This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Other Information

PHA Name: Western Piedmont Council of Governments
Streamlined Annual Plan for Fiscal Year 2004
HA Code: NC159

Executive Summary

Western Piedmont Council of Governments Public Housing Agency administers only the Section 8 Rental Housing Assistance Program. As a Section 8 program "only", the PHA is submitting a Streamlined Plan, in accordance with guidance provided in Notice PID 2003-21, issued September 9, 2003. The only significant changes in Program operation from the previous year have been the increase of the PHAs Payment Standards to 110% of FMR. The PHA does not consider this to be a "substantive change" from the prior year Annual Plan.

The PHA continues to operate within the four-county area of Alexander, Burke, Caldwell and Catawba Counties of North Carolina, with a unit allocation of 1019 units. Our primary housing needs continue to be affordability and availability. The PHA has tried to address these issues using Project Based Assistance and by trying to keep the applicable payment standards as high as possible within the current (frequently changing) methods of program management imposed by DHUD. For the coming year 2004, no substantial deviations from the 5 Year Plan are planned.

Resident Advisory Council and Resident Member on PHA Governing Board

For the past three years we have attempted to identify clients interested and willing to serve on a RAC, using both random "open" invitations and direct personal contacts. Our best response occurred in 2000, when we were able to recruit 4 people willing to serve on the Resident Advisory Board. We held one meeting with this group and had 3 persons to attend. We continued to invite others to serve without success. To our dismay, as we tried to recruit additional persons to serve along with the initial four, ALL four of the initial people left the program in 2001, either voluntarily or due to program violations.

This year we have decided to appoint all clients as members of our Resident Advisory Council. We notified all clients of this action, provided a summary of the PHA Plan and invited them to attend an open meeting to discuss and offer comments.

A resident has also been appointed to the PHA Board. This appointment was made by the PHA Board with the hope that in the future, candidates for this position may be identified through the Resident Advisory Board (RAC).

We continue to feel that it is unrealistic to require Section 8 Only PHAs to have Resident Advisory Boards and participant members of the PHA Board. We have no way to maintain the frequent contact with clients like Public Housing PHAs can and with the frequent turn-over in the Section 8 clients, we do not think that there can be enough continuity for these efforts to be worthwhile.
