Goals and Accomplishments – FY 2000

HUD Strategic Goal: Goal #1

Acquire or build units or developments: In order to increase the quality and quantity of public housing units, the Milford Housing Authority has acquired five duplexes and two single family homes and a six unit building for a total of eighteen additional units.

Improve public housing management (PHAS Scores): All efforts of the Housing Authority are being directed to improve the quality of life for residents in both the Public Housing Program and Section 8 Program. As a direct result of those efforts, the Milford Housing Authority is anticipated to achieve high performer status by year 2005.

Renovate or modernize public housing units: The Housing Authority continues to upgrade and improve the Public Housing inventory through both the Comprehensive Grant Program and the Capital Fund Program.

 - 1) State the reasons for refusing to register the pet;
 - 2) Be served on the pet owner in accordance with procedure outlined in paragraph B1 of this policy; and

- 11. The City Ordinance concerning pets will be complied with.
- 12. Pets shall be removed from the premises when their conduct or condition is duly determined to constitute a nuisance or a threat to the health and safety of the pet owner or other occupants of the Authority in accordance with paragraph B below.

B. Pet Violation Procedure

1. **NOTICE OF PET RULE VIOLATION (Appendix 3)**: When the Authority determines on the basis of objective facts supported by written statements, that a pet owner has violated one or more of these rules governing the owning or keeping of pets, the Authority will:
 - Serve a notice of the pet rule violation on the owner by sending a letter by first class mail, properly stamped and addressed to the Resident at the leased dwelling unit, with a proper return address, or
 - serve a copy of the notice on any adult answering the door at the Residents' leased dwelling unit, or if no adult responds, by placing the notice under or through the door, if possible, or else by attaching the notice to the door;
2. The notice of pet rule violation must contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;
3. The notice must state that the pet owner has ten (10) days from the effective date of service of notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation, (the effective date of service is that day that the notice is delivered or mailed, or in the case of service by posting, on the day that the notice was initially posted);
4. The notice must state that the pet owner is entitled to be accompanied by another person on his or her choice at the meeting;
5. The notice must state that the pet owners' failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owners' lease.
6. **PET RULE VIOLATION MEETING**: If the pet owner makes a timely request for a meeting to discuss an alleged pet rule violation, the Authority shall establish a mutually agreeable time and place for the meeting to be held within fifteen (15) days from the effective date of service of the notice of pet rule violation (unless the Authority agrees to a later date).
 - The Authority and the pet owner shall discuss any alleged pet rule violation and attempt to correct it and reach an agreeable understanding.
 - The Authority may, as a result of the meeting, give the pet owner additional time to correct the violation.

- Whatever decision or agreements, if any, are made will be reduced to writing, signed by both parties, with one copy for the pet owner and one copy placed in the Authority's Resident file.

7. **NOTICE OF PET REMOVAL:** If the pet owner and the Authority are unable to resolve the pet rule violation at the pet rule violation meeting, or if the Authority determines that the pet owner has failed to correct the pet rule violation within **the time set forth in the Notice of Pet Rule Violation or within** any additional time provided for this purpose, **the Authority shall issue a Notice** requiring the pet owner to remove the pet. This notice must:

- Contain a brief statement of the factual basis for the determination and the pet rule or rules that have been violated;
- State that the pet owner must remove the pet within ten (10) days of the effective date of service of notice of pet removal (or **within ten (10) days of** the meeting, if the notice is served at the meeting);
- State the failure to remove the pet may result in initiation of procedures to terminate the pet owners' residency.

8. **INITIATION OF PROCEDURE TO TERMINATE PET OWNERS RESIDENCY:** The Authority will not initiate procedure to terminate a pet owners' residency based on a pet rule violation unless:

- The pet owner has failed to remove the pet or correct the pet rule violation within the applicable time period specified above;
- The pet rule violation is sufficient to begin procedures to terminate the pet owners' residency under the terms of the lease and application regulations,
- Provisions of Resident's Lease, Section XIV: Termination of Lease will apply in all cases.

C. Protection of the Pet

1. **No pet shall be left unattended for a period in excess of 24 hours.** If the health or safety of a pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet, the Authority may:
 - Contact the responsible party or parties listed in the registration form and ask that they assume responsibility for the pet;
 - If the responsible party or parties are unwilling or unable to care for the pet, the Authority may contact the appropriate State or Local Authority (or designated agent of such Authority) and request the removal of the pet;
 - If the Authority is unable to contact the responsible parties despite reasonable efforts, action as outlined above will be followed; and
 - If none of the above actions reap results, the Authority may enter the pet owners' unit, remove the pet, and place the pet in a facility that will provide care and

shelter until the pet owner or a representative of the pet owner is able to assume responsibility for the pet, but no longer than thirty (30) days. The cost of the animal care facility provided under this section shall be borne by the pet owner.

D. NUISANCE OR THREAT TO HEALTH OR SAFETY

Nothing in this policy prohibits the Authority or the Appropriate City Authority from requiring the removal of any pet from the Authority property. If the pet's conduct or condition is duly determined to constitute, under the provisions of State or Local Law, a nuisance or a threat to the health or safety or other occupants of the Authority property or of other persons in the community where the project is located.

E. APPLICATION OF RULES

1. Pet owners will be responsible and liable for any and all bodily harm to other residents or individuals. Destruction of personal property belonging to others caused by owner's pet will be the moral and financial obligation of the pet owner.
2. All pet rules apply to resident and/or resident's guests.

**Appendix I
Pet Agreement**

1. Management considers the keeping of pets a serious responsibility and a risk to each resident in the apartment. If you do not properly control and care for a pet, you will be held liable if it causes any damages or disturbs other residents.
2. Conditional Authorization for Pet. You may keep the pet that is described below in the apartment until Dwelling Lease is terminated. Management may terminate this authorization sooner if your right of occupancy is lawfully terminated or if you or your pet, your guests or any member of your household violate any of the rules contained in the Authority's pet Policy or this Agreement.
3. Pet Fee. The Pet Fee for your current pet will be \$250.00; paid as follows: \$100.00 down payment and thereafter \$50.00 per month until paid in full. The Pet Fee is a one-time, non-refundable charge.
 - If, at any time in the future, this pet is replaced by another animal, **then the current pet fee will be applied to the replacement animal, but only if the current pet fee does not have to be used for repairs, in which case another one-time fee will be charged for the replacement animal.**
 - This fee will be used to pay reasonable expenses directly attributable to the presence of the pet in the complex, including but not limited to, the cost of repairs and replacement to, and fumigation of, the apartment.
4. Liability Not Limited. The fee under this Pet Agreement does not limit resident's liability for property damages, cleaning, deodorization, defleaing, replacements, or personal injuries.
5. Description of Pet. You may keep only one pet as described below. The pet may not exceed twelve (12) inches in height at the shoulder and twenty (20) pounds in adult weight. You may not substitute other pets for this one without amending this agreement.

Implementation of Public Housing Resident Community Service Requirements

The Housing Authority will send letters to all family units outlining the requirements for each adult member to provide eight (8) hours of community service or economic self-sufficiency activities a month. The letter will list the exemptions for individuals who need not fulfill the requirement, but will also provide the notice that, unless advised otherwise, the Authority will presume all adult family members will be required to complete and provide verification of the obligation.

In the meantime, the Housing Authority will make the required changes to the Lease and issue same for the 30-day comment period.

Tenants will be advised that they will be required to submit evidence of community service 30 days prior to annual recertification (or for those on flat rents, when the recertification would have occurred). The Housing Authority will conduct third-party verification of the statements received regarding community service and proceed with any required action.

The community service requirements are detailed in full in the Housing Authority's Admissions and Continued Occupancy Policy.

Statement on the MHA's Section 8 Project-based Voucher Program

The Milford Housing Authority has designed and implemented a Section 8 Project-based Voucher Program that has available up to 20% of the current tenant-based program vouchers for conversion. This program was designed to be fully compliant with the Guidance issued by HUD on January 16, 2001 and those portions of the regulations, 24 CFR 983, not made inapplicable by the statutory changes in the 2001 HUD Appropriations Act.

An RFP for units to be placed under project-based Housing Assistance Payment (HAP) Contracts was issued September 26th, 2003 after three weeks of advertising prior to release. Proposals were due October 31, 2003.

The Authority received two proposals. All units are proposed in census tracts with poverty rates less than 20%. One proposal was for five (5) units of new construction. This project is targeted to disabled, homeless heads of household and their children. A second proposal under the Existing unit category was received seeking a minimum of twenty (20) vouchers for low income elderly.

At the time of submission of this Housing Authority Agency Plan, both proposals are under review. It is anticipated that final action will occur prior to the end of the current fiscal year but after the submission date for the Housing Agency Plan.
