ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The focus of the 2020 Management Reform Plan is to prepare HUD to move into the 21st Century as a modernized and revitalized Department with restored public trust and adequate performance-based systems for its programs, operations and employees. Likewise, through the implementation of the 1998 Act, PHAs are required to assess management and operational practices and develop a plan that will ensure that the PHAs meet established goals and objectives. The Agency Plan combines the Five-Year Plan and the Annual Plan.

Purpose and Structure of the Agency Plan

The purpose of the Agency Plan is to empower and equip the PHA to exercise optimum flexibility in meeting local housing needs within the community while also meeting its own needs. The Agency Plan contains a FY-2001-FY-2005 Five-Year Plan that includes the Authority's mission and long range goals and objectives. The FY-2001 Annual Plan addresses the Authority's immediate operations, current policies, program participants, programs and services, and the PHA's strategy for handling operational concerns, resident concerns and needs, and programs and services for the upcoming fiscal year. The Agency Plan outlines the PHA's efforts in meeting the needs of the low, very-low and extremely-low income population in its community and effectively serves as a management, operational and accountability tool for the PHA.

Preliminary planning sessions were conducted with the Authority's residents, Resident Advisory Board, community leaders and organizations, and State and local authorities during the development of the Agency Plan to ensure that the needs of the residents and community are addressed in the Agency Plan. The Agency Plan is consistent with the Consolidated Plan/CHAS.
