B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

NEEDS ASSESSMENT RESPONSE

The Provo City Housing Authority has worked closely with the Utah Valley Consortium of Cities and County to assess the affordable housing needs in our jurisdiction. PCHA's Annual and Five-

year Plan, which outlines efforts to address housing needs, is certified as consistent with Utah Valley's Consolidation Plan.

PCHA has applied the information contained in the Housing Needs Section of the Consolidation Plan and the waiting list analysis to the development of our five-year goals and objectives. Due to limited resources, PCHA does not reasonably expect to meet all the serious housing needs in our jurisdiction. However, by endeavoring to manage its Public Housing and Section 8 programs efficiently and effectively, and ensuring quality service through a firm commitment to the people being served, the PCHA can be confident that low income families in Provo City will continue to recognize PCHA as the affordable housing of choice in the community.

The PCHA will continue to work closely with community partners and the Utah Valley Consortium of Cities and County to address housing needs in our jurisdiction. In addition, PCHA will seek grant opportunities made available by HUD through the next year by responding to Notices of Funding Availability in an effort to increase housing prospects for low-income families.
