From this partnership we developed a Five Million Dollar 112 unit apartment complex in the City of Dayton, located in a non-impacted area. The Liberty County Housing Authority for the past two years have been working with Mr. Alex Savory of Washington Mutual in an effort to build

approximately 139 total units in the Cleveland and THE Hardin area. The none-profit presently have an agreement with two property owners, one in the city of Cleveland and the other in the City of Hardin for the purchasing of two 5 acre tracks. With the completion of this project at a cost of approximately 8 Million Dollars would bring our net worth to approximately 13 Million Dollars in new developments. In April of 2003 we placed a Application with TDHCA for a Grant of \$700.000. Dollars to help off set this project. On July the 11th,I received a letter from TDHCA that stated we have been denied the grant, this is a very large sat back to us, so at this point we are at a stop looking for another way to build the very needed units in the Liberty County area (we will find a way to complete this project).

Attachment A : Statement of progress in meeting 5 year plan goals.

Increased the availability of decent, safe and affordable housing by forming a non-profit organization in 2000 and building a 112 unit apartment complex bringing more rental units to the local area. We're increasing the quality of assisted housing objectives and improving community quality of life by scoring as a high performing housing authority on our most recent SEMAP review. There is a great need for affordable and safe housing for those who are handicapped and/or elderly. We are currently pursuing financing to build an apartment complex in the Liberty County area serve elderly and handicapped families since there is such a specific need. We are trying to promote self-sufficiency by recently hiring a Family Self Sufficiency coordinator and anticipate having the program running with families on the program by the end of the year. We've also initiated waiting list preferences so those working, elderly and disabled families receive preference regarding being housed.
