The Cumberland Plateau Regional Housing Authority is a medium PHMAP standard-Performer agency located in Lebanon, Virginia. The CPRHA manages 309 units of public housing at seven developments.

The mission of the CPRHA is:

The Housing Authority is committed to excellence in providing quality housing and an environment which will ensure all residents opportunity, access to resources, and the expectation that our communities will be a safe, secure place to live and realize their potential.

To achieve the mission statement we will:

- Recognize residents as our ultimate customer;
- Improve Authority management and service delivery efforts through effective and efficient management of Authority staff;
- Seek problem-solving partnerships with residents, community, and government leadership; and
- Apply limited Authority resources to the effective and efficient management and operation of public housing programs.

The CPRHA will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.

- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To return vacated units with new residents in 20 days.
- H. To continue to enforce our "One Strike" policies for residents and applicants.
- I. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The CPRHA's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The CPRHA has assessed the housing needs of Lebanon and surrounding Russell area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium agency. The CPRHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The CPRHA has determined that its housing strategy complies with the state of Virginia's Consolidated Plan.

The CPRHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The CPRHA has established a minimum rent of \$0.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The CPRHA has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The CPRHA has jointly addressed with the local police department to develop safety and crime prevention that will be improved and meet the needs of its residents.

The CPRHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The CPRHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the CPRHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of CPRHA's Agency Plan to HUD on January 16, 2004.

Attachment A: CPRHA Deconcentration Policy

It is the policy of the Cumberland Plateau Regional Housing Authority to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the CPRHA is to house no less than forty percent (40%) of its inventory with families that have incomes at or below thirty percent (30%) of the area median income by public housing development. Also the CPRHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the CPRHA does not concentrate families with higher income levels, it is the goal of the CPRHA to not house more than sixty percent (60%) of its units in any one development with families whose income exceeds thirty percent (30%) of the area median income. The CPRHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the CPRHA's computer system.

To accomplish the deconcentration goals, the CPRHA will take the following actions:

- A. At the beginning of each fiscal year, the CPRHA will establish a goal for housing forty percent (40%) of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking forty percent (40%) of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 - 1. Housing not less than forty percent (40%) of the CPRHA inventory on an annual basis with families that have incomes at or below thirty percent (30%) of area median income; and
 - 2. Not housing families with incomes that exceed thirty percent (30%) of the area median income in developments that have sixty percent (60%) or more of the total household living in the development with incomes that exceed thirty percent (30%) of the area median income, the CPRHA's Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of "Local Preferences" in regards to the selection of applicants to meet the priorities of the policy.

The Cumberland Plateau Regional Housing Authority's (CPRHA)

Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Required Attachment E

Summary of Policy and Program Changes

The CPRHA has not made nor intends to make any major policy or program changes in 2004. Local preferences were established and will not change, rent policies remain the same, community service policy parameters were included in our lease and ACOP and was implemented 04/01/01, and our family development pet policy has been implemented.

To respond to low safety scoring on our RASS survey the CPRHA will begin to utilize its monthly newsletter to constantly remind residents of safety, existing crime prevention program that is in place and available to each resident.

The CPRHA will continue and strive to improve its PM program to address potential broken/damaged entry door locks.

In addition, the CPRHA will hold quarterly resident meetings to insure that residents have the ability to air concerns and that staff explains current crime prevention program and new ones that may be implemented in the future. The cost of these communication/informational programs will be funded through FY 04 Capital Funds from budgets 1406 and 1408.

Progress in meeting the 5-Year Plan Mission and Goals

The CPRHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2004 application will continue that effort.

CPRHA has implemented local preferences to improve the living environment by deconcentration, promoting income mixing, and improving security throughout our developments.

In addition, we have recently had approved our designated housing plan for a five year period.

The CPRHA created and continues to facilitate self-sufficiency programs to improve resident employability as well as solicit support services for the elderly and families with disabilities.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, CPRHA reinstated its Community Service program and each adult member of every household has been notified. New market value flat rents were implemented October 1, 2002, to replace previous flat/ceiling rents.

We are confident that the CPRHA will be able to continue to meet and accommodate all our goals and objectives for FY 2004.

Attachment I: PHA's Policy on Pet ownership in Public Housing Family Developments

In compliance with Section 526 of The Quality Housing and Work Responsibility Act of 1998, CPRHA residents shall be permitted to own and keep common household pets. 2. No more than one dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of 20 gallons shall be permitted. A resident with a dog or cat may not have other categories of "common household pets" as defined by CPRHA.

5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, CPRHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.
7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.)
8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: (1) no additional security deposit shall be required of the resident with whom the pet is visiting (unless the visit is in excess of 72 hours) and two (2) verified complaints shall be grounds for excluding the pet from further visits.
9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community.
10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. Attachment J: Implementation of Public Housing Resident Community Service Requirement

PHA Responsibilities

(1) Eligibility Determination

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

(2) Work Activity Opportunities

The Cumberland Plateau Regional Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

a. PHA Provided Activities.

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

b. Third Party Certification

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A ©) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

c. Verification of Compliance.

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).
2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

Or

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

e. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

f. The Cumberland Plateau Regional Housing Authority has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.
