ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Lancaster County Housing Authority only administers a Section 8 Tenant-based Rental Assistance program. The Authority does not own or manage Public Housing units or Section 8 Project-based units.

The Housing Authority, working in cooperation with the County's Community Development agency and other local non-profit affordable housing developers, is committed to expanding the supply of, and access to, affordable housing throughout the County. Because of limited resources in the community, the Housing Authority has chosen not to become a developer and thus place the agency in competition with existing developers depending on the same federal, state and local resources. The Housing Authority is available to form partnerships with these developers to secure needed financing.

The Housing Authority will continue to apply, when possible, for available Section 8 Housing Choice Vouchers, Mainstream Vouchers, Welfare to Work vouchers and other opportunities to increase the available rental assistance in the County made available through HUD.

The Housing Authority has chosen to eliminate all local preferences, with the exception of a preference for homeless families whose last permanent

address was in Lancaster County, to govern the eligibility of an individual or family for rental assistance.

Due to the statutory restriction that 75% of all new applicants in a given year must be below 30% of the county's median income, the Authority restricted assistance to the disabled and families with an income less than 30% of the county median income during early 2003. The Authority began serving families with incomes less than 50% but greater than 30% of the county's median income in the spring of 2003. The Authority does expect to continue providing some rental assistance to families below 50% but above 30% of the County's median income during 2004 when possible.

The Authority took applications for the Waiting List during a three-week period in May 2003 and received 1,400 applications. The Authority does not expect to be in a position to open the Waiting List in 2004.

In 2001 the Authority developed a Section 8 Homeownership Program working cooperatively with Tabor Community Services and the Lancaster Housing Opportunity Partnership. The Program is currently limited to 25 voucher holders who have been on the program for at least one year and are enrolled in the Authority's Family Self-Sufficiency Program.

The Authority has not developed any special deconcentration programs or income mixing programs. The Authority's Section 8 tenants are distributed throughout the County. There are no census tracts in the county that would be considered to have a concentration of Section 8 rental units using criteria established by HUD. There are also no areas in the county that meet the HUD definitions related to concentration of minority, ethnic or income levels.

The Authority has reserved up to 20 vouchers for project-based assistance in 2004. A Request for Proposals was issued in 2003 requesting projects that will provide permanent housing for currently homeless persons with mental illness. No additional preferences will be added because persons benefiting from the project-based assistance will be homeless, which is already identified as a local preference. Only one proposal was received. The Authority intends to issue another Request for Proposals in 2004.

C. Strategy for Addressing Needs

Provide a brief description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency’s reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required

- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other:

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: Work with for profit and non-profit developers in the community to encourage the development of additional affordable rental units in targeted areas of the County.

Consider participating with non-profit developers to access untapped resources and new methods of financing affordable housing, such as 501(c)(3) tax-exempt bonds.

Working with the County Redevelopment Authority, encourage developers to ensure development of units affordable to families at or below 50% of AMI, 40% of AMI and 30% of AMI as part of the larger development (exceeding income targeting requirements of LIHTC Program).

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other:

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: The Authority intends to issue another Request for Proposal to provide permanent housing for currently homeless persons with mental illness in 2004. The RFP will require the proposer to provide on-site supportive services. The Authority will not establish a preference for new construction, rehabilitation or existing units requiring no rehabilitation. All three will be reviewed equally. Other factors included in the Policy Plan will determine which proposals would be accepted. The Authority will reserve up to 20 vouchers for this project-based assistance.

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other:

Continue an agreement with Tabor Community Services, Inc. to provide housing search assistance and tenant/landlord mediation for Section 8 voucher holders. Mediation services to be provided up to one year following lease-up of unit.

Five-Year Plan Statement of Progress

HUD Strategic Goal: Increase the availability of decent, safe and affordable housing.

Lancaster County Housing Authority Goal: Expand and maintain the supply of assisted housing.

The Housing Authority was not eligible to submit applications for standard or Mainstream vouchers in 2003 due to the low lease-up rate at the end of 2002. In 2003 the lease-up rate has improved to 101% as of September. The Housing Authority does expect to apply for additional vouchers in 2004 if they are available.

The Housing Authority continued to work cooperatively with the Housing Development Corporation (HDC) to support HDC's construction of a Section 202 project to develop 40 elderly apartments in Mountville Borough. Completion is expected in the fall of 2003.

The Housing Authority continues to work with Community Basics, Inc. to complete a 23-unit general occupancy rental project in Maytown, Lancaster County. All approvals have been obtained. Community Basics is expected to begin construction in the fall of 2003. The County of Lancaster also committed \$575,000 in HOME Investment Partnership Program dollars and \$75,000 in CDBG funds to this project.

The Housing Authority has also supported the Low Income Housing Tax Credit applications submitted by the HDC in 2003 for a 29-unit rental townhouse project in Manheim Township and an 18-unit apartment project in Lititz Borough for Community Basics

While the Housing Authority did not directly finance these apartment projects, the Authority has provided its public support to each project and each project will accept households receiving Section 8 rental assistance.

Lancaster County Housing Authority Goal: Improve the quality of assisted housing.

The Housing Authority continued working with a partnership to complete the renovations on two 20+ year-old general occupancy housing projects in West Hempfield, Lancaster County which accept Section 8 voucher holders. Both projects

are family housing, a 48-unit Rural Housing Development known as Oak Hollow and a 56-unit Rural Housing development known as Rivercrest, and are being renovated to ensure they remain as affordable housing for an additional 20 years. The Housing Authority and owner have worked closely to transfer families to other units while renovations are undertaken. Both projects will be completed in 2003.

Lancaster County Housing Authority Goal: Increase assisted housing choices.

The Housing Authority did not approve any additional Section 8 Homeownership vouchers in 2003. The Authority has successfully negotiated Memorandums of Understanding with four local financial institutions and with Freddie Mac to provide mortgages to Section 8 Homeownership participants. A partnership has also been established with Pennsylvania's Rural Housing office to provide an alternative mortgage financing option for those families that may require more flexible lending terms. The first participant will receive a mortgage through the Rural Housing Program.

The staff continues to monitor the ability of voucher holders to obtain housing within a suitable period of time (generally 60 days). The Authority entered into a formal agreement with Tabor Community Services, Inc. to provide housing search assistance to voucher holders requesting a 30- or 60-day extension to locate suitable housing. Tabor will also provide other services to voucher holders including:

- Landlord/tenant rights and responsibility training,
- Counseling and follow-up on the process of looking for a home,
- Counsel on negotiating a lease,
- Budget Counseling and/or Protective Payee services as needed, and
- Housing inspections to ensure the tenant properly maintains the apartment.

These services will be provided for up to 12 months following the Authority's referral of the voucher holder to Tabor Community Services to ensure maintenance of housing and a stable relationship between the landlord and the tenant.

The County and City Housing Authorities jointly adopted a local preference for homeless applicants in 2002. Hence, applicants qualifying for this preference can lease in either Housing Authority's jurisdiction without formal portability procedures and without the constraints of one Housing Authority's policies being more restrictive than the other's.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals.

Lancaster County Housing Authority Goal: Promote self-sufficiency and development of assisted households.

The Housing Authority moved the administration of its Family Self-Sufficiency (FSS) Program to Tabor Community Services, Inc. in 2000. Tabor Community Services increased the level of participation of Section 8 tenants in the program by 74% since taking over the program. Of the 43 current participants in the FSS Program, 22 have established escrow funds under Tabor's guidance. Tabor also integrates other services offered through their organization, such as the Family Savings Account Program, to enable FSS participants to take advantage of this expanded level of services geared to economic self-sufficiency. To date, 37 participants have graduated from the FSS Program by either completing their goals or increasing their income to the point where they were no longer eligible for Section 8 rental assistance.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans.

Lancaster County Housing Authority Goal: Ensure equal opportunity and affirmatively further fair housing.

The Lancaster County Housing Authority, in partnership with the Lancaster County Redevelopment Authority, the City of Lancaster and the Lancaster County Human relations Commission, completed an updated *Joint Analysis of Impediments to Fair Housing*. The County Commissioners adopted the plan on July 15, 1998. A Fair Housing Action Committee comprised of many diverse organizations concerned about and dealing with the rights of individuals and families to fair housing choice, was formed in 1998 to implement certain action items included in the *Analysis*. The County Housing Authority has appointed a staff person to serve on the Fair Housing Action Committee.

The Lancaster County Human Relations Commission's Fair Housing Program has received annual allocations since 1998 of \$45,000 from the County's Community Development Block Grant (CDBG) program to enforce fair housing rights, provide information, initiate a testing program, and serve as the coordinator of the work undertaken by the Fair Housing Action Committee. The Fair Housing Action Committee has established four subcommittees: Public Education, Government Officials Education, Fair Lending Practices, and Fair Rental Housing Practices.

Using the CDBG dollars granted, the Commission's Fair Housing Program has initiated a testing program in Lancaster County to determine the extent of housing discrimination in the County. The program has not been operational long enough to draw any definitive conclusions or to recommend actions that should be taken to correct discrimination which may occur.

The Human Relations Commission, with the support of the County Housing and Redevelopment Authorities, successfully reached agreement in 2002 with the U.S. Department of Housing and Urban Development to consider the County's Fair Housing Ordinance to be substantially equivalent to federal fair housing law.

The Lancaster County Housing Authority offers up to 25 Section 8 tenants the opportunity to participate in the Section 8 Homeownership Program. The Housing Authority administers the program in accordance with the final rule published in the Federal Register on September 12, 2000. The program is offered on a first-come, first-served basis for eligible tenants.
