B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

In order to address the housing needs of families in Janesville we plan on concentrating efforts on maintaining Section 8 lease-up rates to fully utilize available assistance. There is still an ample supply of housing in Janesville with vacancy rates over 10% city-wide. If it becomes necessary we will consider increasing the payment standard to 110% of FMR in order to increase success rates. This has not been necessary to this point in time.

We also plan on converting a small number of our housing choice vouchers into project-based vouchers for the purpose of establishing a transitional housing program. The Salvation Army is in the process of purchasing a property to establish such a program to assist single males in moving from homelessness to self-sufficiency. Transitional housing programs have been identified as a critical local need by the Homeless Intervention Task Force (HITF), and in particular single males have been identified as a population that is not currently being served.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The mission of the Janesville Community Development Authority is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination. This is primarily being addressed through an ongoing effort to increase the utilization rate of existing Housing Choice Vouchers. When the first 5-year plan was prepared, the voucher utilization rate was 88%. For the fiscal year ending 12/31/2002 the voucher utilization rate was 97% and we are on a similar pace for 2003.

One of our goals was to apply for additional rental vouchers. We have not been able to accomplish this goal because none have been offered since we have increased our utilization rate to a sufficiently high level to qualify.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

A substantial deviation from the 5-Year Plan is one which is not consistent with the goals included in that plan. New or additional activities may be undertaken provided they are not contrary nor conflict with the goals included in the 5-Year Plan.

b. Significant Amendment or Modification to the Annual Plan

A significant amendment or modification to the Annual Plan is one which conflicts with or is not consistent with the policies included in that plan. New initiatives may be introduced that were not anticipated at the time the plan was adopted provided they do not conflict with any other provisions of the plan. For example, at the present time we do not have any plans to offer a homeownership option. However, if we were to decide to do that, it would not conflict with any provision of the plan. However, if we decided to increase the minimum rent from \$25 to \$50 that would conflict with the plan.

C. Other Information

[24 CFR Part 903.13, 903.15]

(1) Resident Advisory Board Recommendations

- a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

- The PHA changed portions of the PHA Plan in response to comments
List changes below:
- Other: (list below)

(2) Resident Membership on PHA Governing Board

The governing board of each PHA is required to have at least one member who is directly assisted by the PHA, unless the PHA meets certain exemption criteria. Regulations governing the resident board member are found at 24 CFR Part 964, Subpart E.

a. Does the PHA governing board include at least one member who is directly assisted by the PHA this year?

- Yes No:

If yes, complete the following:

Name of Resident Member of the PHA Governing Board: Victoria Brown

Method of Selection:

- Appointment
The term of appointment is (include the date term expires): April 2004
- Election by Residents (if checked, complete next section--Description of Resident Election Process)

Description of Resident Election Process

- Representatives of all PHA resident and assisted family organizations
- Other (list)

b. If the PHA governing board does not have at least one member who is directly assisted by the PHA, why not?

- The PHA is located in a State that requires the members of a governing board to be salaried and serve on a full time basis
- The PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.
- Other (explain):

Date of next term expiration of a governing board member:

Name and title of appointing official(s) for governing board (indicate appointing official for the next available position):

(3) PHA Statement of Consistency with the Consolidated Plan

[24 CFR Part 903.15]

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

Consolidated Plan jurisdiction: City of Janesville

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
- Other: (list below)

The Consolidated Plan indicates a need for additional affordable housing, especially for those families with incomes below 30% of CMI. The PHA has indicated that we intend to apply for additional vouchers if they become available.

The Consolidated Plan also identifies a need for transitional housing in the City of Janesville to help move families from homelessness to self-sufficiency. In this plan the PHA proposes to project-base five (5) housing choice vouchers to establish a transitional housing program.

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

Since the PHA does not operate any public housing, the Consolidated Plan does not include any actions or commitments to support the PHA plan, except as described above.

(4) (Reserved)

Use this section to provide any additional information requested by HUD.

10. Project-Based Voucher Program

a. Yes No: Does the PHA plan to “project-base” any tenant-based Section 8 vouchers in the coming year? If yes, answer the following questions.

b. Yes No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option?

If yes, check which circumstances apply:

- Low utilization rate for vouchers due to lack of suitable rental units
- Access to neighborhoods outside of high poverty areas
- Other (describe below:)

The Homeless Intervention Task Force (HITF), which the PHA is a member, has identified the need for transitional housing in Janesville. In order to make the units affordable, some type of rent subsidy is necessary. The project basing of vouchers will allow the tenant portion of the rent to remain affordable and allow the provider to better select participants and enforce program requirements.

c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts): 5 units and census tract 7
