ATTACHMENTS

Resident Comments – the Resident Advisory Board was in general agreement regarding the priorities for the 2004-2005 Fiscal year. Individual comments are elsewhere. RAB was generally supportive of long-range vision submitted for their review for each development. Expressed concern about lack of resident participation in individual resident councils.

Pet policy – remains in effect. Required general statement follows:

1. policy was effective April 1, 2001
2. pets must be registered with the Authority showing evidence of registration, vaccinations, and neutering/spaying
3. definition of “pets” is provided in the policy
4. limits one fur-bearing pet per household
5. establishes a 20pound weight limit for dogs
6. requires a \$100 refundable security deposit

Community Service Requirements - Re-implementation effective October 1, 2003. Required general statement as follows:

1. policy was made effective April 1, 2001; suspended in 2002 and re-implemented in 2003 following appropriate notice to residents.
2. defines exceptions as provided in QHWRA
3. requires 8 hours of monthly community service and gives residents greatest choice possible in identifying opportunities (including self-sufficiency)
4. requires resident to maintain hours, select activity, secure transportation and obtain third-party written verification
5. monthly submittal of verifications
6. non-compliance results in non-renewal of lease

5-yr goals & objectives – 1. Alliances & communication – existing programs continue to thrive as do existing partnerships. Developing relationships with adult ed providers. Nurses aid classes had eight graduates and new class forming at the time of this writing After school programs continue to maintain high number of honor roll attainees (35 to 50). Teachers continue to be active participants. John Randolph Foundation continues to support after school initiatives.

1. Occupancy goals not realized due to high turnover (aggressive lease termination a significant factor). Goal of 98% occupancy still has not been achieved. Currently occupancy level is 94%.
2. Maintenance has implemented UPCS. Software purchased and palm pilots is being used this year.
3. Dramatic reduction in crime has been maintained. Reduction of 25% far exceed goal of five percent. However, PHDEP funds are exhausted. Level of police coordination and cooperation cannot be expected to be maintained without PHDEP.
4. Outreach efforts were of limited success. Our 2003 annual meeting with participating and potential voucher landlords had 11 participants but only two were landlords – others were community leaders, HRHA employees or concerned citizens.
5. Fair Housing forum was held in 2003 with a speaker from the Virginia Fair Housing office to provide an instructional forum.
6. High performer status has not yet been realized- currently at 89, standard performer status. Unfortunately, the little bit necessary to achieve this goal will be most difficult because of the high turnover. This is same as last year.
7. Employed residents. Currently, 38% of public housing and 49% of Section 8 residents report earned income (EHD units excluded). Only 9% of public housing and 12% of Section 8 residents are TANF enrollees.

Resident Commissioner – Mr. Ralph Conrad, 100 South Kippax Street, Apt. 312, Hopewell, VA, continues to serve his first term.

Resident Advisory Board – all Hopewell, VA 23860

Ms. Frances Clark, 508 Davisville	Ms. Mandie Kelly, 1010 Langston Park
Mr. John Ellis, 611 Davisville	Ms. Alice Shands, 1108 Langston Park
Ms. Mary Studivant, 602 Davisville	Ms. Florence Griffith, 205 Kippax Place
Ms. Mary Gray, 11D S. 8 th Ave	Ms. Clover Hargrove, 306 Kippax Place
Ms. Terressa Lloyd, 234 South 8 th Street	Ms. Martha Nichols, 511 Kippax Place
Ms. Harriet McCloud, 1527-G Piper Square	Ms. Ada Kelly, 1548-A Piper Square

Deconcentration – No change. The Housing Authority gathers and assesses the resident characteristics of its public housing stock, including information regarding household income. This analysis is used to determine if there has been a significant

change in the income characteristic of a particular project. The most recent annual analysis showed that all family developments had average family income within the Established Income Range (average income above or below 85% to 115% of the average incomes of all housing authority developments.) Furthermore, all family developments have average family income under 30% of the area median income. Therefore, no development is to be redesignated as a higher or lower income development and the Authority has met its deconcentration goals. (Had the analysis indicated a need for a particular designation, the Authority would have used its flat rent policy to facilitate deconcentration.

Voluntary conversion – No change. Required assessments were completed for Davisville (96 units), Thomas Rolfe Court (76 units), Bland Court (24 units), Thomas Rolfe Court Extension (60 units), Langston Park (40 units) and Piper Square (104 units). In all cases, it was found that conversion would be inappropriate because it would have an adverse impact upon the community and would adversely impact the availability of affordable housing in the community.

Audit/corrective action plan.- the audit for the 03/31/2003 fiscal year contains no findings. No open findings remain from prior years.

Significant Deviation – Per 24 CFR 903.7 (r), the Authority's definition of substantial deviation and significant amendment or modification of the 5-year plan and the annual plan is as follows:

1. changes to rent or admissions policies or organization of the waiting list.
2. additions of non-emergency work items (items not intended in the current 5-year action plan or the current annual statement, as appropriate) or change in the use of replacement reserve funds under the Capital Fund.
3. any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities.

PHDEP – All funds expended.
