ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Thomasville Housing Authority has implemented the following initiatives and policies to further its mission “to promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination” for the needy residents of Thomasville: 1) a policy to deconcentrate poverty and income mixing, thereby bringing higher income residents to lower income developments and bringing lower income residents to higher income developments; 2) a policy which allows residents to pay a flat rent to encourage those who are trying to become self-sufficient; and 3) a policy to assist families whom are unable to meet minimum rent requirements due to extreme hardships.

In addition to the new policies and initiatives outlined above, THA has had in place many other policies and implemented many initiatives which have been supportive of its mission including, the One Strike and You’re Out policy, implementation of the FSS program, and collaboration with the local police department for on-site police protection. THA also has several initiatives in the planning phase that will continue to promote its goals and mission. These include the establishment of a public housing homeownership program which could be combined with a mixed-finance development in the next several years, the acquisition of more Section 8 Certificates/Vouchers to meet the needs of Thomasville residents, and the possible application for the Resident Opportunities and Self-Sufficiency Program.
