## Admissions Policy for Deconcentration

### *DECONCENTRATION POLICY*

It is Winder Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Towards this end, we will skip families on the waiting list to reach other families with a lower of higher income. We will accomplish this in a uniform and non-discriminating manner.

The Winder Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

The Winder Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and non-discriminatory manner.

When the Winder Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Winder Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given three (3) business days from the date the letter was mailed to contact the Winder Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have 24 hours to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Winder Housing Authority will send the family a letter documenting the offer and the rejection.

## Community Service Policy

### WINDER HOUSING AUTHORITY COMMUNITY SERVICE AND FAMILY SELF-SUFFICIENCY POLICY

Adopted \_\_\_\_\_

Revised \_\_\_\_\_

#### REQUIREMENT

Except for any family member who is an exempt individual, each adult resident of public housing must:

1. Contribute 8 hours per month of community service; or
2. Participate in an economic self-sufficiency program for 8 hours per month; or
3. Perform 8 hours per month of combined activities.

#### DEFINITION

Community service is defined as the performance of voluntary work or duties that are of a public benefit, and that serve to improve the quality of life, enhance residents self-sufficiency, or increase resident responsibility in the community. Community service is not employment and may not include political activities.

#### OPTIONS

Community service requirements may be completed with one or a combination of the following:

1. Community service and economic self-sufficiency activities administered directly by the Winder Housing Authority. However, the HA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by the HA employee, or replace a job at any location where residents perform activities to satisfy the service requirement.
2. Community service and economic self-sufficiency activities administered by qualified agencies and organizations in the community that agree to assist residents in meeting this requirement.

3. Community service and economic self-sufficiency activities administered by a third party contractor or partner.

## EXEMPTIONS

Exempt individual. An adult who:

1. Is 62 years or older;
2. Is a blind or disabled individual, as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1); 1382c), and who certifies that because of this disability she or he is unable to comply with the service provisions of the subpart or
3. Is a primary caretaker of such individual;
4. Is engaged in work activities;
5. Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State administered welfare-to-work program; or
6. Is a member of a family receiving assistance, benefits or services under State programs funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State administered welfare-to-work program, and has not been found by the State or other administered entity to be in noncompliance with such a program.

## ADMINISTRATION, MONITORING AND COMPLIANCE

The HA will review tenant records to determine the exemption status of each family member. As of your annual reexamination date, you will receive notification of the HA's determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The Winder Housing Authority will give each family a written description of the service requirement, and of the process for claiming status as an exempt person and for verification of such status.

To insure resident compliance, the HA will maintain documentation on the exemption status of each family member. Family members may seek to change their status by providing documentation of such change to the HA through their Housing Manager or the Resident Service Coordinator.

The HA will monitor the performance of a family member who is required to fulfill a service requirement through direct verification by HA staff or signed certification by a qualified agency or third party contractor. If it is determined that a family member is in non-compliance, the HA will notify the tenant and the family

member of the non-compliance in writing and state that the HA will not renew the lease at the end of the twelve month lease term unless:

1. The tenant and any other non-compliant family member, enter into a written agreement with the HA, in the form and manner required by the HA, to cure such non-compliance, and in fact cure such noncompliance in accordance with such agreement; or
2. The family provides written assurance satisfactory to the HA that the tenant or other noncompliance resident no longer resides in the unit.

#### CURE FOR NON-COMPLIANCE

If the tenant or family member has violated the service requirement, the HA may not renew the lease upon expiration of the term unless:

1. The tenant and any other noncompliance family member, enter into a written agreement with the HA, in the form and manner required by the HA, to cure such non-compliance by completing the hours of community service or economic self-sufficiency activity needed to make up the total number of hours required under the previous year's lease and the required hours of community service or economic self-sufficiency for the twelve-month term of the new lease, and
2. All other members of the family who are subject to the service requirement are currently complying with the service requirement or are no longer residing in the unit.

If during this lease period, the tenant or family member continues to be in non-compliance, the HA will again notify them of the non-compliance and of the intention of the HA to not renew the tenant's lease upon expiration of the term.

#### GRIEVANCE

The tenant and or family member may request a grievance hearing on the HA determination in accordance with HA policy. The tenant may exercise any available judicial remedy to seek timely redress for the HA's non-renewal of the lease because of such determination.
