ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

We have adopted the following local preferences:

Homeless Preference: Using the HUD definition of homeless

Displaced Preference: Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.

Applicants whose head or spouse is employed and working at least thirty-two (32) hours per week.

Applicants with an adult family member enrolled in an employment training program or attending school on a full-time basis. This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.

Applicants who reside or work in the jurisdiction of Madison County Housing Authority.

Applicants who are Elderly (62 or over), Handicapped or Disabled for Elderly Public Housing Projects.

Veteran Preference: Veterans who have served in the Armed Forces of the USA and were discharged or released under conditions other than dishonorable. Serviceman: A person presently serving in the Armed Forces of the USA. Dependent: A family member who is deriving direct benefits from a veteran because of his/her veteran status.

We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.

We have implemented a deconcentration policy.

Applicants will be selected from the waiting list by preference and in order of the date and time they applied.

We have established minimum rent of \$1.

We have established flat rents for all of our developments.

In an attempt to encourage work and advancement in the workplace, we are not requiring interim recertifications if a resident has an increase in income. The increase will be reported at the next regular recertification.

We are going to utilize the published FMR's as our payment standard for the Section 8 Program.

9.4 DECONCENTRATION POLICY

It is Madison County Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

Madison County Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement. The worksheet for the analysis can be found in **Appendix 1** of the Authority's Admissions and Continued Occupancy Plan.
