# MINUTES September 29, 2003 TENANT ADVISORY COUNCIL

The Housing Authority of the County of Luzerne held its meeting of the Family Development Tenant Council on September 29, 2003 at 6:00 PM in the Board Room of the Administrative Office, 250 First Avenue, Kingston, PA.

Present at the meeting were:

Connie Zuranski, Dundee Jeanne Shuella, Luzerne Chantal Kania, Glen Lyon Marion Hazeltine, Meadowcrest Elsie Shank, Fairview Mary Pugh, Dundee Laurel Siglin, Exeter Bilqis Evelyn Puryear, Glen Lyon Veronica Sokoloski, Meadowcrest Dorothy Wall, Fairview

Rose Yarmel, Housing Authority John Plucenik, ARK Learning Center

Also present were:

Bettie Sims, Dundee; Jasmine Novak, Exeter; Barbara Kryger, Swoyersville; Grace Lawton, Fairview; Rachel Fox.

Agenda items included the following:

### **Approval of Minutes**

The minutes as mailed were approved.

### Introduction of New Members

Members introduced themselves to Bilqis Evelyn Puryear, the new representative of Glen Lyon. Also new to the Council, but absent this meeting, is Diana Traver, Swoyersville.

### **Annual Plan for 2004**

Rose explained that 2004 is the fifth year in HUD's five year planning process. The Plan sets forth the operating parameters of the Authority's programs, both Public Housing and Section 8. For the year 2004, there were no substantive changes to the Authority's Admissions and Occupancy Plan or the Section 8 Administrative Plan. No new policies are being introduced; however, HUD has reinstated the Community Service Program and the Authority is using the Policy adopted in 2000 and effective January 1, 2001. Rose reviewed the handout that had been delivered to every resident of Public Housing and sent to every Section

8 Program participant. Rose noted the previous and planned uses for the Capital Fund Program funds, which was displayed in the handout.

Included were comment sheets, which could be completed by all program participants, and the Authority had already received some. Comment forms could be handed in that evening as well.

While there were no issues taken with the Plan, a few areas of concern that would be passed on were relative to: thermostats functioning in Luzerne Family; heat registers in Dundee; need for tilt windows in developments, and questions regarding future renovations (would the parking schema remain the same in Meadowcrest? Would Glen Lyon family lose a downstairs bathroom in renovations?)

With no dissent, the Rose asked for a consensus that the Plan be submitted as presented. The Council agreed.

### **PHDEP Summer Program Update**

John Plucenik of the ARK Learning Center gave an overview of the summer programs provided with the remaining Drug Elimination Funds. Despite working on a much limited budget compared to previous years, there were nonetheless programs such as Swim Pals, S\*T\*A\*R\*S, the YMCA Program, and field trips. John noted that in the future, the ARK and the Authority would try to get agencies to continue to support activities for our children. He noted, however, that volunteer help from parents would be a key component.

Both John and Rose reiterated that there would be no more funding from the Public Housing Drug Elimination Program past 2003.

### **Boys and Girls Club Survey Results**

Rose had completed a simple survey on the work of the Boys and Girls Clubs in our Fairview, Plymouth, Glen Lyon and Exeter developments. The survey, which was given to Council, was sent to parents with children attending club programs as well as those whose children could attend, but did not. Overall, 22% response rate was achieved, and the results were positive regarding the programs.

Laurel Siglin of Exeter noted that the Club participants this year were required to present a record of their inoculations, and some children who could not produce the records were not allowed to participate. She felt that parents should have had an advance warning of this. Rose and John noted that this sounded like something that was a policy required by Boys and Girls Clubs of America, and not a local policy. They would look into the matter.

### **Community Service**

Rose had noted that HUD had reinstated the Community Service requirement for public housing residents only. The instructions from HUD required that all residents be told that the policy had been reinstated by July 31, 2003, which had been done. HUD also requires that each resident over the age of 18 receive a copy of the Community Service policy, that they declare whether they are claiming an exemption, and that they acknowledge that if they do not complete the service, their lease may not be renewed. Rose noted that those having to do community service would be directed to her office to discuss the type of volunteer placement and the documentation of same. The policy has not changed since it was established effective with the January 1, 2001 fiscal year.

Several Council members voiced the opinion that this policy was discriminatory, in that other Housing Program participants (Section 8, privately owned subsidized housing) were not required to do community service.

### **Other Business**

Rose noted that Joanne Pecukonis had indicated that she could not return to her position following her leave due to a car accident. A request for Proposal has been issued to find a community group to continue to facilitate tenant meetings in the developments. Rose did note that the other aspects of Joanne's job would not be continued, as the administrative budget is being cut.

Rose also passed out notices for the Christmas Applications from the Salvation Army, which she asked be given to residents. Barb Kryger noted that Catholic Social Services would not be doing a Christmas gift program this year due to budget cuts.

Also distributed was a letter from Pat Rushton of the Victim's Resource Center, offering speakers on various topics to the tenant groups.

Belqi asked whether it was possible for the Authority to participate in the Summer Lunch Program. John noted that only Plymouth Boys and Girls Clubs participated this year, but we could look into it next year. As with all other programs, funding for new sites was limited.

Barb Kryger passed out flyers for the Big Brothers/Big Sisters Program, encouraging those who knew children who needed mentoring be told of the program.

With no further business, the meeting adjourned.

Next meeting will be December 15, 2003.
