Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The York Housing Authority strives to be a leader for safe, sanitary and decent housing in the York community. We do an aggressive screening process to ensure to the best of our ability that new admissions to the programs will be good neighbors and citizens. Our screening practices meet all fair housing requirements. We have established minimum and flat rents. We promote the programs to service organizations and church clergy to “get the word out” about available housing for the low-income in our community.

1. Statement of Housing Needs [24 CFR Part 903.12 (b), 903.7(a)]

A. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA’s waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

We are constantly attempting to attract new residents and currently have no one on the Public Housing waiting list. We are developing a brochure to place in offices in town to possibly develop an interest in the housing units. We have remodeled the community room space and hope to “spark” some interest. People seem to move where their children are located or stay in their homes longer with the assistance of other social programs.

B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

We have vacancies and when eligible applicants look at the available units, they are not interested because of the size of the unit, not particularly because it is only a one bedroom but the total size, ie square footage. We have used CF to combine 2 units into 1 larger 2 bedroom unit and have not received a lot of interest in the units.

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development

- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities

- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints

**PHA Certifications of Compliance with the PHA Plans and Related Regulations:
Board Resolution to Accompany the *Standard Annual, Standard 5-Year/Annual, and
Streamlined 5-Year/Annual PHA Plans***

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the streamlined 5-Year/Annual PHA Plan for the PHA fiscal year beginning 2004, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
5. The PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
7. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's MTCS in an accurate, complete and timely manner (as specified in PIH Notice 99-2);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
10. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
11. The PHA has submitted with the Plan a certification with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.
12. The PHA has submitted with the Plan a certification with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.

13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
15. The PHA will provide HUD or the responsible entity any documentation that the Department needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58.
16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
17. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act and 24 CFR Part 35.
19. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments) and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments.).
20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
