ATTACHMENT H: Resident Membership On The PHA Governing Board

The Red Bank Housing Authority is aware of the HUD regulation requiring PHA's to include at least one resident on its governing board. The Authority meets the exemption criteria provided under Section 2(b)(2) of the U.S. Housing Act of 1937:

1. The Authority has notified its resident Advisory Board of the availability of a position on the governing board and has waited a reasonable time for a positive response; however, no public housing resident or Section 8 participant has expressed interest in serving in said capacity.

The Authority is aware that this recruitment process must be repeated on an annual basis, and does so. Decisions regarding appointment to the PHA Governing Board are made by the Borough Mayor and Council.

ATTACHMENT I: Deconcentration Policy And Deconcentration Incentives

DECONCENTRATION POLICY

It is the Red Bank Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on waiting list in order to reach other families with lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we determine the level of marketing strategies and deconcentration incentives to be implemented.

DECONCENTRATION INCENTIVES

The Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

ATTACHMENT K: Consistency With Consolidated Plan

The Red Bank Housing Authority's Agency Plan is consistent with the County's Consolidated Plan in that:

1. The Authority intends to make continued efforts to attract potential landlords to participate in the Section 8 Program in order to increase housing options for program participants.
2. The Authority seeks to maintain public housing vacancies at zero in order to minimize the number of units off-line.
3. The Authority seeks to renovate/improve public housing sites as necessary in order to provide more suitable housing.

ATTACHMENT L: PHA Criteria For Amendments To Plan

Pursuant to applicable HUD regulations, a PHA may change or modify its Annual and Five-Year Plans and the policies described therein. However, any “significant amendment or modification” to the Annual Plan and any “substantial deviations” from the Five-Year Plan would require that the PHA submit a revised Plan that has met full public process requirements, including Resident Advisory Board review.

The Red Bank Housing Authority will consider the following to be “significant amendments or modifications”:

1. Changes to rent or admissions policies or organization of the waiting list;
2. Changes to Operations and Management Policies
3. Changes to grievance procedures;
4. Additions of non-emergency work items (items not included in the current Annual Statement of 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
5. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

The Authority will consider the following to constitute a “substantial deviation” from the Five-Year Plan:

1. Any modification to the PHA’s Mission Statement or any substantial modification to the PHA’s goals and/or objectives.

An exception to these definitions will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered substantial deviations or significant amendments by the Authority.

ATTACHMENT M: Summary of Pet Policy

In accordance with the new HUD regulations, implementing Section 31 of the U.S. Housing Act of 1937, the Red Bank Housing Authority has adopted a formal Pet Policy permitting public housing residents in general occupancy developments to own pets. As expressed in the said Pet Policy, pet ownership is subject to the following “reasonable requirements”:

1. Limitations on the size of the pet and the number of pets permitted in a given unit
2. Issuance of Pet Permit and payment of fee
3. Procurement of Insurance policy for liability and property damage
4. Registration of pet with municipality
5. Posting of security deposit for damage done by pet to apartment
6. Inspection of apartment, upon notice, to ensure compliance

ATTACHMENT N: Implementation of Public Housing Resident Community Service Requirement

Pursuant to Section 12 (c) of the U.S. Housing Act of 1937, each adult resident of public housing must participate in eight (8) hours of community service and/or economic self-sufficiency activities per month, unless they meet criteria for an exemption. In response to the implementation of Section 12 (c), the Red Bank Housing Authority has taken the following administrative steps:

1. The Authority's Admissions and Occupancy Policy includes its full policy on the community service requirement.
2. The Authority will identify all adult family members who are apparently not exempt from the community service requirement. The Authority will notify in writing such family members of the community service requirement and of the categories of individuals who are exempt from the requirement.
3. The Authority will coordinate with social service agencies, local schools, and the appropriate Human Resources Office in identifying a list of volunteer community service programs.
4. The Authority will assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family members' progress monthly and will meet with the family members as needed to encourage compliance.
