ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The Calhoun Housing Authority has adopted updated policies that reflect the new rules and regulations as required by 24CFR Part 903 of the February 18, 1999 Federal Register. At this time it is still unclear what is required in the pet policy. The current policy effective for senior citizens is being left in place and we will address this issue as soon as we have the final regulations.

The Calhoun Housing Authority has been funded by the Georgia Department of Community Affairs to construct fifty-six (56) new units of affordable housing. Construction to begin in November of 1999.

Staff and Residents are working together to ensure that quality housing and services are provided and are promoting self sufficiency and asset development for residents in a manner that affords equal opportunity for everyone.

DECONCENTRATION POLICY

It is Calhoun Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, We will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Calhoun Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.
