Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

Norwich, CT continues to have a need for affordable housing according to the high percentage of low income persons in Norwich who are rent-burdened. The situation has been exacerbated by the recent expansion of two large Indian casinos (Foxwoods and Mohegan Sun), which are located less than five miles of Norwich. Therefore, during PHA Fiscal Year 2003, the Norwich Housing Authority (“Authority”) continued to concentrate its efforts in processing additional rental vouchers. For the aforesaid reason, there has, also, been an increase in the number of applicants for public housing. It is the Authority’s strategic goal, for Fiscal Year 2004, to reduce public housing vacancies by using rental vouchers in connection with said public housing vacancies. The Authority’s eligibility policies are designed to accommodate those who are in the greatest need of housing, while at the same time assuring that those income eligible applicants who are in a more stable housing situation have access to Norwich’s public housing. The Authority thoroughly screens all applicants, and enforces the requirements of each lease.
