[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Port Chester Housing Authority has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of this Annual Plan is to provide a framework for local accountability and easily identifiable source by which housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will ensure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy and Section 8 Administrative Plan are the two primary policies on display. These important documents cover the public housing tenant selection and assignment plan, outreach services, grievance procedures, etc.

The most important challenges to be met by the Port Chester Housing Authority during FY 2004 include:

- Improvement of the physical conditions of the housing developments through the Capital Funds activities.
- Involve the public housing residents through the Annual Plan Resident Advisory Board.

**Communication**

In order to increase the line of communications between our tenants and this office we are instituting the following:

1. Suggestion boxes at our senior buildings which we monitor and respond to.
2. We are increasing our tenant meeting schedule at all of our sites to give the residents the opportunity to complain, suggest or just dialog with management.
3. We are initiating a newsletter within the housing community where we will keep the residents informed of changes in policy, rent guidelines, birthdays, special events, children's school awards and graduations and other information of interest to the residents of the housing community both social and business including employment opportunities.

**Safety**

We have contracted with the Port Chester police Department to have additional patrols by a designated police officer. The increased presence of a particular police officer should increase the safety of our grounds and prevent potential crimes.

**Neighborhood Appearance**

The Housing Authority will make neighborhood appearance a priority by timely ground cleaning. Residents will be advised of the importance of keeping grounds clean and flyers will be mailed to all tenants in the spring.

**Result:**    The housing authority has implemented various aspects of the PHDEP program (after school programs, additional police patrols) which has helped improved the living environment of our residents. Our CCTV system has provided upgraded security.
  
4.     **Goal:**     Increase the number and percentage of employed persons in assisted housing.

**Result:**    The housing authority's Admissions and Continued Occupancy Policy gives additional points for housing to those families that are employed.
  
5.     **Goal:**     Ensure equal opportunity and affirmatively further fair housing.

**Result:**    The housing authority has entered into two VCA's to correct fair housing deficiencies.
