9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

The Brown County Housing Authority, through its contract with Integrated Community Services, continues to manage the Section 8 Housing Choice Voucher Program in an effective and efficient manner. We have received a high performer rating on our SEMAP score for the past 2 years and ended 2002 with a 97% utilization rate. Our utilization rate has continued to increase with all vouchers utilized in the first half of 2003. Recognizing that our program was reaching full capacity, we applied for 100 new Fair Share Vouchers, which we began utilizing in 2003.

In an effort to provide better program service to our customers ICS continues to be open until 7 p.m. each Tuesday and continues to operate a Call Center. ICS employs a Housing Counselor to assist participants/applicants with housing barriers and to be the landlord's agency contact. This position was originally funded through a grant but has now been absorbed and is funded through administrative fees of the Housing Choice Voucher Program. Recognizing that the lack of a security deposit can be a barrier to many low-income households, ICS has received \$5,000 in ESG funds to assist with deposits. Households will pay the landlord the security deposit in monthly installments and the ESG funds will be used only if the households defaults. We have also begun to send a monthly newsletter to landlords with their check and plan to begin a client newsletter this year.

We have been successful in our goal of recruiting 250 new landlords by 12/31/04. We have recruited 211 new landlords and feel we can easily meet the balance of the goal of 39 by next year.

The Brown County Housing Authority has been successful in establishing

a Homeownership Program and currently is assisting 27 households through the Housing Choice Voucher Program. Nine of these homeowner households have a person with a disability as a household member. Our program has been a success because of our partnerships with Neighborhood Housing Services of Green Bay Inc., Options for Independent Living, Fannie Mae, and many local lenders.

Our resident organization is now meeting semi annually to provide program feedback. We are in the process of forming a landlord advisory group. Our Family Self Sufficiency Program has forty -five (45) of forty-seven (47) slots filled for 96%. Forty –seven percent (47%) have escrow activity totaling \$25,102. We have implemented partnerships with UW Extension, United Way, Options for Independent Living, Neighborhood Housing Services, Salvation Army, Experience Works, Family Services, Catholic Charities, Encompass Child Care, Community Child Care Connection, Brown County Health Department, NWTC/Wisconsin Job Center as active participants in our Family Self Sufficiency Program Coordinating Committee.

With increased program enrollment we are turning our attention to better monitoring of program compliance/program issues. We now send utility checks directly to the utility company rather than to the assisted household. We require households that report zero income to have a face-to-face interview on a quarterly basis; this replaces the mail in review that was previously required. We require all households to provide a copy of their previous year's income tax return. We have enlisted the services of O'Brien and Associates, a private investigation service, in our fraud detection efforts.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

b. Significant Amendment or Modification to the Annual Plan

Our determination of a significant change is one that substantially impacts tenant participation in the Section 8 Housing Choice Voucher Program and/or the level of service customers would expect to receive. Example: closed waiting list.

C. Other Information

[24 CFR Part 903.13, 903.15]

(1) Resident Advisory Board Recommendations

a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

TENANT ADVISORY BOARD MEETING

August 19, 2003

Present: Jane Rueckl, Peter Hernandez, Andrea Giacomo, Victoria Vaessen, Mary Ossefort, Debra Denissen, Bernadine Brickman, Elsa Hittman, Patricia Twocrow, Tia Owen, Lori VanEssen, Keith Pamperin, Rosemary Jonas, Kathy Moens and Wendy Bushman.

Absent: James Cook, Hannah and Jason LeCloux

The meeting started with introductions of old and new members.

Decision to hold Tenant Advisory Board Meetings every six months instead of once per year.

Keith Pamperin informed members of the history of the Brown County Housing Authority. The Agency was created in 1974 and was the first experimental housing program. The program allowed for participants to locate their own housing. Prior to this, tenants resided in projects.

In 1982 the national Section 8 Certificate Program was developed. The Section 8 Certificate then merged with the Section 8 Housing Choice Voucher Program that exists today.

In 1974 the Rand Program along with HUD as separate non-profit agencies were monitored by the Brown County Housing Authority. The program is funded totally by HUD – no local funds are used.

Integrated Community Services was the first to make some local changes prior to being required to do so. These changes consist of:

- Doing background checks – police reports for all household members over the age of 18.
- Tightened the Housing Quality Standards partnering with standards used by city officials.
- Recently requesting copies of an individual's Income Tax Forms for the previous year.

Family Self Sufficiency (FSS)

Andrea Giacomo spoke about her successful completion of the FSS Program. With the help of the agency, she has met her goals, terminated her SSI and is now a full time employee. The FSS program has 45 of 47 slots filled representing a 96% success rate totaling escrow activity of over \$25,000.

Integrated Community Services has been the first housing agency to develop a Homeownership Program. We currently assist 25 homeowners through the Housing Choice Voucher Program. Nine of the households have a member of the household with a person with a disability.

One of the major barriers to the Homeownership Program is a household's credit rating. Homeowner's obligations are:

- Maintain Housing Choice Voucher eligibility
- Has to be approved by a bank
- Down payment costs
- Deferred Payment Loan – if home is sold, money must be paid back.

Brown County Housing Authority has established the Homeownership Program and Robyn Hallet is holding monthly homeownership meetings for those individuals interested in becoming homeowners.

Rosemary Jonas informed the board members of the program updates over the past six months that included:

- All utility checks are now sent directly to the utility provider.
- Those individuals who have zero income now come into the office for a face-to-face interview versus a mail-in questionnaire.
- Mandatory request for Income Tax Forms for the past year.
- Contracting with outside agency regarding fraud investigations.
- ICS has received a high performance rating for the last two years and reached a 99% utilization rate.
- We are calling people in off the waiting list who have applied in January 2003.

Keith Pamperin spoke on the topic of deconcentration households with the same income living in the same areas. Keith posed the question to the board members – Why did you choose the unit you are residing in? (82% of all Vouchers are in downtown Green Bay). Some responses included cost, price, availability, affordability, utilities were included, on the bus line and near work.

Consensus from participants was that ICS provide tenants with a survey to compile responses as to why tenants selected the particular unit they now reside in.

Rosemary announced that Lori Gerard, Housing Counselor, will be working with the Emergency

Shelter Grant. The agency has recently received a \$5,000 grant allowing for assistance with security deposits. There will be an arrangement with landlords for tenants to pay the security deposit on an installment basis. Should the tenant default on payments, ICS will pay the landlord.

Lori Gerard has also started a monthly newsletter to landlords.

Rosemary Jonas then asked participants their comments on how ICS can improve on improving the agency.

Vicki Vaessen stated ICS should notify tenants that they should keep a copy of all documentation provided to ICS for their records should documentation be misplaced by ICS.

Vickie Vaessen and Bernadine Brickman expressed that they would like to be notified, in writing, when there has been a change in their caseworker.

Jane Rueckl's concern was Annual Recertifications should be processed on a timelier basis and not go down to the wire.

Debra Denissen stated the reason she joined the Advisory Board was to give back to the agency for what the agency has given to her.

Tia Owen commented that she too was willing to participate as she believes the housing agency is the agency in the community that provides the most to the community.

James Cook's correspondence indicated he had to wait 45 days before he heard from the evaluator as to the results of his evaluation. He stated there is a disparity in what inspectors require of landlords. One evaluator may view something as a problem, while another may view the same thing as insignificant. James' other concern was lack of communication. He believes that since annual reviews were replaced with mail-in review forms, communication is more difficult. Tenants and specialists are doing more voicemail communications and tenant isn't notified as to expiration dates and status of annual review.

Panel was informed that there is a Housing Authority Public Hearing on 9/15/03 at 3:00 p.m. and all are invited to the hearing or written comments accepted regarding the program and the agency plan.

Next Tenant Advisory Board Meeting will be held in February 2004.

b. In what manner did the PHA address those comments? (select all that apply)
