#### ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

The Mansfield Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. Our annual plan is based on the premise that if

we accomplish our goals and objectives we will be working toward the achievement of our mission. The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives and are consistent with the Consolidated Plan. We continue to keep our payment standards at the maximum amount allowed by HUD in order to address the need to affordable housing in our jurisdiction. We continue to improve our communications with and the education of landlords in our jurisdiction with regards to Section 8. We continue to apply for additional vouchers, when available. We have expressed interest to the field office in obtaining vouchers that might be re-allocated. The process is ongoing, but currently on hold due to lack of funding, to construct additional housing at our state moderate rental housing which would provide more affordable housing to the area. Also, it is intended that one half of those units be 3-bedroom apartments, which would help us to provide affordable housing to larger families. Also, ten percent of that housing would be constructed to be wheelchair accessible. The Housing Authority will continue in its efforts to all that it can to assist people with their housing needs.
