TAUNTON HOUSING AUTHORITY FEDERAL PET POLICY

Residents of units owned and managed by the Taunton Housing Authority (the "Authority") may own and keep common household pets, provided, that they manage such pets responsibly and otherwise comply with those city ordinances applicable to the ownership and care of a pet and with the guidelines set out herein. Violation of any of these ordinances or guidelines may be grounds for removal of the pet or termination of a resident's tenancy (or both), in accordance with applicable rules and regulations. The Taunton Police Department and Taunton Animal Control Officer shall have responsibility for enforcement of applicable city ordinances. The Manager of each of the Authority's Developments, along with designated Pet Boards shall have primary responsibility for enforcing the guidelines in this pet policy.

Any resident desiring to keep a pet in his/her unit must first obtain the written approval of the Authority. Such approval will be based on, among other things, the resident's demonstration that he/she has the capability to care for the pet and certification that he/she will abide by the following guidelines concerning pet ownership and pet maintenance:

I. Applicability of Pet Policy

This pet policy shall apply to all residents of the Authority's family and elderly units wishing to own and/or maintain a pet in their unit as of _____, the effective date of this Pet Policy. Any resident who owns or maintains a pet in a family or elderly unit as of this date must submit an application to the Authority within fourteen (14) days of this effective date requesting written approval for the pet. Failure to submit an application within this time limit or to obtain the Authority's written approval upon submission of a timely application may be grounds for removal of the pet or termination of a resident's tenancy (or both).

II. General Guidelines

1. Any resident of one of the Authority's family or elderly units who wishes to obtain and/or keep a common household pet must first submit a written request for approval with his/her public housing manager and must receive authorization from the Authority in writing. The Authority reserves the right to check references, such as prior landlords and neighbors, regarding the resident's previous pet ownership history and the pet's behavioral history. If the Authority concludes that maintenance of the pet by the resident in the Authority's housing unit, would in the Authority's opinion, be inappropriate or ill-advised, the Authority will inform the tenant in writing, stating the specific reason for the denial. Permission to own and keep a specific pet will not be unreasonably withheld.

A tenant has the right to bring complaints and concerns regarding pet ownership to the Pet Management Board (the "Pet Board"). The Pet Board will be comprised of four residents from each development, appointed by the Executive Director. The Pet Board will be made up of one pet owner, one non-pet owner, one pet owner alternate, and one non-pet owner alternate and local interested humane groups, veterinarians, and volunteers. The Pet Board will be made up of

residents in "good standing" only, good standing to mean rent paid, no eviction proceedings pending with the Authority. The Authority has the right to remove any resident from the "Pet Management Board" or to deny a resident from serving on the Pet Board, if the Authority feels that they are not a resident in "good standing". In the event that complaints go to the Pet Board regarding a Pet Board Member's pet ownership capabilities, the alternate will replace that Pet Board Member until those complaints are resolved.

If a family development wishes to house pets in their units but does not have four residents, in "good standing", interested in serving on the Pet Board, that development will not be allowed to house pets. Pet Boards in the elderly developments are strongly suggested but not mandatory in order for an elderly development to house pets. In the absence of a Pet Board the Authority may elect to utilize a Pet Board from another development to resolve complaints. If no Pet Boards are available the Authority may encourage residents to form one Pet Board to oversee pet complaints for all elderly developments. If no Pet Boards are formed Authority staff will be responsible for resolving complaints.

All complaints to the Pet Board must be in writing and referred to the Pet Board for resolution. No Credence shall be given by the Pet Board to verbal or unsigned complaints. Management will also inform the resident of any other rule infractions and will duly notify the Pet Board for attempted resolution.

The Board may meet on an as needed basis to address written complaints regarding pet ownership and may address these concerns in writing to any resident. The Pet Board has the power to request the Authority that pet be removed for good cause. The Pet Board may schedule a hearing with one or more residents to discuss complaints and may set guidelines upon resident regarding pet ownership to resolve complaints. Upon second notice of a written legitimate complaint from the Pet Board to the tenant, the resident shall be advised that further notice shall be cause for termination of the pet rider provision; except that in the case of a serious problem, e.g. a vicious dog, this procedure may be shortened in the interest of public safety.

The Authority may speak with the Pet Board regarding pet ownership, the Authority will provide direction and supervision to the Pet Board. All resident complaints will go directly to the Pet Board and not to the Authority. The Taunton Animal Control Officer, if unable to serve on the Pet Board, will be an advisor to the Board on all aspects of pet ownership and responsibilities.

2. Only common household pets will be approved by the Authority for ownership and maintenance. Common household pets are defined for purposes of the Authority's Pet Policy as follows: Dogs, Cats, Birds, Fish, Guinea Pigs, Gerbils, Hamsters and other small domesticated animals which are approved at the discretion of the Authority. Notwithstanding this list, birds of prey (e.g. eagles, hawks, falcons), pigeons, chickens, roosters, rabbits, and reptiles of all kinds shall not qualify as common household pets under this policy. The mature size of dogs is limited to a weight not to exceed forty (40) pounds. Regardless of size, dogs of a vicious or aggressive disposition will not be permitted. Due to the social and behavioral needs and activities of puppies and kittens, applications for ownership of such young animals shall be more closely reviewed prior to approval.

3. No resident, or apartment unit shall have more than one pet. Notwithstanding this limitation, a maximum of two birds in a cage and two aquariums not to exceed twenty gallons combined. Birds must be kept in cages; guinea pigs, gerbils and hamsters in cages or aquariums; and fish in aquariums.

4. All female dogs over the age of six (6) months and all female cats over the age of five (5) months shall be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. Pet Owners will sign a written agreement that their pet will undergo the above mentioned procedure and provided documentation of the same. All pets shall be inoculated in accordance with state and local laws. All medical documentation must be given to the Authority and placed in a file. Failure to submit documentation may result in the removal of the pet and/or termination of tenancy.

III. Application for Pet Approval

1. Any resident interested in owning a pet must obtain written approval from the Authority prior to housing the pet. The Resident must first read and understand all regulations surrounding Pet Ownership, and discuss all aspects of housing a specific pet with the Authority. Upon reviewing the policy, the resident will sign the application for a pet permit certifying that they understand all regulations and requirements for Pet Ownership, and agree to abide by all of the rules listed in this policy and all city ordinances applicable to pet ownership.

2. As part of the process for reviewing applications for pet ownership, the applicant must be a tenant in "good standing", all rent and/or maintenance charges must be paid to date, the apartment must pass inspection for housekeeping and the availability of facilities to house a pet, no eviction proceedings may be pending.

3. If the Authority concludes that pet ownership is warranted, a temporary, conditional approval may be issued, authorizing the housing of a specific pet, conditional on the Authority's receipt of the following documentation before the pet moves into the unit with the exception of the Veterinarians certificate and color photo, which may be obtained one week after the pet is housed.

a. Veterinary certificates of spaying or neutering and of rabies, distemper, parvovirus, feline leukemia testing and feline VRC and other inoculations if applicable.

b. Dog licensing certificates in accordance with state and local laws.

c. A color photo and identifying description and name of the pet to be housed.

d. Names, addresses and phone numbers of both a primary and alternate caretaker, in the event the owner becomes incapacitated or not immediately available in the case of an emergency. These caretakers must provide a signed verification of their knowledge and willingness to assume the responsibility for

the pet. In the event where a caretaker cannot be found, a veterinarian's name will be provided who will house the pet at the owner's expense.

e. A Pet Rider or addendum to the resident's current lease executed by the resident.

f. A pet deposit of \$160.00 or one months rent, whichever is less is required of each resident pet owner desiring to house a pet. The resident pet owner may pay this over a period of time by signing a rental agreement with the Taunton Housing Authority. If this rental agreement is broken at any time, the Authority will commence eviction proceedings. This deposit is only to be returned at the time the pet is no longer living in the unit or the resident moves, and will only be refunded if no damage has been caused to the common area, resident's apartment, and any apartment the pet may have visited. Any damages caused during the pets stay to any property owned and maintained by the Authority will be paid for by the pet owner (this will not come out of the deposit), this includes the cost of exterminating for fleas or other insects, due to the pet, and/or neglect by the owner. Failure to pay any charges may result in eviction.

IV. Resident's Responsibilities

1. Resident is responsible for notifying the Authority in writing of any change in the information initially provided in the application for pet ownership within fourteen (14) days of the change.
2. Resident pet owners will be responsible for proper pet care, good nutrition, grooming, exercise, flea control, routine veterinary care and yearly inoculations. Dogs and cats must wear identification tags and collars when outside of the apartment unit.
3. Resident pet owner is responsible for cleaning up after the pet inside the apartment, all common areas and any apartment the pet may visit. A "pooper scooper" and disposable plastic bag is required to be carried by the pet owner while outside of the apartment, and all waste shall be bagged and disposed of in a trash receptacle. Under no circumstances should any pet debris be deposited in a toilet, as blockage may occur.
4. Pet blankets and bedding are not to be cleaned or washed in the Authority's laundry room for hygienic purposes.
5. Resident pet owners will keep the unit and general area (including the patio, if applicable) clear and free of pet odors, insect infestation, waste and litter and must maintain the unit and general area in a sanitary condition.
6. Resident pet owners will restrain and prevent the pet from gnawing, chewing, scratching, or otherwise defacing doors, walls, windows, fixture, appliances, and floor coverings of the unit, other units and common areas including shrubs and landscaping.
7. Pets are not to be tied outside to doorways, patios, decks or any common area. Any pet

outside or in hallways must be accompanied by a resident and restrained on a leash. All cats should be indoor cats.

8. Resident pet owners will not alter their unit, patio, deck, or other outside areas to create an enclosure for a pet.
9. Pets are not permitted in Community Centers or Laundry Rooms.
10. Pets will not be allowed to disturb the health, safety, comfort or quiet enjoyment of other tenants. A pet should not create a nuisance to neighbors with excessive barking, whining, chirping or other unruly behavior.
11. Resident pet owners hereby agree to apartment inspections by the Authority when, in the opinion of the Authority, there is cause to believe a pet and or unit is not being cared for properly and damage may be caused by the pet.
12. Resident pet owners must provide litter boxes for cat wastes, which must be kept in the owners unit, and be cleaned often and kept odor free.
13. Residents are prohibited from feeding or harboring stray animals. The feeding or harboring of a stray animal shall constitute having a pet without the approval of the Authority.
14. Identification cards, carried in purse or wallet, naming veterinarian and caretaker should be with the pet owner at all times. In the event of a sudden illness or accident, attending authorities would notify management to assist the pet and avoid a delay in proper care of the animal.

Should the Authority have good cause to believe that a pet has been left longer than the designated time, or the health or safety of the animal is threatened by incapacity or death of the owner, the Authority will contact the listed caretakers to assume responsibility for the pet.

If the caretakers are unable or unwilling to take responsibility for the pet and the tenant is not able or unwilling to find alternate caretakers, the Authority will enter the unit and remove the pet. The Authority will contact the Massachusetts Society for the Prevention of Cruelty to Animals or other suitable humane societies for assistance in providing alternate arrangements for the care of the pet. The funds for such area will be taken from the tenant's pet deposit.

16. Termination of Lease proceedings may be instituted if the pet owner is in violation of these guidelines which the pet owner has agreed to abide by in signing the pet rider attached to the lease. Termination of Lease proceedings may also be instituted if the pet owner has been warned three times by the Pet Board.

VI. Liability of Pet Owner for Damage or Injury

1. Charges for such damages caused by pets shall include the costs of materials, labor,

supplies, and contract costs. Payment plans may be set up with the Authority and the pet owner, at the Authority's discretion, no more than one payment plan may be issued per year. Should the payment plan be broken, the pet owner will remove the pet from the premises and will lose the privilege to house a pet with the Authority.

2. The pet owner will hold the Taunton Housing Authority harmless and indemnify the Taunton Housing Authority from any and all claims, liabilities, or penalties asserted by or on behalf of any person, corporation or public entity. Due to the result of the pet owner's failure to carry out his or her responsibilities and obligations under this policy.

I have read and understand the above rules and regulations concerning pet ownership, and will abide by this Pet Policy throughout my tenancy with the Taunton Housing Authority.

COMMUNITY SERVICE REQUIREMENTS

GENERAL REQUIREMENTS

As part of the Quality Housing and Work Responsibility Act of 1998, Congress imposed a requirement that all adult residents of federally funded public housing, unless specifically exempted, must perform community service activities or participate in an economic self-sufficiency program to remain eligible for public housing assistance. Therefore the federal public housing lease now provides that all non-exempt residents must:

- Contribute 8 hours per month of community service (not including political activity); or
- Participate in an economic self-sufficiency program for 8 hours per month; or
- Perform eight hours each month of combined community service and self-sufficiency activities.

DEFINITIONS

Community Service: For the purpose of this policy, community service is the performance of voluntary work or duties for the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community in which the resident resides. Community service is not limited to a single type of activity or a single location. Acceptable community service activities include, but are not limited to, improving the physical environment of the resident's development; volunteer work in a local school, hospital or child care center; working with youth organizations; or helping neighborhood groups on special projects. By statute, political activity is not an eligible form of community service.

Economic Self-Sufficiency Program: For the purpose of this policy, an economic self-sufficiency program is any program designed to encourage, assist, train, or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include, but are not limited to: programs for job training, employment training, work placement, basic skills training, education, English language proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work, such as substance abuse or mental health treatment.

NOTIFICATION OF RESIDENTS

The Taunton Housing Authority will notify all residents of the new community service requirement before the implementation of this policy. The notification will include an explanation of the program and will list the categories of individuals who are exempt from performing community service activities. The notification will describe the verification that will be required to establish an exemption. Definitions and examples of community service and economic self-sufficiency activities will be part of the notice. The notification will also advise families when the community service obligation will begin. Non-exempt residents will be required to begin performing community service at their first lease renewal date following the adoption of this policy.

EXEMPTIONS

The following residents over the age of eighteen are exempt from this requirement:

1. Resident household members who are 62 or older;
2. Resident household members who are blind or disabled as defined in the Social Security Act (Section 216 (i) (1) or Section 1614 of the Social Security Act (42 USC 416 (i) (1); 1382c);

The Social Security Act defines disability as the “inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than twelve months.”

Blindness is defined as “central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no less than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less.”

Residents who claim exemption because of disability or blindness must also certify that because of this blindness or disability they are unable to comply with the community service requirement. If a resident does not meet this definition of blindness or disability and believes that he or she is unable to perform community service or economic self-sufficiency activity, he or she may apply for an exemption from the requirement as a reasonable accommodation under the THA Reasonable Accommodation in Housing Policy (RAHP). An application for reasonable accommodation can be obtained at the development management office.

3. Resident household members who are the primary care giver of a blind or disabled individual as described in paragraph 2;

4. Resident household members who are engaged in a work activity as defined under section 407 (d) of the Social Security Act (42 USC 607 (d), as in effect on and after July 1, 1997);

Work activities are:

- Unsubsidized employment;
 - Subsidized private sector employment;
 - Subsidized public sector employment;
 - Work experience, including work associated with refurbishing; publicly assisted housing, if sufficient private sector employment is not available;
 - On-the-job training;
 - Job search and job readiness assistance;
 - Community service programs;
 - Vocational educational training not to exceed twelve months;
 - Job skills training directly related to employment;
 - Education directly related to employment for a resident who has not received a high school diploma or a certificate of high school equivalency;
 - Satisfactory attendance at a secondary school or in a course of study leading to a certificate of general equivalence for a resident who has not completed high school or received such a certificate; or
 - The provision of childcare services to an individual who is participating in a community service program.
5. Resident household members who are exempt from work activity under Part A of Title IV of the Social Security Act (42 USC Section 601 et seq.) or under any other state welfare program, including a State-administered welfare-to-work program; or
 6. Resident household member of a family receiving assistance, benefits or services under a State program funded under part A of Title IV of the Social Security Act (42 USC 601 et seq.) or under any other state welfare program, including a State-administered welfare-to-work program, and is in compliance with all provisions of that program.

In accordance with HUD guidelines, persons eligible for a disability deduction in rent are not automatically exempt from the community service requirement. A resident is exempt only to the extent the disability makes the person “unable to comply” with the community service requirement.
