COMMUNITY SERVICE POLICY
Coordination and Collaboration
The Gainesville Housing Authority (GHA) does not have a formal cooperative agreement with the Department of Family and Children's Services (DFACS), however, there is daily communication between GHA and DEACS

The two agencies provide referrals, provide information as necessary for program compliance and coordinate resources as necessary.

In addition to coordinating with DFACS, GHA collaborates with a variety of local service providers including, but not limited to:

Gainesville Police Department

♦ City of Gainesville

OMB Approval No: 2577-0226 Expires: 03/31/2002

- ♦ Gainesville Non-profit Development Corporation
- ♦ Gainesville/Hall County Neighborhood Revitalization, Inc.
- ♦ Boy and Girl Scouts of America
- ♦ Boys Club
- ♦ Hall County Health Department
- ♦ Lanier Technical Institute

Services provided include: community policing, credit counseling, homeownership assistance, health services, substance abuse counseling, youth programs, intervention programs, and adult literacy programs.

Self-Sufficiency Policy

GHA has not adopted any discretionary policies to promote self-sufficiency other than providing preference for working families. Flat rents have been established according to the law and are designed to provide incentives for families with incomes to remain in public housing.

Services and Programs

Although GHA does not directly provide self-sufficiency services to its public housing residents, they do coordinate with local service providers to make programs accessible to GHA residents. The following is a summary:

Services and Programs					
Program Name & Description	Est. Size	Allocation Method	Access	Eligibility

ESL – Lanier Tech	Varies	Open	2 HA Developments-Varies	PH Residents

Welfare Benefit Reductions

GHA is complying with the QHWRA as it relates to adjusting rent as a result of a reduction in welfare benefits. GHA's Admissions and Continued Occupancy Policy has been updated to include their policy for treating a reduction in benefits. The policy is as follows:

Treatment of Income Changes Resulting from Welfare Program Requirements

This section applies to families that receive benefits for welfare or public assistance from a state or other public agency under a program for which the federal, state, or local law relating to the program requires, as a condition of eligibility for assistance under the program, participation of a member of the family in an economic self-sufficiency program.

a. Decreases in Income for Failure to Comply

For families whose welfare or public assistance benefits are reduced because of failure of any family member to comply with the conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement, the amount required to be paid by the family as a monthly contribution toward rent shall not be decreased.

b. Fraud

For families whose welfare or public assistance benefits are reduced because of an act of fraud by member of the family under the law or program, the amount required to be paid by the family as a monthly contribution toward rent shall not be decreased, during the period of reduction, as a result of any decrease in income of the family, to the extent that the decrease was the result of benefit reduction due to fraud.

c. Reduction Based on Time Limit for Assistance

The amount required to be paid as a monthly contribution toward rent by a family whose welfare or public assistance benefits are reduced as a result of the expiration of a lifetime time limit for a family, and not as a result of failure to comply with program requirements, shall be decreased, during the period of reduction, as a result of any decrease in income of the family, to the extent that the decrease was the result of benefit reduction due to expiration of a lifetime time limit.

d. Notice

The Housing Authority shall obtain written notification from the relevant welfare or public assistance agency specifying that the family's benefits have been reduced and cause for reduction prior to redetermination of monthly contribution toward rent.

e. Grievance

Any family affected by sections 12.a and 12.b above shall have the right to review the determination through the Housing Authority's grievance procedure.

GHA will notify residents of the policy on admission and at their regular reexamination. GHA will continue to coordinate with DFACS to collect and verify information as it relates to welfare benefits and sanctions.

Community Service and Work Requirement

GHA's Community Service and Work Requirement Policy is as follows:

As a condition of continued occupancy each adult resident of the Housing Authority shall:

- a. Contribute eight hours per month of community service (not including political activities) within the community in which that adult resides; or
- b. Participate in an economic self-sufficiency program for eight hours per month.

Exemptions

Exemptions shall be made for any individual who:

- a. Is 62 years of age or older;
 - b. Is a blind or disabled individual defined under section 216(i)(1) or 1614 of the Social Security Act (42 USC 416(i)(1); 1382c) and who is unable to comply with this section, or is a primary caretaker of such individual;
- c. Is engaged in a work activity (as such term is defined in section 407(d) of the Social Security Act (42 USC 607(d), as in effect on and after July 1, 1997);
- d. Annual Determinations

For each public housing resident, GHA shall, 30 days before the expiration of each lease term of the resident, review and determine the compliance of the resident with the requirements of this policy. Such determinations shall be made in accordance with the principles of due process and on a nondiscriminatory basis.

Noncompliance

If GHA determines that the resident, subject to the requirements of this policy, has not complied shall notify the resident in writing of such noncompliance. The written notification

OMB Approval No: 2577-0226 Expires: 03/31/2002

shall state that the determination of noncompliance is subject to the administrative grievance procedure and that failure by the resident to enter into an agreement, before the expiration of the lease term, to cure any noncompliance by participating in an economic self-sufficiency program for, or contributing to community service, as many additional hours as the resident needs to comply in the aggregate with such requirement over the 12-month term of the lease, may be cause for lease termination.

GHA shall not renew or extend any lease, or provide any new lease, for a dwelling unit for any household that includes an adult member who has been determined to be in noncompliance with the requirements of this policy and has failed to attempt to cure the noncompliance.

Location of the Community Service or Family Self-Sufficiency Program

GHA may provide a community service or an economic self-sufficiency program to meet the requirements of this policy, however, GHA shall not substitute participation in community service or an economic self-sufficiency program for work performed by an employee of GHA or supplant a job at any location at which community work requirements are fulfilled.

Program options include:

- Participation in GED classes
- ♦ Participation in ESL classes
- ♦ Volunteering at a Youth Program including Boy Scouts, Girl Scouts, Boys Club, Summer Programs, etc.
- ♦ Other self-sufficiency program offered by GHA

Expires: 03/31/2002

A.

Deconcentration

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.
