**DE-CONCENTRATION AND INCOME TARGETING POLICY  
FOR THE  
PEEKSKILL HOUSING AUTHORITY  
PEEKSKILL, NEW YORK**

**Adopted by Board of Commissioners**

**Resolution No.:** \_\_\_\_\_

**Date of Adoption:** \_\_\_\_\_

**DE-CONCENTRATION AND INCOME TARGETING POLICY**  
*(of the Public Housing Admissions and Occupancy Policy)*

Sub-Title A, Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), establishes two interrelated requirements for implementation by Public Housing Authorities: (1) Economic De-concentration of public housing developments and (2) Income Targeting to assure that families in the “extremely low” income category are proportionately represented in public housing and that pockets of poverty are reduced or eliminated. In order to implement these new requirements the PHA must promote these provisions as policies and revise their Admission and Occupancy policies and procedures to comply.

Therefore, the Peekskill Housing Authority, Peekskill, New York (hereinafter referred to as PHA) hereby affirms its commitment to implementation of the two requirements by adopting the following policies:

A. Economic De-concentration:

Admission and Continued Occupancy Policies are revised to include the PHA’s policy of promoting economic de-concentration. Implementation of this program may require the PHA to determine the median income of residents in each development, determine the average income of residents in all developments, compute the Established Income Range (EIR), determine developments outside the EIR, and provide adequate explanations and/or policies as needed to promote economic de-concentration.

Implementation may include one or more of the following options:

- Skipping families on the waiting list based on income;
- Establishing preferences for working families;
- Establish preferences for families in job training programs;
- Establish preferences for families in education or training programs;
- Marketing campaign geared toward targeting income groups for specific developments;
- Additional supportive services;
- Additional amenities for all units;
- Flat rents for developments and unit sizes;
- Different tenant rent percentages per development;
- Different tenant rent percentages per bedroom size;
- Saturday and evening office hours;
- Security Deposit waivers;
- Revised transfer policies;
- Site-based waiting lists;
- Mass Media advertising/Public service announcements; and
- Giveaways.

B. Income Targeting

As public housing dwelling units become available for occupancy, responsible PHA employees will offer units to applicants on the waiting list. In accordance with the Quality Housing and Work Responsibility Act of 1998, the PHA encourages occupancy of its developments by a broad range of families with incomes up to eighty percent (80%) of the median income for the jurisdiction in which the PHA operates. Depending on the availability of applicants with proper demographics, at a minimum, 40% of all new admissions to public housing **on an annual basis** may be families with incomes at or below thirty percent (30%)(extremely low-income) of the area median income. The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, handicap or familial status.

In order to implement the income targeting program, the following policy is adopted:

- ▶ The PHA may select, based on date and time of application and preferences, two (2) families in the extremely low-income category and two (2) families from the lower/very low-income category alternately until the forty percent (40%) admission requirement of extremely low-income families is achieved (2 plus 2 policy).
- ▶ After the minimum level is reached, all selections may be made based solely on date, time and preferences. Any applicants passed over as a result of implementing this 2 plus 2 policy will retain their place on the waiting list and will be offered a unit in order of their placement on the waiting list.
- ▶ To the maximum extent possible, the offers will also be made to effect the PHA's policy of economic de-concentration.
- ▶ The PHA reserves the option, at any time, to reduce the targeting requirement for public housing by no more than ten percent (10%), if it increases the target figure for its Section 8 program from the required level of seventy-five percent (75%) of annual new admissions to no more than eighty-five percent (85%) of its annual new admissions. (Optional for PHAs with both Section 8 and Public Housing programs)

PHA Plan Update for FYB 2004

Statement of Progress

The Housing Authority has been successful in achieving its mission and goals in the year 2003. Goals are either completed or on target for completion by the end of the fiscal year.

Concerning self-sufficiency and crime and safety, the PHA is making efforts to reduce crime in the communities through additional pro-active police patrols, community policing activities, and the creation of an active Tenant Patrol. The Housing Authority is working with a Case Manger to assist tenants with employment, budgeting and home care, and maintenance.

To ensure compliance with the Public Housing Reform Act of 1998, every policy was reviewed and updated as needed. Most significant was the update to the Admissions Policy, Resident Initiatives Policy, Community Service Policy. In addition the following policies were developed: File Access Policy, File Access Policy, Security Policy, Records Retention Policy, and Natural and National Disaster Policy.

COMMUNITY SERVICE POLICY  
FOR THE  
PEEKSKILL HOUSING AUTHORITY  
PEEKSKILL, NEW YORK**

**Adopted by Board of Commissioners**

**Resolution No.:** \_\_\_\_\_

**Date of Adoption:** \_\_\_\_\_

## COMMUNITY SERVICE POLICY

Section 512 of the Quality Housing and Work Responsibility Act of 1998, which amends Section 12 of the Housing Act of 1937, established a new requirement for non-exempt residents of public housing to contribute eight (8) hours of community service each month or to participate in a self-sufficiency program for eight (8) hours each month. (24 CFR Subpart F §960.600-609) The Fiscal Year (FY) 2002 HUD/VA Appropriations Act temporarily suspended the community service and self-sufficiency requirement, except for residents of HOPE VI developments. The FY 2003 HUD/VA Appropriations Act reinstated this provision.

The Peekskill Housing Authority (hereinafter referred to as PHA) believes that the community service requirement should not be perceived by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents an opportunity to contribute to the communities that support them while gaining work experience.

In order to effectively implement this new requirement, the PHA establishes the following policy.

### A. Community Service

The PHA will provide residents, identified as required to participate in community service, a variety of voluntary activities and locations where the activities can be performed. The PHA does not claim these activities to be appropriate for all participating tenants. Each tenant is responsible to determine the appropriateness of the voluntary service within guidelines in this policy. The activities may include, but are not limited to:

- Unpaid services at the PHA to help improve physicals condition, including building clean-ups, neighborhood clean-ups, gardening and landscape work;
- Unpaid office related services in the development or Administrative Office;
- Assisting other residents through the resident organization;
- Unpaid services in local schools, day care centers, hospitals, nursing homes, youth or senior organizations, drug/alcohol treatment centers, recreation centers, etc.;
- Active participation in neighborhood group special projects;
- Assisting in after-school youth programs or literacy programs;
- Unpaid tutoring of elementary or high school age residents;

- Assisting in on-site computer training centers;
- Any other community service which includes the "performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community".

**Note: Voluntary political activities are prohibited from being considered to meet the Community Service requirement.**

B. Program Administration

The PHA may administer its own community service program in conjunction with the formation of cooperative relationships with other community based entities such as TANF, Social Services Agencies or other organizations which have as their goal, the improvement and advancement of disadvantaged families. The PHA may seek to contract its community service program out to a third-party.

The PHA may directly supervise community service activities and may develop and provide a directory of opportunities from which residents may select. When services are provided through partnering agencies, the PHA will confirm the resident's participation. Should contracting out the community service function be determined to be the most efficient method for the PHA to accomplish this requirement, the PHA will monitor the agency for contract compliance.

The PHA will assure that the service is not labor that would normally be performed by PHA employees responsible for the essential maintenance and property services.

In conjunction with its own or partnership program, the PHA will provide reasonable accommodations for accessibility to persons with disabilities.

C. Self-Sufficiency

The PHA will inform residents that participation in self-sufficiency activities for eight (8) hours each month can satisfy the community service requirement and encourage non-exempt residents to select such activities to satisfy the requirement. It should be noted that an individual may satisfy this requirement through a combination of community service and self-sufficiency activities totaling at least eight (8) hours per month. Such activities can include, but are not limited to:

- Apprenticeships and job readiness training;
- Voluntary substance abuse and mental health counseling and treatment;
- English proficiency classes, GED classes, adult education, college, technical schools or other formal education
- Household management, budget and credit counseling, or employment counseling
- Work placement program required by the TANF program
- Training to assist in operating a small business

The PHA may sponsor its own economic self-sufficiency program or coordinate with local social services, volunteer organizations and TANF agencies.

D. Geographic Location

The intent of this requirement is to have residents provide service to their own communities, either in the PHA's developments or in the broader community in which the PHA operates.

E. Exemptions

The following adult individuals, age 18 or older, of a household may claim an exemption from this requirement if the individual:

- Is age 62 years or older;
- Is blind or disabled (as defined under 216(i)(1) or 1614 of the Social Security Act (42 U.S.C. 416(i)(1); 1382c) and who certify that because of this disability they are unable to comply with the service provisions; or primary caretakers of such individuals;
- Is engaged in work activities (at least 30 hours per week) as defined in section 407(d) of the Social Security Act (42 U.S.C. 607(d)), specified below:
  1. Subsidized employment;
  2. Subsidized private-sector employment;
  3. Subsidized public-sector employment;
  4. Work experience (including work associated with the refurbishing of publicly assisted housing) only if sufficient private sector employment is not available;
  5. On-the-job-training;
  6. Job-search and job-readiness assistance;

7. Community service programs;
  8. Vocational educational training (not to exceed 12 months with respect to any individual);
  9. Job-skills training directly related to employment;
  10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
  11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
  12. The provision of childcare services to an individual who is participating in a community service program.
- Meets the requirements for being exempt from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program.
  - Is a member of a family receiving TANF assistance, benefits, or service under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 *et seq.*); or under any other welfare program of the State in which the PHA is located, including a State administered welfare-to-work program and has not been found by the State or other administering entity to be in non-compliance with such program.

F. Family Obligations

At the time of annual recertification, all public housing household members age eighteen (18) or older must:

- Receive a written description of the community service requirement, information on the process for verifying exemption status and the affect of noncompliance on their tenancy.
- Complete certification forms regarding their exempt or non-exempt status from the community service requirement and submit the executed forms within ten (10) days of their recertification appointment. If a household member claims an exemption from the requirement, he/she must submit written verification of the exemption or provide information for obtaining third-party verification along with their completed exemption form.

At the time of the annual recertification appointment, each non-exempt adult household member must present their completed monthly record and certification form (blank form to be provided by the PHA at time of certification or recertification) of activities performed over the past twelve (12) months.

If a family member is found to be noncompliant, either for failure to provide documentation of community service or for failure to perform community service, he/she and the head of household will sign an agreement with the PHA to make up the deficient hours over the next twelve (12)-month period. The entire household will be allowed to enter into such an agreement only once during the household's entire tenancy with the PHA.

If, during the twelve (12)-month period, a non-exempt person becomes exempt, it is his or her responsibility to report this to the PHA and to provide documentation with ten (10) calendar days of the occurrence. The community service requirement will remain in effect until such time as the exempt status is reported to the PHA and verified.

If, during the twelve (12)-month period, an exempt person becomes non-exempt, it is his or her responsibility to report this to the PHA within ten (10) calendar days of the change in status. He/she will be provided with appropriate forms and information for fulfilling the community service requirement. A household member who fails to report a change from exempt to non-exempt status will be required to enter into an agreement to complete an equivalent of eight (8) hours per month of community service for each month of unreported non-exempt status within ninety (90) days of discovery or the household's lease will be subject to termination.

Each household member must supply the PHA with accurate written information regarding exemption status. Failure to supply such information and/or misrepresentation of information is a serious violation of the terms of the lease and may result in termination of the lease.

#### G. PHA Obligations

To the greatest extent possible and practicable, the PHA will provide names and contacts at agencies that can provide opportunities for residents to fulfill their community service obligation.

The PHA will provide the household a written description of the community service requirement, the process for claiming status as an exempt person for PHA verification of such status in the notice of annual recertification. The PHA will provide the household with appropriate forms on which to claim exempt or

non-exempt status and for tracking the community service hours.

The PHA will make the final determination as to whether or not a household member is exempt and/or is compliance with the community service requirement.

As failure to complete the community service requirement constitutes noncompliance with the terms of the Lease, the family may use the PHA's Grievance Procedures if they disagree with the determination of exemption status or noncompliance.

The PHA will assure that procedures are in place and residents the opportunity to change status with respect to the community service requirement. Such changes include, but are not limited to:

- Going from unemployment to employment;
- Entering a self-sufficiency program;
- Entering a classroom educational program which exceeds eight (8) hours monthly

All exemptions to the community service requirement will be verified and documented in the resident file. Required verifications may include, but not be limited to:

- Third-party verification of employment, enrollment in a training or education program, welfare to work program or other economic self sufficiency activities;
- Birth certificates to verify age 62 or older; or
- Third-party verification of disabilities preventing performance of community service.

**Families who pay flat rents and live in public housing units or families who income was over income limits when they initially occupied such a public housing unit will not receive an automatic exception.**

#### H. Cooperative Relationships with Welfare Agencies

The PHA may initiate cooperative relationships with local service agencies that provide assistance to its families to facilitate information exchange, expansion of community service/self-sufficiency program options and aid in the coordination of those activities.

I. Lease Requirements and Documentation

The PHA's lease has a twelve (12)-month term and is automatically renewable except for non-compliance with the community service requirement. The lease also provides for termination and eviction of the entire household for such non-compliance. The lease provisions will be implemented for current residents at the next regularly scheduled reexamination and for all new residents effective upon occupancy. The PHA will not renew or extend the lease if the household contains a non-exempt member who has failed to comply with the community service requirement.

Documentation of compliance or non-compliance will be placed in each resident file.

J. Noncompliance

A resident who was delinquent in community service hours under the lease in effect at the time of the suspension will still be obligated to fulfill his/her community service and self-sufficiency requirements for FY 2001, provided that the resident was given notice of noncompliance prior to the expiration of the lease in effect at that time.

A copy of that notice of noncompliance should be included with the written notice to residents about the reinstatement of the community service and self-sufficiency requirement. In order to obtain a lease renewal on the expiration of the current lease, residents must be in compliance both with any delinquent community service requirements and current requirements.

If the PHA determines that a resident who is not an "exempt individual" has not complied with the community service requirement, the PHA will notify the resident:

1. of the noncompliance;
2. that the determination is subject to the PHA's administrative grievance procedure;
3. that unless the resident enters into an agreement under paragraph 4. of this section, the lease of the family of which the non-compliant adult is a member may not be renewed. However, if the noncompliant adult moves from the unit, the lease may be renewed;

4. that before the expiration of the lease term, the PHA must offer the resident an opportunity to cure the noncompliance during the next twelve (12)-month period; such a cure includes a written agreement by the non-compliant adult and the head of household (as applicable) to complete as many additional hours of community service or economic self-sufficiency activity needed to make up the total number of hours required over the twelve (12)-month term of the lease.

## **PET OWNERSHIP POLICY**

### **OVERVIEW**

Section 526 of the Quality Housing and Work Responsibility Act of 1998 (Housing Reform Act of 1998) added a new Section 31 (“Pet Ownership in Public Housing”) to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than Federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA. A proposed rule to implement Section 31 was published in the June 23, 1999, Federal Register. On July 10, 2000, a final rule incorporating comments received, was published in the Federal Register. This policy reflects the final rule requirements.

The Peekskill Housing Authority (hereinafter referred to as PHA) will notify eligible new and current residents of their right to own pets subject to the PHA’s rules and will provide them copies of the PHA’s Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA’s developments, the PHA will develop appropriate pet ownership rules, include those rules in their Agency Plan and notify all such residents that:

- A. all residents are permitted to own common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;
- B. animals that are used to assist the disabled are excluded from the size, weight, and type requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. in accordance with State or local law are observed;
- D. residents needing a service animal must provide verification for this need and verification that the animal is considered to be a service animal; and,
- E. Section 31 of the Housing Reform Act of 1998 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery Act of 1983 and located in 24 CFR part 5, subpart C;
- F. Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments.

## PEEKSKILL HOUSING AUTHORITY

### Pet Ownership Rules for Families

1. Common household pet means a domesticated cat, dog, bird, gerbil, hamster, Guinea pig and fish in aquariums. Reptiles of any kind, with the exception of small turtles or lizards in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird of prey, dangerous fish, snakes, spiders or other insects, or any farm animals.
2. Each household shall have only one pet (except fish or birds). The limit for birds is two (2).
3. The pet owner shall have only a small cat or a dog. The animal's weight shall not exceed *twenty (20) pounds at full growth*. The animal's height shall not exceed *fifteen (15) inches at full growth*. Such limitations do not apply to a **service animal** used to assist a disabled resident.
4. Pet owners shall license their pets (if required by state or local law) yearly with the City of Peekskill, New York, or as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually.
5. No pet owner shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.
6. The pet owner shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished.
7. All cats shall be declawed. Proof of compliance shall be furnished to management.
8. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owner shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.
9. No pet shall be permitted in any common area except as necessary to directly enter and exit the building. This restriction is not applicable to service animals.
10. No pet (other than birds or fish) shall be permitted to remain in an apartment overnight while the resident is away.

11. Management shall furnish to the household a pet sticker if the pet is a dog or cat which must be displayed on the front entrance door of the unit.
12. Resident shall provide the PHA a color photograph of the pet(s).
13. All dogs and cats shall wear a collar at all times. Attached to the collar shall be an ID tag listing the pet owner's name and address.
14. Any resident having a dog or cat shall obtain some type of "scooper" to clean up after the pet outdoors. The resident is responsible for placing all waste in sealed plastic bags and disposing of such material in a trash container.
15. Resident is required to take whatever action necessary to insure that their pet does not bring any fleas or ticks into the building. This may include, but is not limited to, the use of flea collars and flea powder. The resident is responsible for the cost of flea/tick extermination.
16. No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
17. No pet owner shall keep a vicious or intimidating pet on the premises (i.e. pit bulls or any other vicious or intimidating breeds). Any animal identified in local or State law or ordinance as dangerous or vicious will be prohibited. If the pet owner declines, delays or refuses to remove such a pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.
18. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
19. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.
20. The owner of a dog shall feed the animal at least once per day; take the animal for a walk at least twice per day; remove the animals droppings at least twice per day; and take the animal to a veterinarian at least once per year. The pet owner shall not permit dog droppings to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.

21. The pet owner shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
22. The pet owner shall keep the pet, dwelling unit, and surrounding areas free of fleas, ticks and/or other vermin.
23. No pet owner shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
24. Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, display symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days. PHA staff shall enter a dwelling unit where a pet has been left untended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
25. **The PHA will not collect a pet deposit or fee.**
26. All residents are prohibited from feeding, housing or caring for stray animals or birds. Such action shall constitute having a pet without permission of the PHA.
27. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill, absent from the dwelling unit, unable to care for his or her pet, ***or in the event of a death of the pet owner***, the alternate custodian shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.
28. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets except one as soon as the baby's are able to survive on their own (a maximum of 6 weeks).
29. Pet Violation Procedures: Resident agrees to comply with the following:
  - a. Notice of Pet Rule Violation: If the PHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the keeping of pets, the PHA will serve a notice to the owner of pet rule violation. The notice of pet rule violation will be in writing and will:
    - (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated.
    - (2) State that the pet owner has ten (10) days from the effective date of

service of the notice to correct the violation (including in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation.

- (3) State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
  - (4) State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to have the pet removed and/or terminate the pet owner's lease or both.
- b. Pet Rule Violation Meeting: If the pet owner makes a request, within five (5) days of the notice of pet rule violation, for a meeting to discuss the alleged violation, the PHA will establish a mutually agreeable time and place for the meeting within fifteen (15) days from the effective date of service of the notice of pet rule violation. At the pet rule violation meeting, the pet owner and PHA shall discuss any alleged pet rule violation and attempt to correct it. The PHA, may as a result of the meeting, give the pet owner additional time to correct the violation.
- c. Notice for Pet Removal: If the PHA determines that the pet owner has failed to correct the pet rule violation within the time permitted by Paragraph b. of this section (including any additional time permitted by the PHA), or if the parties are unable to resolve the problem, the PHA may serve a notice to the pet owner requiring the pet owner to remove the pet. The notice will be in writing and will:
- (1) Contain a brief statement of the factual basis for the determination and the pet rule or rules that has been violated.
  - (2) State that the pet owner must remove the pet within ten (10) days of the effective date of the notice of pet removal (or the meeting, if notice is served at the meeting).
  - (3) State that failure to remove the pet may result in initiation of the procedures to have the pet removed or terminate the pet owner's lease or both.
- d. The procedure does not apply in cases where the pet in question presents an immediate threat to the health, safe, of others or if the pet is being treated in an inhumane manner. In such cases paragraph 24 shall apply.
30. ***The resident shall control the pet while maintenance personnel are in the unit performing requested maintenance.***
31. ***Non-emergency work orders will only be completed if the resident is home with the pet, the pet has been caged or the pet has been removed from the unit.***

32. The PHA will not be responsible for any pet which gets out of a unit when maintenance employees enter for the purpose of making repairs. The family is responsible for removing the pet when maintenance is scheduled or assuring that a responsible family member is present to control the pet, ***or have the pet caged.***
33. ***If the pet runs out of the unit, if left alone, when the maintenance staff enters the unit due to an emergency work order request.***
34. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.

## PEEKSKILL HOUSING AUTHORITY

### Pet Ownership Rules for Elderly/Disabled Residents

1. Common household pet means a domesticated cat, dog, bird, gerbil, hamster, Guinea pig and fish in aquariums. Reptiles of any kind, with the exception of small turtles *or lizards* in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird *of prey*, *dangerous* fish, *snakes, spiders or other insects, or any farm animals*.
2. Each household shall have only one pet (except fish or birds). The limit for birds is two (2).
3. The pet owner shall have only a small cat or a dog. The animal's weight shall not exceed *twenty (20) pounds at full growth*. The animal's height shall not exceed *fifteen (15) inches at full growth*. Such limitations do not apply to a *service animal* used to assist a disabled resident.
4. Pet owners shall license their pets (*if required by state or local law*) yearly with the City of Peekskill, New York. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually.
5. No pet owner shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.
6. The pet owner shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished. If the animal is less than six (6) months old, resident must agree to have the appropriate procedures performed when the animal reaches the age of six (6) months. Exceptions to this requirement shall be granted only upon certification from a veterinarian that permanent harm may result from this procedure due to the pet's age or illness.
7. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owner shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.
8. No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
9. No pet owner shall keep a vicious or intimidating pet on the premises (i.e. pit

bulls or any other vicious or intimidating breeds). ***Any animal identified in local or State law or ordinance as dangerous or vicious will be prohibited.*** If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so, in order to safeguard the health and welfare of other residents.

10. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
11. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. 13. The pet owner shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
14. ***The pet owner shall keep the pet, dwelling unit, and surrounding areas free of fleas, ticks and/or other vermin.***
15. No pet owner shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
16. ***Resident agrees that the PHA shall have the right to remove any pet should the pet become vicious, display symptoms of severe illness or demonstrate other behavior that constitutes an immediate threat to the health or safety of the tenancy as a whole. If the PHA requests that the resident remove the pet from the premises and resident refuses to do so, or if the PHA is unable to contact the resident to make the request, the PHA may take such actions as deemed necessary, e.g. placing the pet in a facility that will provide the pet with care and shelter at the expense of the pet owner for a period not to exceed thirty (30) days.***
17. PHA staff shall enter a dwelling unit where a pet has been left untended for twenty-four (24) hours, remove the pet and transfer it to the proper local

authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.

18. **The PHA will not collect a pet deposit.**
19. All residents, including the elderly and disabled, are prohibited from feeding, housing or caring for stray animals or birds. Such action shall constitute having a pet without permission of the PHA.
20. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill, absent from the dwelling unit, unable to care for his or her pet, *or in the event of the death of the pet owner*, the alternate custodian shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.
21. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets except one as soon as the baby's are able to survive on their own (a maximum of 6 weeks).
22. *If the pet's health is threatened because of resident's inability to care for the pet due to illness, absence from the unit, or because of mistreatment of the pet, the PHA will notify the responsible person listed in the Pet Policy Addendum. If the individual is either unwilling or unable to care for the pet, or if the PHA is unable to contact the responsible part, the PHA will place the pet in a shelter for a maximum of thirty (30) days. If no responsible part is found, state or local authorities will be contacted.*
23. *The resident shall be responsible for arranging for burial or other disposal, off the premises, of pets in the event of the death of the pet.*
24. *The resident agrees to assume all personal financial responsibility for damages to any personal or PHA property caused by the pet and assumes personal responsibility for personal injury to any party caused by the pet.*
25. *Pet Violation Procedures: Resident agrees to comply with the following:*

PHA Certification of Compliance with Required Initial Assessment;  
Voluntary Conversion of Developments from Public Housing Stock  
when Conversion is Inappropriate

On June 22, 2001 HUD published the Final Rule for Voluntary Conversion of Developments from Public Housing Stock; Required Initial Assessments. This Final Rule requires all PHA's to conduct an initial assessment of conversion for each eligible development. Pursuant to this requirement, the PHA certifies that for each development it has:

- Reviewed the development's operation as public housing; and
- Considered the implications of converting the housing stock to tenant-based assistance;
- Based on the required initial assessment, conversion of the development is inappropriate because the PHA concludes:
  1. It is more expensive to convert to tenant based assistance than it is to continue to operate as public housing;
  2. Conversion to tenant based assistance will not principally benefit the residents of the eligible public housing development and the community; and
  3. Conversion will adversely affect the availability of affordable housing in the community.

Irrespective of the results of the assessment, the PHA retains the discretion whether to propose any particular development for voluntary conversion at a later time.
