Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

Though an Executive Summary is not required to be submitted by the Iron County Housing Commission, the Annual Plan for PHA Fiscal Year 2004, shall serve as an outline of all management activities of the Iron County Housing Commission. The Plan has been formulated with the involvement of the residents, staff, as well as the community at large. The Plan and subsequent submittals may be modified to reflect changing conditions encountered. The purpose of the Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents, participants in the tenant-based assistance program, and other members of the public may locate basic PHA policies, rules and requirements concerning the operations, programs, and services. According to HUD both the Annual Plan and the 5 Year Plan creates the opportunity for strategic planning and citizen participation to take place in a comprehensive context; it allows local governments, opportunity organizations, and citizens, to address the larger picture in which these programs operate, offering the Iron County Housing Commission a better chance to shape the various programs into effective coordinated strategies. The Annual Plan and 5 Year Plan, as submitted by the Iron County Housing Commission, shall reference strategies developed to address the following goals concerning the programs that it covers during the next five (5) year period, October 1, 2004 through September 30, 2009. These include:

- A. Expand the availability and supply of safe, decent, affordable, and accessible rental housing for the low and extremely low income individuals and families;
- B. Improve and preserve existing affordable housing stock and neighborhoods;
- C. Increase homeownership opportunities for individuals and families by reducing the costs of homeownership;
- D. Make homeless assistance more effective and responsive to local need through local autonomy and movement toward continuum of care;
- E. Develop linkages between the housing and service sectors to provide greater housing opportunities for households special needs, and;
- F. Establish a suitable living environment and expand economic opportunities for low and moderate income through economic and infrastructure development.

1. Statement of Housing Needs [24 CFR Part 903.12 (b), 903.7(a)]

- A. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists** Currently the Iron County Housing Commission has a rather lengthy waiting list. In the twenty one (21) years that I have been the Executive Director I have never experienced the waiting list to be this extensive. Currently, all units in public housing and all Section 8 Housing Choice Vouchers are leased. For this Fiscal Year, 100% occupancy and leasu p rates have been observed for this PHA.
- B. Ste the housing needs of the families on the PHA’s waiting list/s. Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

As previously stated never in the history of the Iron County Housing Commission has the waiting list been this extensive. This PHA has almost doubled the size of its Section 8 Housing Choice Voucher Program over since the enactment of QHWRA. We have attempted to secure additional Vouchers in FY 2004, but have been advised that no money is currently available. With such an extensive waiting list and limited resources available this PHA shall continue to provide housing assistance to all eligible families within these constraints. It must be pointed out that initially the Iron County Housing Commission totaled 104 unit of public housing. At present the Iron County Housing Commission has grown to 324 units of either public housing, Section 8 Housing Choice Vouchers, and the January 1, 2004, incorporation of the Woodridge Apartments, this agency has demonstrated over the course of time that it is willing to expand in size and scope. Additionally, this PHA has successfully completed its Family Self-Sufficiency Program, (FSS), with ten (10) participants on the Section 8 program achieving homeownership.

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 20_00__ - 20_04__ . The Iron County Housing Commission has successfully closed out its FSS program during this period. All required ten (10) families have secured homeownership and/or self-sufficiency. Over \$26,000.00 in FSS escrow was paid out far ahead of the HUD established deadline for closure. Additionally, the Iron County Housing Commission doubled the size of its Section 8 Housing Choice Voucher program availability. Additionally, the Iron County Housing Commission during this time frame has assumed the management and maintenance responsibilities of the Woodridge Apartment complex, as administered by the USDA, Rural Development. This allows more leveraging of financial resources. We have maintained high performance status concerning PHAS-public housing and SEMAP-Section 8 Housing Choice Voucher Program. We have a far greater income mix of residents than we did prior to FY 2000. However, pitfalls remain. We shall face these challenges of the future as demonstrated in the past.
