## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Fort Valley Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing Department of Housing and Urban Development (HUD) requirements. Our annual plan is based on the premise that if we accomplish our goals and objectives, we will be working toward the achievement of our mission.

The plans, statements, budget summary, policies, etc., set forth in this annual plan all lead toward the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach toward our goals and objectives and are consistent with the consolidated plan. Here are just a few highlights of our annual plan:

- We have adopted three local preferences – for applicants who live or work in Fort Valley, for working families (seniors and people with disabilities automatically get this preference) and victims of domestic violence.
- We have adopted an aggressive screening policy for public housing, to ensure to the best of our ability that new admissions will be good neighbors. Our screening practices meet all fair housing requirements.
- We are implementing a deconcentration policy, which we will carry out to the best of our ability since our public housing developments are located in only two (2) sites, in very

similar neighborhoods and mix of income levels. We will insure the widest possible range of family incomes.

- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$35.00 and “flat” rents for all our units.

In summary, we are on course to improve the condition of affordable housing in Fort Valley.

## **1. Statement of Housing Needs**

[24 CFR Part 903.7.9 (a)]

### **A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by

completing the following table. In the “Overall” Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Our review of the Housing Needs Section of our **State of Georgia Consolidated Plan for FY1995 and the 1990 City/County Data from the HUD CHAS data** shows that there is a significant need for additional affordable housing resources in our community. We have included that information in the following table.

<b>Housing Needs of Families in the Jurisdiction by Family Type</b>							
Family Type	Overall	Afford-ability	Supply	Quality	Access-ibility	Size	Loca-tion

### C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

While we wish we could meet the needs that exist in our jurisdiction, we are not overly optimistic about achieving this objective. The major problem is that we lack the resources to address these housing needs. Neither the local, state, or Federal Government has allocated the resources necessary to accomplish our objective. The only practical thing we can do is to apply for any grant opportunities made available over the course of the next several years. Whenever possible we will respond to Notices of Funding Availability (NOFA) to increase the amount of affordable housing in Fort Valley. We particular note at this time, there have been no opportunities to apply for HUD development funding since FY1995. This year we expect to receive Capital and Operating Funding for our existing program as outlined on our Statement of Financial Resources. We will continue to use those resources to maintain and preserve our existing units. Priorities and guidelines for programs often change from year to year and our decision to pursue certain opportunities and resources may also change over the coming years, if there are program changes beyond our control. We intend to work very closely with our local government representatives, bank institutions, non-profit groups, etc., to try to meet our local needs.
