ATTACHMENT C
IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE
REQUIREMENTS

- A. The 1998 Quality Housing and Work Responsibility Act of 1998 requires that nonexempt residents of public housing perform community service. HUD states that the provision is not intended to be perceived as punitive, but rather considered as rewarding activity that will assist residents in improving their own and their neighbors' economic and social well-being and give residents a greater stake in their communities.
- B. In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service or (2) participate in an economic self-sufficiency program, or a combination of the two, unless they are exempt from this requirement.
- C. Exempt individual
The following adult family members of tenant families are exempt from this requirement. An adult who:
- (1) Is 62 years or older;
 - (2) Is a blind or disabled individual, as defined under the Social Security Act, and who certifies that because of this disability she or he is unable to comply with the community service requirements.
 - (3) Family members who are the primary care giver for someone who is blind or disabled as set forth above.
 - (4) Family members engaged in work activity.
 - (5) Family members who are exempt from work activity under Part A of Title IV of the Social Security Act or under any other State welfare program, including the Welfare-to-Work program.
 - (6) Is a member of a family receiving assistance, benefits or services under a State program funded under Part A of Title IV of the Social Security Act or under any other State welfare program including the Welfare-to-Work and who are in compliance with that program.
- D. All families will be given a written description of the service requirement, and of the process for claiming status as an exempt person. This will include the PHAs determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The PHA will provide a form to any family members requesting exemption from the service and will advise the member what

documentation is required to support the exemption. The PHA will approve or deny the request for exemption within 30 days from receipt of a request that includes required documentation. A family member may request an exempt status at anytime.

- E. The PHA will provide a listing of qualifying community service or self-sufficiency activities that will meet this requirement. This list may be updated by the PHA at anytime. Each nonexempt family member will be given a community service time sheet to track the monthly volunteer hours. A supervisor must sign and date each period of work. If qualifying activities are administered by an organization other than the PHA, a family member who is required to fulfill a service requirement must provide signed community service time sheets certifying to the PHA by such other organization that the family member has performed such qualifying activities.
- F. The PHA must review family compliance with service requirements, and must verify such compliance annually at least thirty days before the end of the twelve-month lease term. The PHA must retain reasonable documentation of service requirement performance in tenant files.
- G. If the PHA determines that there is a family member who is required to fulfill a service requirement, but who has violated this family obligation (noncompliant resident), the PHA must notify the tenant of this determination. The PHA notice to the tenant must:
 - (1) Briefly describe the noncompliance;
 - (2) State that the PHA will not renew the lease at the end of the twelve month lease term unless:
 - (a) The tenant, and any other noncompliant resident, enter into a written agreement with the PHA, in the form and manner required by the PHA, to cure such noncompliance, and in fact cure such noncompliance in accordance with such agreement; or
 - (b) The family provides written assurance satisfactory to the PHA that the tenant or other noncompliant resident no longer resides in the unit.
 - (3) State that the tenant may request a grievance hearing on the PHA determination, and the tenant may exercise any available judicial remedy to seek timely redress for the PHA's nonrenewal of the lease because of such determination.
- H. If the tenant or another family member has violated the service requirement, the PHA may not renew the lease upon expiration of the term unless:
 - (1) The tenant, and any other noncompliant resident, enter into a written agreement with the PHA, in the form and manner required by the PHA, to cure such noncompliance by completing the additional hours of community service or

economic self-sufficiency activity needed to make up the total number of hours required over the twelve-month term of the new lease, and

- (2) All other members of the family who are subject to the service requirement are currently complying with the service requirement or are no longer residing in the unit.
- I. In implementing the service requirement, the PHA may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by PHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

Ripley Housing Authority Voluntary Conversion Initial Assessment

As required by 24 CFR Part 972 - Conversion of Public Housing to Tenant -Based Assistance, we have:

1. Reviewed each development's operation as public housing;
2. Considered the implications of converting the public housing to tenant-based assistance; and
3. Concluded that the conversion of the development would be inappropriate because removal of the development would not meet the necessary conditions for voluntary conversion.
 - a. How many of the PHA's developments are subject to the Required Initial Assessments? Five (5)
 - b. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? One (1)
 - c. How many Assessments were conducted for the PHA's covered developments? Five (5)
 - d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments: None
 - e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments. N/A

Resident Assessment Follow-Up Plan

Deficiencies were noted in the Survey Safety Section, the Communication Section and the Survey Neighborhood Appearance Section. The Housing Authority has consulted with the Resident Advisory Board and developed an Implementation Plan to address these deficiencies. Our Agency Plan includes the following elements to address the Survey Safety Section:

- Window replacement is currently underway at Project TN57-4 in FY2002 (Capital Fund Program)
- Dead-bolt locks in Project TN57-5 in FY2003 (Capital Fund Program)
- Security Screen Doors in Project TN57-5 in FY2003 (Capital Fund Program)
- Window replacement with security screens at Project TN57-6 has just been completed.

The Ripley Housing Authority applied for and received 1999, 2000 and 2001 PHDEP funds to assist in providing additional services and to pay for additional police protection. We will continue to implement these programs when funding is made available.

Communication:

Ripley Housing Authority frequently communicates with its residents through flyers, notices, and special reminders. Residents are provided all information about the lease, and updated about modernization activities on an ongoing basis. In addition, the Residents meet as needed to discuss various resident-related issues. Ripley Housing Authority will continue to conduct these activities. We will also make efforts to assure that residents are always treated politely and with respect.

Neighborhood Appearance:

The Ripley Housing Authority's Agency Plan includes the following elements to address the Neighborhood Appearance Section:

- Exterior Building Improvements have just been completed at Project TN57-6 in FY2001(Capital Fund Program)
