public housing or other homeownership programs:
- Implement public housing site-based waiting lists:
- Convert public housing to vouchers:
- Other: (list below)

Maintain a owner generated, weekly listing of apartments specifically available to Section 8 tenants. Pay for, update and provide to Santa Monica voucher holders and disabled voucher holders weekly rental listings from Westside Rental Connection in order to assist them in finding housing in Santa Monica. The housing authority pays \$1,500 for a 1-year corporate membership that would otherwise cost an individual \$60 for a 2-month membership. The Westside Rental Connection listing provides voucher holders specific rental information about a large pool of apartments for rent in Santa Monica and greatly increases their chances for leasing a unit.

Continue to go to owner association meetings to increase interest in the Section 8 program among Santa Monica owners and to respond to any questions or complaints about the Section 8 program. We will also secure a booth at the 2004 conference of the Apartment Owners Association of Greater Los Angles annual conference.

Continue to promote the utilization of deed restricted housing by Section 8 tenants in order to increase mixed income opportunities for Section 8 tenants.

Continue participation in Habit For Humanity (HH) family housing project with the goal of having at least one Section 8 family purchase a unit form Habitat. We anticipate that HH will formally initiate the required City development approval process in 2004 and begin their tenant application process. Outreach to Section 8 families to increase changes of Habit selecting at least one Section 8 family for ownership of project to be located in the Pico neighborhood.

HUD Strategic Goal: Improve community quality of life and economic vitality

PHA Goal: Provide an improved living environment
Objectives:
Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
Implement public housing security improvements:
Designate developments or buildings for particular resident groups (elderly, persons with disabilities)

Other: (list below)

The Santa Monica Housing Authority does not administer project based rental assistance.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

- Increase the number and percentage of employed persons in assisted families:
- Provide or attract supportive services to improve assistance recipients' employability:
- Provide or attract supportive services to increase independence for the elderly or families with disabilities.

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

Employ effective maintenance and management policies to minimize the number of public housing units off-line

	Reduce turnover time for vacated public housing units Reduce time to renovate public housing units
	Seek replacement of public housing units lost to the inventory through mixed finance development
	Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
\square	Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
\square	Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
	Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
\boxtimes	Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
\square	Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
	Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- \square Pursue housing resources other than public housing or Section 8 tenant-based assistance.
 - Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
 - Employ admissions preferences aimed at families with economic hardships
 - Adopt rent policies to support and encourage work
 - Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI Select all that apply

 \mathbf{X}

Employ admissions preferences aimed at families who are working Adopt rent policies to support and encourage work Other: (list below)

Provide preference to households in which at least 1 adult member works a minimum of 35 per week in Santa Monica.

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities: Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Administer a 121 person Shelter Plus Care program that requires participants to be both homeless and disabled. Renewal contract beginning 8/04 is funded based on voucher payment standards which will allow expansion of the program above 121 based on the average annual housing assistance cost of \$8,000 per participant. A \$1,622,556 Shelter Plus Care renewal grant has been awarded to SMHA by HUD for the contract year beginning 8/1/2004.

Continue to outreach to the Westside Center for Independent Living to assist disabled portable voucher holders to relocate to Santa Monica. The Westside

Rental Connection listings are given to all portable disabled voucher holders in order to increase their chance of finding accessible housing in Santa Monica.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

Affirmatively market to races/ethnicities shown to have disproportionate housing needs

 $\bigcirc \qquad \text{Other: (list below)}$

Data based on 2000 Census

Minority populations are over-represented in the Section 8 program compared to the City's overall population. While 28% of Santa Monica residents are nonwhite, 45% of our participants are non-white. White participants comprise 55% of the Housing Authority tenants while they comprise 72% of the City's population based on the 2000 Census. On the other hand, African-Americans comprise 4% of the City's population but comprise 23% of the Housing Authority's participant population. Hispanics comprise 13% of the City's population while they represent 19% of the Housing Authority tenants. Asian-Americans comprise 1% of both the City's and the Housing Authority's population.

Strategy 2: Conduct activities to affirmatively further fair housing Select all that apply

Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units

Market the section 8 program to owners outside of areas of poverty /minority concentrations

As of February 2004, 54% of our active Section 8 tenants lived in census tracts with poverty rates ranging from 3.6% to 13%, while the remaining 46% live in census tracts with poverty rates ranging from 16.3% to 18.1% poverty rates. The census track statistics are based on 2000 census.

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

\boxtimes	Funding constraints
\boxtimes	Staffing constraints
\boxtimes	Limited availability of sites for assisted housing
	Extent to which particular housing needs are met by other organizations in the community
\bowtie	Evidence of housing needs as demonstrated in the Consolidated Plan and other
	information available to the PHA
\boxtimes	Influence of the housing market on PHA programs
	Community priorities regarding housing assistance
\bowtie	Results of consultation with local or state government
\boxtimes	Results of consultation with residents and the Resident Advisory Board
\boxtimes	Results of consultation with advocacy groups
	Other: (list below)
	Our market based strategy reflects the effects of State mandated

our market based strategy reflects the effects of State mandated vacancy decontrol which have resulted in a rapid and on-going escalation in the cost of rents in Santa Monica. The demand for affordable housing in Santa Monica continues to outstrip the supply. However keying our voucher payment standards to the 40th percentile of the rent-controlled market place has allowed the SMHA to remain reasonably competitive in the rent-controlled portion (90% of Santa Monica's housing stock) of Santa Monica's rental market place. Unless they are deed restricted, non-rent controlled apartments remain unavailable to voucher holders because of their cost.

2. Statement of Financial Resources

[24 CFR Part 903.7 9 (b)]

List the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant-based Section 8 assistance programs administered by the PHA during the Plan year. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

100% of FMR

Above 100% but at or below 110% of FMR

Above 110% of FMR (if HUD approved; describe circumstances below)

Area rents are exceptionally high and HUD approved a 3rd voucher payment standard in May 2003 as follows: \$886 for 0-bdrm, \$1,204 for 1-bdrm, \$1,667 for 2-bdrm, \$2,022 for 3-bdrm. A 4th payment standard application was submitted to HUD in April 2003 but as of February 2004, no response has been received from HUD. The Section 8 and Shelter Plus Care programs are dependent on keeping the payment standard linked to the 40th percentile rentcontrolled rent by bedroom size. Landlords in Santa Monica are extremely unlikely to continue excepting either Section 8 or Shelter Plus Care vouchers without a payment standard that reflects the 40th percentile rent-controlled rent. Any policy change on HUD's part that either eliminates currently approved payment standards or freezes currently approved payment standards will have an extremely negative impact on the SMHA.

In April 2003, the median sale price for a single family home in Santa Monica ranged from \$1.4 million in the 90402 zip code to \$425,000 in the 90404 zip code. The median price for condominium ranged from \$775,000 in the 90402 zip code to \$350,000 in the 90404 zip code. The extremely high cost of home ownership in Santa Monica makes it extremely difficult to operate a successful home ownership component.

In order to mitigate the reality the high cost of home ownership in Santa Monica, the SMHA is working with Habitat For Humanity to facilitate a Section 8 homeownership with "sweat equity" program. Habitat has purchased a lot on 19th Street with City Of Santa Monica funding and is expected to submit their development plans to the City Of Santa Monica in 2004. The project will create 2 and 3 bedroom condominiums. Housing Authority staff have met with Habitat staff and although Habitat can not guarantee that one or more Section 8 tenants will be selected they are very interested in Section 8 participants participating in their project. The Housing Authority will work closely with our Family Self Sufficiency case managers at the St. Joseph's Center to target FSS participants who would qualify for the Habitat project.

The City of Santa Monica's updated FY 2000-2005 Housing Element Update reiterated that the Section 8 program as integral to the City's efforts to preserve its affordable housing stock. The Housing Element's 1998-2005 Action Plan requires: (<u>no changes from previous PHA Plan</u>)

The development of programs to protect Section 8 tenants from contract opt outs. The City created the Tenant Assistance Rental Program (TARP) in June 1998 to assist Section 8 "opted-out" tenants and the Housing Authority continues to operate the program.

Take all necessary steps to increase the FMR so that Section 8 can offer market-based rents. The City received approval for a <u>third</u> increased voucher payment standard ranging from 163% to 203% of the LA FMR.

The Housing Element also requires that the City develop a package of programs to encourage landlords to participate in the Section 8 program, including loans and/or grants for rehabilitation and improved tenant screening and support services. In addition, it continues to focus its social service efforts on community-based referrals for needed support services and has also enhanced its ability to screen new applicants for criminal activity.

1. <u>The Consolidated Plan of the jurisdiction supports the PHA Plan with the</u> <u>following actions and commitments: (describe below)</u>

The Consolidated Plan The two top ranked Priority Needs in the Consolidated Plan are Housing Needs and Homeless Needs. The plan identifies the Section 8 program and Shelter Plus Care program as integral to meeting the affordable housing needs of low-income households and the City's homeless population.

The Consolidated Plan supports the Housing Authority's strategy of adapting the Section 8 program to the Costa-Hawkins market place.

The two top ranked Priority Needs in the Consolidated Plan are Housing Needs and Homeless Needs. The plan identifies the Section 8 program and Shelter Plus Care program as integral to meeting the affordable housing needs of low-income households and the City's homeless population.

The City's efforts to secure and implement an enhanced voucher payment standard from HUD and subsequent renewal applications for the Shelter Plus Care program are current and on-going strategies targeted to the City's Housing and Homeless needs. The former strategy has allowed the Section 8 program to become competitive in the rental marker place after 3 years of declining owner participation. The approval of higher Voucher Payment standards was essential and has allowed the Section 8 program to regain its foothold as a cornerstone program in the City's efforts to provide affordable housing to very low-income tenants.

The Shelter Plus Care program has received HUD approval for its 3rd annual Shelter Plus Care program. Renewal funding based our voucher payment standards will increase the number of clients served by 40-45 depending on the bedroom size of the vouchers issued. The increased funding (51% increase) will allow the program to continue its position as a cornerstone program in the City's efforts to provide affordable housing to homeless residents who are also disabled.

The Housing Authority has also "set aside" 20 vouchers a year for the 4 years for graduates of the 2 non-profit homeless transition facilities located in Santa Monica. Graduates receiving vouchers must also participate in the FSS program in order to assist them in gaining economic self sufficiency. Because the Section 8 program is 100% leased, there are no additional vouchers available. However, transitional vouchers that are "turned over" will be reserved for the transitional program.
