STATEMENT OF THE MARION HOUSING AUTHORITY AUTHORITY'S PROGRESS IN MEETING ITS MISSION AND GOALS OUTLINED IN THE CURRENT 5 YEAR PLAN

The Management of the Housing Authority of Marion is proud to report that the progress toward our 5-Year Mission and Goals is excellent. The Housing Authority should fulfill its Mission and Goals as planned within the time remaining. The Housing Authority has maintained the status of High Performer.

ATTACHMENT –E-

SUBSTANTIAL DEVIATION POLICY

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, the Board of Commissioners and the U. S. Department of Housing and Urban Development of any “substantial deviation” or “significant amendment” in the Agency’s Annual Plan and in the 5-Year Plan proposed modernization and capital improvement activities that have been previously approved and reported to HUD.

The Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Commissioners and to the public to advise them of any substantial deviation or substantial change in the overall Plan and any preplanned modernization work items.

Therefore, the Housing Authority hereby defines a “substantial deviation” as any deletion or addition of any modernization work item that is greater than \$25,000; the addition or deletion an any new or old program or activity; any changes with regard to demolition, disposition, or designation of housing units; any homeownership programs or conversion activities; and any changes to rent or admission policies(except changes made to reflect changes in HUD regulatory requirements). A “significant amendment” would be changes in the use of replacement reserves under the Capital Funds program or the addition of non-emergency work items no included in the current Annual Plan that is greater than \$25,000.

The Executive Director is assigned the responsibility of making the required notifications to all interested and affected parties as described above of any “substantial deviation” or “significant amendment” to the Annual and Five-Year Plans as well as notification to the public of any material change, that is not defined above, that, in his or her opinion, should be made known to the public as good business practice.

FOLLOW-UP PLAN FOR RESIDENT SURVEY: NEIGHBORHOOD APPEARANCE

The City of Marion has adopted an ordinance that prohibits vehicles from being parked on any street or property that does not have a valid up-to-date registration tag. The Code Enforcer monitors this very closely and all vehicles are towed for noncompliance of this ordinance.

The Housing Authority also tags vehicles that are parked on the Authority's property that are not registered with the Housing Authority. Any vehicles that are inoperable are also tagged and towed at the owner's expense if they are not removed. This has proven to be very effective for keeping unauthorized persons and abandoned vehicles from inside the housing communities.

The Housing Authority, on a daily basis, monitors and picks up all trash and debris on the property. The Housing Authority maintains all lawns.

The Housing Authority has regular meetings with the residents to discuss any problems their communities may be experiencing. Whenever necessary, action is taken immediately to correct any neighborhood deficiencies.
