1. Statement of Housing Needs [24 CFR Part 903.12 (b), 903.7(a)]

A. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA’s waiting list/s. **Complete one table for each type of PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

MCHA’s waiting list has been closed since September 2000. We still have over 100 families waiting for assistance. Everyday we get 5 to 15 calls or walk-ins that request an application for housing assistance or want to know when we will be taking new applications. With the growth of population in Montgomery County and central location to vital services, Montgomery County offers a good place to live. Montgomery County is unique in that there seems to be a large population of disabled families. Almost one half of the families we assist are disabled.

HUD does not currently provide an adequate amount of Vouchers in correlation to the very low-income population residing in the high rent area of Montgomery County. Although it appears that we are not leased by the number of Vouchers we can issue, we are leased by the standard that we spend almost all the funds we receive from HUD at this time for rent and utilities.

Veterans preference will get top ranking, all other preferences will be ranked by date and time of applications and preference points.
