(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2004 - 2008.)

The AHC has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2004 application will continue that effort.

AHC has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, AHC re-instituted its Community Service program it has been discussed with residents and each adult member of every household.

We are confident that the AHC will be able to continue to meet and accommodate all our goals and objectives for FY 2004.
