[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000-2004.

The PHA has met the following objectives as stated in the FY 2000-2004 5-Year Plan

- Applied for additional rental vouchers in 2000 and again in 2002
- S.H.I.P. funds were used as leverage for Tax Credit and HOME Rental dollars to create 240 units of affordable rental housing
- Attained 100% SEMAP score
- Continue to have excellent customer relationship and satisfaction
- Provided voucher mobility counseling
- Successfully conducted outreach efforts to area landlords to attract affordable, high quality housing stock
- Increased payment standards to 110% of FMR
- Referred clients, when applicable, to our First Time Homebuyers Program's counselor
- Provided and continue to provide affirmative measures to ensure equal access to affordable housing to all clients regardless of race, color, religion, national origin, sex, familial status and disability.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- a. Substantial Deviation from the 5-Year Plan
- b. Significant Amendment or Modification to the Annual Plan

C. Other Information

[24 CFR Part 903.13, 903.15]

(1) Resident Advisory Board Recommendations

- a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

- (1) Expressed appreciation for the excellent services provided to HCV program participants in Citrus County by our Section 8 Occupancy Specialist, Kathy Beville.
- (2) Reviewed the proposed Streamlined 5-Year Plan and Annual Plan.
- (3) The Flexible Voucher proposal being proposed in the U. S. Congress will have a major impact on the way the rental assistance program is administered. Discussed changes that could be made to the program.
 - (a) Minimum rents – All were in agreement that a minimum rent of no more than \$100.00 per month would be acceptable.
 - (b) Utility allowances – There was much discussion about how utility allowances should be maintained. Again, all were in agreement that there should be some type of utility allowance although it was acknowledged that there is “double dipping” because of the availability of the LIHEAP program. LIHEAP is an energy assistance payment funded through the State of Florida. The question was asked, “Where do the LIHEAP funds come from?” Joe Drew suggested that a slush fund be available for persons needing assistance with their utilities. Since the housing stock in Citrus County is older, especially the properties available to HCV program participants, utilities are costly (no insulation, energy efficient appliances, etc.)
 - (c) Time limits – The consensus of opinion was that time limits for participation in the program would be acceptable for families other than the elderly and/or disabled. It was stated that it would take a family about 3 years to recover from a major life setback such as illness or job loss and to get back “on their feet”. ADCF allows families to remain on their program for 3 years and we should follow the same guidelines.
 - (d) Tiered rents – This idea was not well received. There was little discussion.

PHA’s Consideration and Response:

- (1) Acknowledged the compliment. Citrus County Housing Services employees give excellent service and are responsible for making our Program the success that it is. Customer service is our number one priority.
- (2) The Housing Authority is in compliance with the previous 5-year plan and all annual plans. Since this is a small program, 101 vouchers, and we are fully leased, there is little if anything that could be changed. There is no expectation of additional funds from HUD. In fact there may be funding cuts, which is a major concern.
- (3) The Flexible Voucher Proposal would be welcome by the Housing Authority if it eliminates the burden of excessive paperwork.
 - (a) The Housing Authority would propose a \$50.00 per month minimum rent.
 - (b) Utility allowances would be reviewed. It would depend upon what the HUD guidelines are whether or not there would be utility allowances. Funding for LIHEAP originates with the Federal Government and is passed through the State of Florida to local agencies for distribution to clients.
 - (c) Time limits would be proposed, again within the HUD guidelines, with 3 years being the goal. Elderly and/or disabled families would be exempt.
 - (d) Different methodologies would be explored to find the best way to control rising rental costs.

All changes would be phased in.

b. In what manner did the PHA address those comments? (select all that apply)

Considered comments, but determined that no changes to the PHA Plan were necessary.

The PHA changed portions of the PHA Plan in response to comments
List changes below:

The other issues relating to the Housing choice Voucher Program are supported by the State Housing Initiative Partnership (S.H.I.P.) program (First Time Homebuyer's, Rehabilitation, Home Improvement, etc.). The PHA applies for CDBG grants when available.

(4) (Reserved)

Use this section to provide any additional information requested by HUD.

10. Project-Based Voucher Program

a. Yes No: Does the PHA plan to "project-base" any tenant-based Section 8 vouchers in the coming year? If yes, answer the following questions.

b. Yes No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option?

If yes, check which circumstances apply:

- Low utilization rate for vouchers due to lack of suitable rental units
- Access to neighborhoods outside of high poverty areas
- Other (describe below:)

- c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
