OMB No. 2577-0226
(exp. 05/31/2006)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

1. X Yes No: Does the PHA plan to administer a Section 8 Homeownership program pursuant to Section 8(y) of the U.S.H.A. of 1937, as implemented by 24 CFR part 982 ? (If “No”, skip to the next component; if “yes”, complete each program description below (copy and complete questions for each program identified.)

2. Program Description:

a. Size of Program

If the answer to the question above was yes, what is the maximum number of participants this fiscal year?10

b. PHA-established eligibility criteria

- X Yes No: Will the PHA's program have eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria?

c. What actions will the PHA undertake to implement the program this year (list)?

- Program is implemented.
- HomeOwnership Center, a NeighborWorks organization is a partner.
- Two families will purchase in 2003

3. Capacity of the PHA to Administer a Section 8 Homeownership Program:

The PHA has demonstrated its capacity to administer the program by (select all that apply):

- Establishing a minimum homeowner downpayment requirement of at least 3 percent of purchase price and requiring that at least 1 percent of the purchase price comes from the family's resources.
- X Requiring that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standards.
- X Partnering with a qualified agency or agencies to administer the program (list name(s) and years of experience below):
HomeOwnership Center, a NeighborWorks organization, about five years
- X Demonstrating that it has other relevant experience (list experience below):
The HomeOwnership Center, an independent non-profit was formed out of the experience of the Randolph County Housing Authority's 5(h) program. The HOC staff help 30-40 families a year buy their homes. They have staff familiar with the leveraged loan concept. They are certified loan originators and housing counselors through training institutes sponsored by Neighborhood Reinvestment Corporation. They regularly work with local banks, state housing finance agency and non-profit lenders, such as the Federation of Appalachian Housing Enterprises, a CDFI. The HOC has received a grant from Neighborhood Reinvestment that establishes a revolving loan fund which will leverage other mortgage funds, specifically for this program.

4. Use of the Project-Based Voucher Program

Intent to Use Project-Based Assistance

X Yes No: Does the PHA plan to “project-base” any tenant-based Section 8 vouchers in the coming year? If the answer is “no,” go to the next component. If yes, answer the following questions.

1. X Yes No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option? If yes, check which circumstances apply:

- low utilization rate for vouchers due to lack of suitable rental units
- X High percentage of voucher holders take full 120 days or more to find a unit and many give up.
- X access to neighborhoods outside of high poverty areas
- X other (describe below:) The reason is that the housing stock is old and there are not enough safe units that are also affordable. Participants, especially those who need an accessible unit, have difficulty finding units that are in good condition. They often need extensions to find a unit and regularly give up their voucher because of a lack of units that meet their need.

2. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts): A waiver will be needed due to HUD’s rules on concentration of poverty within census tracts. The regulation is not fitting for this area and for census tracts that are several square miles in area. Eight units were built by and for YouthBuild for its ongoing support. The units are at the site of the YouthBuild’s main location. Also, a developer wants vouchers to go with 30 units he would like to build in the same census tract, in one of Elkins’ nicest neighborhoods. Though it is in the same census tract, the sites are about 4 miles apart. The plan for these 30 units may not happen in 2004.

5. PHA Statement of Consistency with the Consolidated Plan

[24 CFR Part 903.15]

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary) only if the PHA has provided a certification listing program or policy changes from its last Annual Plan submission.

1. Consolidated Plan jurisdiction: (provide name here) State of West Virginia

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

X The PHA has based its statement of needs of families on its waiting lists on the needs expressed in the Consolidated Plan/s.

X The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.

X The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.

Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

Increasing housing choices by

1. raising the payment standards to 110% of current FMR.
2. investigating the potential of newly constructed units for elderly and handicapped.
3. the construction of additional affordable units by YouthBuild.
4. Seeking a waiver to project base vouchers especially for elderly and handicapped units.

Other: (list below)
