#### **U.S. Department of Housing and Urban Development** Office of Public and Indian Housing

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. #### **B.** Strategy for Addressing Needs

To make every effort to outreach to applicants that are employed or in school (college or trade schools) or employed to the extent such applicants will take priority over applicants that are not employed full time (over 20 hours per week) or enrolled in school to extend there education, enabling the family to be self sufficient.

#### (1) Strategies

**Need:** Shortage of affordable housing for all eligible populations

# Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

Employ effective maintenance and management policies to minimize the number of
public housing units off-line

- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- $\bigcirc$  Other (list below)

There is no shortage of available housing in De Leon or the area. The subsidized housing market is saturated.

#### **Strategy 2: Increase the number of affordable housing units by:** Select all that apply

	Apply for additional section 8 units should they become available
	Leverage affordable housing resources in the community through the creation of mixed -
financ	e housing
	Pursue housing resources other than public housing or Section 8 tenant-based
	assistance.

Other: (list below)

#### Need: Specific Family Types: Families at or below 30% of median

#### **Strategy 1: Target available assistance to families at or below 30 % of AMI** Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
  - Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
  - Other: (list below)

#### Need: Specific Family Types: Families at or below 50% of median

**Strategy 1: Target available assistance to families at or below 50% of AMI** Select all that apply

Employ admissions preferences aimed at families who are working

Adopt rent policies to support and encourage work

Other: (list below)

#### Need: Specific Family Types: The Elderly

#### **Strategy 1: Target available assistance to the elderly:**

Select all that apply

Seek designation of public housing for the elderly Apply for special-purpose vouchers targeted to the elderly, should they become available

Other: (list below)

#### Need: Specific Family Types: Families with Disabilities

## Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available

Affirmatively market to local non-profit agencies that assist families with disabilities Other: (list below)

#### Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

# Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

#### Select if applicable

Affirmatively market to races/ethnicities shown to have disproportionate housing needs Other: (list below)

#### **Strategy 2: Conduct activities to affirmatively further fair housing**

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
  - Other: (list below)

#### **Other Housing Needs & Strategies: (list needs and strategies below)**

#### (2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
  - Staffing constraints
  - Limited availability of sites for assisted housing
  - Extent to which particular housing needs are met by other organizations in the community
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
