Statement of Progress In Meeting Agency Mission and Goals

Mission Statement: The mission of the Area Housing Commission shall be to provide within the limits imposed by applicable laws, rules, and regulations, adequate housing and related services for qualified citizens.

Goal 1. To preserve the stock of existing housing owned and/or managed by AHC. **Progress:** The AHC has employed the services of a housing inspector to routinely inspect all apartments. The AHC continues to participate in the Capital Fund Program and has performed needed capital improvements to properties. The performance reports for all open Capital Fund Programs and the proposed use of upcoming Capital Funds are included elsewhere in this agency plan.

Goal 2. Increase the availability of decent, safe, and affordable housing in the jurisdiction of the AHC. **Progress:** AHC applied per the Self-Help Housing Program to HUD for 50 apartments of Navy surplus housing located in our jurisdiction. HUD denied the application. AHC has allocated Capital Funds to plan, design, and develop affordable housing in upcoming years.

Goal 3. Take measures to maintain passing scores on all of the PHAS Indicators. The goal is to continue as a high performing agency. **Progress:** The AHC has been a High Performing Agency on all PHMAP/PHAS assessments.

Goal 4. Ensure Equal Opportunity In Housing for all citizens in jurisdiction of AHC. Progress: The AHC revised its Application and Continued Occupancy Policies that included a fair housing policy statement and reasonable accommodations provisions for persons with disabilities.

Goal 5. Promote self-sufficiency and asset development of residents of housing units provided by AHC. Progress: The AHC initiated the establishment of learning centers in two properties. These centers provide computers and instructors for use by resident adults and youths. The AHC is partnering with local groups to provide more neighborhood learning centers. A Resident Initiatives Coordinator has been employed to work with resident groups especially in areas of asset development and self-sufficiency.

Goal 6. Improve the quality of life and economic vitality of the housing areas provided by the AHC. Progress: The AHC continues to provide enhanced law enforcement through the Capital Fund Program and previously PHDEP in properties with criminal histories. The Clerk of Courts by placing criminal records on the internet has assisted us in obtaining criminal backgrounds. The AHC initiated "Yards of the Month" recognition with the overall winner receiving a reward. The AHC has increased its grounds inspections and enforcement. AHC revised its method of providing groundskeeping by having the crewmembers assigned to specific properties rather than one crew rotating to the individual properties. This has increased the efficiency and accountability of the groundskeeping crew.
