This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

8. Capitol Fund Program Five -Year Action Plan

Bristol Housing Authority's mission is to provide affordable, safe, and decent housing in an environment free from discrimination. Providing affordable housing enables families to have a better life with more economic opportunities.

Our Public Housing program continues to be a shining star in our community, providing quality housing for the elderly. Due to our continuing Capital Fund programs and quality planning, our building and property far surpass the industry standards.

In the past year, all of the roofs in Projects 19-1, 19-3 and 19-3A were replaced. In addition both of our laundry rooms were updated and repainted. Landscaping projects have added to the aesthetics of the complex. Some of this landscaping (clearing of brush etc.) will lead to our next project, more parking areas for our tenants. Lastly, the recent purchase of ceiling fans for all of the units has completed the Capital Fund Program for 2002.

In 2004 the Bristol Housing Authority will be painting the exterior of all of our buildings and installing ceiling fans in the bedrooms and living rooms, thereby adding to the comfort of the tenants, as well as providing additional lighting in the living room. We will also be replacing vanities, sinks and faucets in the bathrooms of units located in Projects 19-3 and 19-3A

The Housing Choice Voucher Program administered by the Bristol Housing Authority serves 226 families. Our lease-up rate has been consistently high in spite of a very tight rental market. Voucher mobility, our availability to help all prospective tenants find housing and outreach to landlords all contribute to a very successful Housing Choice Voucher Program.

Bristol Housing Authority has always been designated a high performer by HUD. Our PHAS score of 97% and most recent RASS Survey results can be attributed to a goal we always strive for: providing public housing that exceeds all standards and a very successful Voucher Program that results in a better life for all of our residents and participants.

Component 10 (B) Voluntary Conversion Initial Assessments

- a) How many of the PHA's developments are subject to the Required Initial Assessments? 0
- b) How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g. elderly and/or disabled developments not general occupancy projects)? ALL
- c) How many Assessments were conducted for the PHA's covered developments? 0
- d) Identify PHA Developments that may be appropriate for conversion based on the Required Initial Assessments:

| Development Name | Number of Units |
|------------------|-----------------|

| | |
| | |

This information must be provided as a required attachment to the PHA Plan template.

Use of Section 18 Authority to Remove Units from Inventory

Although there is no regulatory provision to carry out a Voluntary Conversion at this time, individuals within the industry have expressed the view that PHAs must have this option available to effectively carry out their portfolio management responsibilities. To meet this need in absence of final regulations, the Department offers interim alternative by which voluntary conversion can be accomplished using a disposition application under Section 18. Under this approach, PHAs would complete this analysis described in the Appendix to Part 971-Assessment of the Reasonable Revitalization Potential of Certain Public Housing Required by Law. In addition to showing that tenant based assistance is less costly than operating the development as Public Housing, PHAs would also need to meet all of the other requirements of a Section 18 application. Once approved, the PHA could relocate residents using housing vouchers and sell the public housing development. As always the availability vouchers would be dependent on the levels of funding provided the Department, and a PHA will need to demonstrate that it has sufficient voucher and relocation resources on-hand to obtain a Section 18 approval. It is imperative to stress that to use this approach, a PHA will have to meet all of the current requirements of a Section 18 disposition application. The Disposition activity will also have to be part of an approved PHA Plan.
