This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

COMMUNICATIONS

The Selma Housing Authority received a score on Communications through RASS that was below the National Norm. Those areas which were of concern for the residents revealed that: residents felt that they were not completely informed with the rules of their lease, had little knowledge of meetings and events, felt their questions and concerns were not fully addressed by staff, a lack of the Housing Authority support for a Resident Organization and questions on maintenance and repair issues.

The Selma Housing Authority will implement measures to correct these deficiencies.

The Housing Authority presently prepares a quarterly newsletter. This newsletter does contain information, which is designed to inform the residents of various topics and issues. To better inform the residents, the Housing Authority, will, on a monthly basis, include with the resident's rental statement, memos to include certain aspects of their lease as reminders of their responsibilities under the terms of their lease, any information on meetings, events and modernization plans and information relating to maintenance and repair concerns. So that the Housing Authority will know what information to distribute, a suggestion box will be placed in the lobby of the Main Office. This will allow residents to provide the Management Staff of questions and concerns they may have. Then the Management Staff can address these on a monthly basis.

It is the desire of the Selma Housing Authority to have a Resident Organization. This Agency has made efforts in the past to organize a Resident Organization. Due to lack of interest, the residents have chosen not to participate. The attempt will be made during the coming Fiscal Year to again organize a Resident Organization.
