Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

- The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:
- We have adopted local preferences.
- We have adopted an aggressive screening policy to ensure to the best of our ability that new admissions will be able to conduct themselves in a manner which will not disturb his/her neighbors peaceful enjoyment of their accommodations and will be conducive to maintaining the development in a decent, safe and sanitary condition.
- Applicants will be selected from the waiting list by preference and in order of the date and times their application has been verified and approved.
- We have established a minimum rent of \$25.00.

In summary, we are on course to improve the condition of affordable housing in the Housing Authority of the County of Jersey.

This Agency Plan has been prepared in accordance with the Quality Housing Work Responsibility Act of 1998 (QWHRA) as we understand it. The Act is extremely complicated and the provisions are subject to differing interpretations. We utilized information and estimates from various sources to make assumptions in developing this plan. We believe our interpretation of the Act, as well as the information and estimates used to be accurate, but we can not warrant such.
